Payment for health benefits coverage for a health insurance dependent of a retirant shall not be made after the retirant's death, unless the retirant designated a retirement allowance beneficiary as provided in section 85 and the dependent was covered or eligible for coverage as a health insurance dependent of the retirant on the retirant's date of death. Payment for health benefits coverage shall not be made for a health insurance dependent after the later of the retirant's death or the retirement allowance beneficiary's death.
