Items Included by the Senate and House

- 1. **Tuition Restraint.** The Governor did not recommend any form of tuition restraint for community colleges for FY 2005-06. Consequently, current-year language that describes the program's parameters was removed. The House and Senate substitutes concur. (Sec. 207).
- 2. **Entrepreneurship Curriculum.** The Governor retains existing language encouraging the Department of Labor and Economic Growth to work with colleges to develop an accelerated entrepreneurship curriculum. The House adds a reporting section. The Senate substitute concurs. (Sec. 208).
- 3. **Buy American/Buy Michigan.** The Governor recommends current year language encouraging colleges to buy Michigan and American made products where available, with minor edits to make the language standard with other similar boilerplate. The House and Senate substitute concurs. (Sec. 209).
- 4. At Risk Payment Schedule. The Governor recommends changing the current distribution of these funds from a single payment on November 1 to 11 equal payments throughout the year similar to the operations payment schedule. The House retains current schedule, which is payment in full by November 1. The Senate substitute concurs. (Sec 211).
- 5. **Abortion Coverage in Employee Health Insurance.** The Governor deletes language that prohibits the use of State funds for health insurance that includes abortion services for college employees. The House and Senate substitute retain current language. (Sec. 230).
- 6. **Benefits for Unmarried Partners.** The Governor deletes language that prohibits the use of State appropriations to provide benefits to unmarried partners of college employees. The House and Senate substitute retain current language. (Sec. 231).
- 7. **Payments in Lieu of Taxes.** The Governor deletes current language that creates a workgroup to evaluate and make recommendations regarding the possibility of state payments in lieu of taxes to community colleges whose districts contain state-owned land. The House includes federal, local, or otherwise nontaxable land, and adds a reporting requirement due by March 1. The Senate substitute concurs. (Sec. 237).

Conference Agreement on Items of Difference

- 8. **Deprived and Depressed.** The Governor and Senate substitute retain current-year language that encourages colleges to do business in deprived and depressed communities. The House does not include this language. The Conference Report includes the language. (Sec. 210).
- 9. **Performance Indicators Task Force.** The House adds new language that creates a 13-member workgroup to develop performance indicators that will be used to determine all, or part, of future budgets for community colleges. The Senate substitute does not include this language. The Conference Report includes the language, but reduces the membership to 8; 4 legislators, 4 community college representatives. (Sec. 242).
- 10. **Nursing Education Programs.** The Senate substitute includes new language encouraging colleges to expand nursing education programs by creating partnerships with health care providers, expanding the scope of the nursing scholarships program and redirecting existing resources. The Conference Report includes the language. (Sec. 241).
- 11. **Audits.** The House increases the number of random audits conducted by the Auditor General of Activities Classification Structure (ACS) data, from 7, to 7-10. The Senate substitute retains 7. The Conference Report retains 7.
- 12. **Parity Intent Language.** The Conference Committee included new language stating legislative intent that if there is additional FY 2005-06 revenues determined at the January 2006 consensus revenue estimating conference, the legislature will review the possibility of providing an increase of up to \$3.2 million for community colleges. (Sec. 243).
- 13. **FY 2004-05 Book Closing Revenue.** The Conference Committee included new language that indicates that the appropriations in the bill are in addition to the revenue colleges may receive from revenue that may be available at the State's FY 2004-05 book closing, and should recognize this revenue in the college's 2005-06 fiscal year.

Items Included by the House and Senate

- Community Mental Health (CMH) Quality Assurance Assessment Program. Language states that if, for any reason, the CMH Quality Assurance Assessment Program is not implemented, generates a smaller than expected GF/GP savings or is eliminated the department will not take steps that would result in a net reduction in revenue for community mental health services. (Sec. 457)
- 2. Home and Community Based Waiver (HCBW) Administrative Cost Limit. Language reduces reimbursement for administrative expenses for the HCBW program by \$2 per day. Saving generated from this administrative cap is to be used to increase enrollment in the program. A report on the number of nursing home patients who are discharged and subsequently enrolled in the HCBW program is to be submitted to the legislature. (Sec. 1684)

