Senate Bill 1127 (Substitute S-1 as reported)
Sponsor: Senator Valde Garcia
Committee: Transportation

CONTENT

The bill would amend Public Act 205 of 1941, which governs limited access highways, to require the Michigan Department of Transportation to post on four-lane limited access highways signs indicating that the right lane of a four-lane limited access highway is for driving and the left lane is for passing.

The signs would have to be placed at the Michigan border of each four-lane limited access highway subject to the Act and at other locations of each four-lane limited access highway subject to the Act that the Department considered appropriate. The Department would have to determine the size and design of the signs.

MCL 252.52

Legislative Analyst: Julie Koval

FISCAL IMPACT

The bill would cost the State an indeterminate amount depending on the number and size of road signs the State Transportation Department determined were necessary. The costs for the signs would be paid by the State Trunkline Fund.
