The People of the State of Michigan enact:

Sec. 9f. (1) The governing body of an eligible local assessing district may adopt a resolution to exempt from the collection of taxes under this act all new personal property owned or leased by an eligible business located in 1 or more eligible districts designated in the resolution. The clerk of the eligible local assessing district shall notify in writing the assessor of the local tax collecting unit in which the eligible district is located and the legislative body of each taxing unit that levies ad valorem property taxes in the eligible local assessing district in which the eligible district is located. Before acting on the resolution, the governing body of the eligible local assessing district shall afford the assessor and a representative of the affected taxing units an opportunity for a hearing.

(2) The exemption under this section is effective on the December 31 immediately succeeding the adoption of the resolution by the governing body of the eligible local assessing district and shall continue in effect for a period specified in the resolution. A copy of the resolution shall be filed with the state tax commission. A resolution is not effective unless approved by the state tax commission as provided in subsection (3).

(3) Not more than 60 days after receipt of a copy of the resolution adopted under subsection (1), the state tax commission shall approve or disapprove the resolution. The state treasurer, with the written concurrence of the president of the Michigan strategic fund, shall advise the state tax commission as to whether exempting new personal property of the eligible business is necessary to reduce unemployment, promote economic growth, and increase capital investment in this state.

(4) Notwithstanding the amendatory act that added section 2(1)(c), all of the following shall apply to an exemption under this section that was approved by the state tax commission on or before April 30, 1999, regardless of the effective date of the exemption:

(a) The exemption shall be continued for the term authorized by the resolution adopted by the governing body of the eligible local assessing district and approved by the state tax commission with respect to buildings and improvements constructed on leased real property during the term of the exemption if the value of the real property is not assessed to the owner of the buildings and improvements.
