The People of the State of Michigan enact:

Sec. 9. (1) A person within the state who owns or comes into possession of a pistol shall, if he or she resides in a city, township, or village having an organized police department, present the pistol for safety inspection to the commissioner or chief of police of the city, township, or village police department or to a duly authorized deputy of the commissioner or chief of police. If that person resides in a part of the county not included within a city, township, or village having an organized police department, he or she shall present the pistol for safety inspection to the sheriff of the county or to a duly authorized deputy of the sheriff. If the person presenting the pistol is eligible to possess a pistol under section 2(1), a certificate of inspection shall be issued in triplicate on a form provided by the director of the department of state police, containing the name, age, address, description, and signature of the person presenting the pistol for inspection, together with a full description of the pistol. The original of the certificate shall be delivered to the registrant. The duplicate of the certificate shall be mailed within 48 hours to the director of the department of state police and filed and indexed by the department and kept as a permanent official record. The triplicate of the certificate shall be retained and filed in the office of the sheriff, commissioner, or chief of police. This section does not apply to a wholesale or retail dealer in firearms who regularly engages in the business of selling pistols at retail, or to a person who holds a collection of pistols kept for the purpose of display as relics or curios and that are not made for modern ammunition or are permanently deactivated.

(2) A person who presents a pistol for a safety inspection under subsection (1) shall ensure that the pistol is unloaded and that the pistol is equipped with a trigger lock or other disabling mechanism or encased when the pistol is presented for inspection. A person who violates this subsection is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than \$50.00.

This act is ordered to take immediate effect.
