The work first site shall also identify appropriate education and job training programs which would be available to the participant. The department shall encourage the Michigan works! agencies to consider transportation challenges for work first participants placed in employment. When an individual is re-referred to work first because of an inability to retain employment, the Michigan works! agencies shall confer with the Michigan rehabilitation services, the family independence agency, or other professionals if considered appropriate by the Michigan works! agency to screen for and identify issues that are preventing the participant from succeeding in the labor market. This explanation shall include clear guidelines with regard to an individual's eligibility for postemployment training support and for applying hours in training toward work requirements.
- (8) The department shall make every effort to place a minimum of 50% of clients who participate in the work first program in positions that provide wages of \$8.00 per hour or more.

However, work first participants may meet the work participation requirement by combining a minimum of 10 hours per week of work with training/education. Training/education may last up to 12 months and the calculated hours may include actual classroom seat time up to 10 hours per week plus up to 1 hour of study time for each hour of classroom seat time. Work first participants may enroll in additional hours of classroom seat time beyond 10 hours. However, these hours and the related study time will not count toward the work participation requirement. The training may be no longer than a 1-year program or the final year of a 2- or 4-year undergraduate program designed to lead to immediate labor force attachment.
