FISCAL IMPACT

The bill, together with Senate Bill 134, would have an indeterminate fiscal impact on State and local government. There are no data to indicate how many offenders would be convicted of the proposed felony. An offender convicted of a Class F offense is eligible for a sentencing guidelines minimum sentence range from 0-3 months to 17-30 months. Local governments incur the costs of local incarceration, which vary by county. The State incurs the cost of felony probation at an average annual cost of \$2,000, as well as the cost of incarceration in a State facility at an average annual cost of \$28,000.
