AN ACT to amend 1975 PA 197, entitled "An act to provide for the establishment of a downtown development authority; to prescribe its powers and duties; to correct and prevent deterioration in business districts; to encourage historic preservation; to authorize the acquisition and disposal of interests in real and personal property; to authorize the creation and implementation of development plans in the districts; to promote the economic growth of the districts; to create a board; to prescribe its powers and duties; to authorize the levy and collection of taxes; to authorize the issuance of bonds and other evidences of indebtedness; to authorize the use of tax increment financing; to reimburse downtown development authorities for certain losses of tax increment revenues; and to prescribe the powers and duties of certain state officials," by amending section 3 (MCL 125.1653), as amended by 1993 PA 323.

The People of the State of Michigan enact:

Sec. 3. (1) When the governing body of a municipality determines that it is necessary for the best interests of the public to halt property value deterioration and increase property tax valuation where possible in its business district, to eliminate the causes of that deterioration, and to promote economic growth, or to permit the development of a new commercial property with a total cash value after development of not less than \$100,000,000.00, which includes more than 2 detached buildings containing together not less than 500,000 square feet, the governing body may, by resolution, declare its intention to create and provide for the operation of an authority.

(2) In the resolution of intent, the governing body shall set a date for the holding of a public hearing on the adoption of a proposed ordinance creating the authority and designating the boundaries of the downtown district. Notice of the public hearing shall be published twice in a newspaper of general circulation in the municipality, not less than 20 or more than 40 days before the date of the hearing. Not less than 20 days before the hearing, the governing body proposing to create the authority shall also mail notice of the hearing to the property taxpayers of record in the proposed district and for a public hearing to be held after February 15, 1994 to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the authority is established and a tax increment financing plan is approved. Failure of a property taxpayer to receive the notice shall not invalidate these proceedings. Notice of the hearing shall be posted in at least 20 conspicuous and public places in the proposed downtown district not less than 20 days before the hearing. The notice shall state the date, time, and place of the hearing, and shall describe the boundaries of the proposed downtown district. A citizen, taxpayer, or property owner of the municipality or an official from a taxing jurisdiction with millage that would be subject to capture has the right to be heard in regard to the establishment of the authority and the boundaries of the proposed downtown district. The governing body of the municipality shall not incorporate land into the downtown district not included in the description contained in the notice of public hearing, but it may eliminate described lands from the downtown district in the final determination of the boundaries.

(3) Not more than 60 days after a public hearing held after February 15, 1994, the governing body of a taxing jurisdiction levying ad valorem property taxes that would otherwise be subject to capture may exempt its taxes from

capture by adopting a resolution to that effect and filing a copy with the clerk of the municipality proposing to create the authority. The resolution takes effect when filed with that clerk and remains effective until a copy of a resolution rescinding that resolution is filed with that clerk.

(4) Not less than 60 days after the public hearing, if the governing body of the municipality intends to proceed with the establishment of the authority, it shall adopt, by majority vote of its members, an ordinance establishing the authority and designating the boundaries of the downtown district within which the authority shall exercise its powers. The adoption of the ordinance is subject to any applicable statutory or charter provisions in respect to the approval or disapproval by the chief executive or other officer of the municipality and the adoption of an ordinance over his or her veto. This ordinance shall be filed with the secretary of state promptly after its adoption and shall be published at least once in a newspaper of general circulation in the municipality.

(5) The governing body of the municipality may alter or amend the boundaries of the downtown district to include or exclude lands from the downtown district pursuant to the same requirements for adopting the ordinance creating the authority.

(6) A municipality that has created an authority may enter into an agreement with an adjoining municipality that has created an authority to jointly operate and administer those authorities under an interlocal agreement under the urban cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512.

This act is ordered to take immediate effect.
