ENROLLED HOUSE BILL No. 5824

AN ACT to amend 1893 PA 206, entitled "An act to provide for the assessment of rights and interests, including leasehold interests, in property and the levy and collection of taxes on property, and for the collection of taxes levied; making those taxes a lien on the property taxed, establishing and continuing the lien, providing for the sale or forfeiture and conveyance of property delinquent for taxes, and for the inspection and disposition of lands bid off to the state and not redeemed or purchased; to provide for the establishment of a delinquent tax revolving fund and the borrowing of money by counties and the issuance of notes; to define and limit the jurisdiction of the courts in proceedings in connection with property delinquent for taxes; to limit the time within which actions may be brought; to prescribe certain limitations with respect to rates of taxation; to prescribe certain powers and duties of certain officers, departments, agencies, and political subdivisions of this state; to provide for certain reimbursements of certain expenses incurred by units of local government; to provide penalties for the violation of this act; and to repeal acts and parts of acts," (MCL 211.1 to 211.157) by adding section 9j.

The People of the State of Michigan enact:

Sec. 9j. (1) For taxes levied after December 31, 2004, upon application for an exemption under this section by the administration of an innovations center, the governing body of a local tax collecting unit may adopt a resolution to exempt from the collection of taxes under this act all personal property that is owned or used by any qualified high-technology business located in that innovations center and all personal property that is owned or used by the administration of that innovations center. The clerk of the local tax collecting unit shall notify in writing the assessor of the local tax collecting unit and the legislative body of each taxing unit that levies ad valorem property taxes in the local tax collecting unit. Before acting on the resolution, the governing body of the local tax collecting unit shall afford the assessor and a representative of the affected taxing units an opportunity for a hearing. A copy of the resolution shall be filed with the state tax commission. The application for exemption under this section shall be in a form prescribed by the state tax commission.

(2) The administration of an innovations center may claim the exemption under subsection (1) by filing an affidavit claiming the exemption with the assessor of the local tax collecting unit. The affidavit shall be in a form prescribed by the state tax commission.

(3) As used in this section:

(a) "Certified technology park" means that term as defined in section 2 of the local development financing act, 1986 PA 281, MCL 125.2152.

(b) "High-technology activity" means 1 or more of the following:

(i) Advanced computing, which is any technology used in the design and development of any of the following:

(A) Computer hardware and software.

(B) Data communications.

(C) Information technologies.

(ii) Advanced materials, which are materials with engineered properties created through the development of specialized process and synthesis technology.

(iii) Biotechnology, which is any technology that uses living organisms, cells, macromolecules, microorganisms, or substances from living organisms to make or modify a product, improve plants or animals, or develop microorganisms for useful purposes. Biotechnology does not include human cloning as defined in section 16274 of the public health code, 1978 PA 368, MCL 333.16274, or stem cell research with embryonic tissue.

(iv) Electronic device technology, which is any technology that involves microelectronics, semiconductors, electronic equipment, and instrumentation, radio frequency, microwave, and millimeter electronics, and optical and optic-electrical devices, or data and digital communications and imaging devices.

(v) Engineering or laboratory testing related to the development of a product.

(vi) Technology that assists in the assessment or prevention of threats or damage to human health or the environment, including, but not limited to, environmental cleanup technology, pollution prevention technology, or development of alternative energy sources.

(vii) Medical device technology, which is any technology that involves medical equipment or products other than a pharmaceutical product that has therapeutic or diagnostic value and is regulated.

(viii) Life science technology, which is any technology that has a medical diagnostic or treatment value, including, but not limited to, pharmaceutical products.

(ix) Product research and development.

(c) "Innovations center" means real property that meets all of the following conditions:

(i) Is a business incubator as that term is defined in section 2 of the local development financing act, 1986 PA 281, MCL 125.2152.

(ii) Is located within a single building.

(iii) Is primarily used to provide space and administrative assistance to 1 or more qualified high-technology businesses located within the building.

(d) "Qualified high-technology business" means a business that is either of the following:

(i) A business with not less than 25% of the total operating expenses of the business used for research and development as determined under generally accepted accounting principles.

(ii) A business whose primary business activity is high-technology activity.

This act is ordered to take immediate effect.
