A qualified historic building may contain multiple rehabilitated facilities.

Sec. 3. (1) The governing body of a local governmental unit by resolution may designate 1 or more neighborhood enterprise zones within that local governmental unit. A neighborhood enterprise zone shall contain not less than 10 platted parcels of land. All the land within a neighborhood enterprise zone shall also be compact and contiguous. Contiguity is not broken by a road, right-of-way, or property purchased or taken under condemnation if the purchased or condemned property was a single parcel prior to the sale or condemnation.

(2) The total acreage of the neighborhood enterprise zones designated under this act shall not exceed 15% of the total acreage contained within the boundaries of the local governmental unit.

(3) Not less than 60 days before the passage of a resolution designating a neighborhood enterprise zone or the repeal or amendment of a resolution under subsection (5), the clerk of the local governmental unit shall give written notice to the assessor and to the governing body of each taxing unit that levies ad valorem property taxes in the proposed neighborhood enterprise zone. Before acting upon the resolution, the governing body of the local governmental unit shall make a finding that a proposed neighborhood enterprise zone is consistent with the master plan of the local governmental unit and the neighborhood preservation and economic development goals of the local governmental unit. The governing body before acting upon the resolution shall also adopt a statement of the local governmental unit's goals, objectives, and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within the proposed neighborhood enterprise zone. Additionally, before acting upon the resolution, the governing body of a local governmental unit with a population greater than 20,000 shall pass a housing inspection ordinance. A local governmental unit with a population of 20,000 or less may pass a housing inspection ordinance. Before the sale of a unit in a new or rehabilitated facility for which a neighborhood enterprise zone certificate is in effect, an inspection shall be made of the unit to determine compliance with any local construction or safety codes and that a sale may not be finalized until there is compliance with those local construction or safety codes. The governing body shall hold a public hearing not later than 45 days after the date the notice is sent but before acting upon the resolution.

(4) Upon receipt of a notice under subsection (3), the assessor shall determine and furnish to the governing body of the local governmental unit the amount of the true cash value of the property located within the proposed neighborhood enterprise zone and any other information considered necessary by the governing body.

(5) A resolution designating a neighborhood enterprise zone, other than a zone designated under subsection (2), may be repealed or amended not sooner than 3 years after the date of adoption or of the most recent amendment of the resolution by the governing body of the local governmental unit. The repeal or amendment of the resolution shall take effect 6 months after adoption. However, an action taken under this subsection does not invalidate a certificate that is issued or in effect and a facility for which a certificate is issued or in effect shall continue to be included in the total acreage limitations under this section until the certificate is expired or revoked.

(6) Upon passage, amendment, or repeal of a resolution under this section, the clerk of the local governmental unit shall notify the commission of the action taken.

Sec. 4. (1) The owner or developer or prospective owner or developer of a proposed new facility or an owner or developer or prospective developer proposing to rehabilitate property located in a neighborhood enterprise zone may file an application for a neighborhood enterprise zone certificate with the clerk of the local governmental unit. The application shall be filed in the manner and form prescribed by the commission. (c) For the construction of a new facility if the area in which the new facility is located is designated as a neighborhood enterprise zone by the governing body of the local governmental unit in July 1997 and if the building permit is issued for that new facility on February 3, 1998.

(d) For a new facility or a rehabilitated facility if the area in which the new facility or rehabilitated facility is located was designated as a neighborhood enterprise zone by the governing body of the local governmental unit in July 1996 and if the building permit was issued for that facility on or before July 3, 2001.

(h) For the construction of a new facility if the area in which the new facility is located is designated as a neighborhood enterprise zone by the governing body of the local governmental unit in July 1993 and the new facility was a model home.

(3) The application shall contain or be accompanied by all of the following:

(5) Notwithstanding any other provisions of this act, for any certificate issued as a result of the enactment of the amendatory act that added subsection (2)(d) or the amendatory act that added subsection (2)(e), the effective date of the certificate shall be January 1, 2001.

Sec. 12. (1) Except as otherwise provided in this section, unless earlier revoked as provided in section 11, a neighborhood enterprise zone certificate shall remain in effect for 6 to 12 years from the effective date of the certificate as determined by the governing body of the local governmental unit. If the new facility or rehabilitated facility is sold or transferred to another owner who otherwise complies with this act and, for a new facility, uses the new facility as a principal residence, the certificate shall remain in effect.

(2) If a rehabilitated facility was sold before December 29, 1994 and a certificate was in effect for that facility at the time of the sale, and the new owner of the rehabilitated facility otherwise complies with this act, the certificate shall be reinstated and remain in effect for the remainder of the original period described in subsection (1), unless earlier revoked under section 11.

(3) Except as provided in subsection (4), a change in ownership of a rehabilitated facility constituting all or a portion of a qualified historic building, occurring after the effective date of a neighborhood enterprise zone certificate for that rehabilitated facility, shall not affect the validity of that neighborhood enterprise zone certificate, and the certificate shall remain in effect for the period specified in this section as long as the rehabilitated facility has as its primary purpose residential housing.

(4) Unless revoked earlier as provided in section 11, a neighborhood enterprise zone certificate in effect for a rehabilitated facility constituting all or a portion of a qualified historic building shall remain in effect for 11 to 17 years from the effective date of the certificate as determined by the governing body of the local governmental unit. However, if a rehabilitated facility constituting all or a portion of a qualified historic building is not transferred or sold to a person who will own and occupy the rehabilitated facility as his or her principal residence within 6 years of the effective date of the neighborhood enterprise zone certificate, the neighborhood enterprise zone certificate is revoked.