Conference Agreement on Items of Difference

- 3. **CMH Administrative Cost Standards.** Language requires the department to establish uniform standards for the calculation and reporting of administrative cost for Community Mental Health agencies. A written draft of proposed standards is to be submitted to the legislature and state budget director by April, 15 2006. (Sec. 460)
- 4. Respite Care Administrative Expenditure Cap. Prohibits agencies receiving funds to provide respite care services for families of children with severe emotional disturbances from utilizing more than 1% of their allocation for administrative purposes. (Sec. 465)
- 5. **Partial Restoration Hearing and Vision Services.** The House and Senate instruct local health departments to offer hearing and vision services at a reduced level from that provided in fiscal year 2004-05. These services are to be specifically targeted towards preschool and elementary aged children. (Sec. 905)
- 6. **Expansion of Medicaid Cost Sharing.** Section 1631 of boilerplate modified to reflect the creation of copayments for physician visits (\$2), hospital emergency room use (\$3), the first day of inpatient hospitalization (\$50) and outpatient hospital visits (\$1). (Sec. 1631)
- 7. **Medicaid Rate Increase Obstetric Services.** The House and Senate allocate sufficient funds to increase Medicaid reimbursement for obstetrical services by 20%. (Sec. 1635)
- 8. **Medicaid Personal Responsibility Agreement.** Language requires all adult Medicaid recipients to be offered the opportunity to sign an agreement to practice responsible health behavior. The agreement includes provisions that the Medicaid recipients will not smoke, attend all scheduled medical appointments, exercise regularly, keep their children up to date on immunizations and will not use illegal narcotics. (Sec. 1637)
- 9. Actuarial Sound Rates for Medicaid HMOs. Language instructs the department, in conjunction with Medicaid managed care organizations, to create a plan to ensure that HMO rates meet federal requirements for actuarial soundness. Strategies to be included in this plan include the establishment of hospital centers of transplant excellence, statewide contracts for durable medical equipment and the aggressive enrollment of individuals with end-stage renal failure in the Medicare program. This report is to be submitted to the legislature by May 30, 2006 (Sec. 1700).
- 10. Joint Committee Exploring Possible Medicaid Cost Savings. Requires the legislature to establish a committee with representatives from the House of Representatives the Senate and the Department of Community Health to explore possible strategies that may be used to achieve \$40 million GF/GP in cost savings. Specific attention is to be paid to strategies utilizing information technology, fraud enforcement and detection and estate recovery. (Sec. 1729)
- 11. **Provider Rate Restoration.** Language makes partial restoration of Medicaid provider rate reductions contingent upon the state receiving federal approval of a waiver establishing a hospital case rate for individuals enrolled in the caretaker relative eligibility group. (Sec. 1730)
- 12. **Medicaid Eligibility for Caretaker Relatives and 18-21 Year Olds.** Requires the department to establish an asset test for individuals seeking enrollment in the Medicaid program under the caretaker relative or 18-21 year old eligibility category. Medicaid eligibility will not be available to 18-21 year olds who have a parent or guardian with access to dependent health insurance. (Sec. 1731)

| Changes from FY 2004-05 Year-to-Date: | |
| Items Included by the Senate and House | |
| 1. State Revolving Fund. The State match to Federal dollars for the State Revolving Loan Program was supported with one-day revenue bonds in FY 2004-05. The budget restores a portion of the General Fund support for the match because the restricted funds are not available at the same level for another year. An additional \$5,800,000 GF/GP would be appropriated, of which \$4,900,000 is a fund shift. | 900,000 |
| Economic Adjustments. The budget includes economic adjustments for salaries and wages, insurance, retirement, worker's compensations, building occupancy charges, and rent. The budget also restores amounts for concessions from FY 2004-05. | 9,063,800 |
| 3. General Fund Reductions. The budget includes reductions in General Fund support for selected programs including radon grants, radiological protection, pollution prevention, air quality, and information technology. Total reductions of \$2,307,400 GF/GP are included and \$1,622,600 in restricted funds are used to partially offset the reductions. | (668,400) |
| Other Changes. The budget includes adjustments to restricted and Federal funds to reflect actual anticipated revenue, changes in grant availability, and one-time appropriations in FY 2004-05. | (4,485,200) |
| Conference Agreement on Items of Difference | |
| 5. Refined Petroleum Product Cleanup Program. The Conference Committee includes an appropriation from the Refined Petroleum Fund for a new cleanup program for petroleum-related leaking underground storage tanks. The funds would be subject to the recommendations of an Advisory Council and the statutory implementation of the program. | 102,000,000 |
| Aquifer Protection Program Elimination. The Governor and Senate remove the \$200,000 in General Fund and a portion of the restricted fund support for this program. The Conference Committee concurs with the House and allocates \$50,000 for the MDA. | (250,000) |
| 7. Dam Safety Program Elimination. The Governor's budget would remove funding for this program's functions, which include permitting, inspections, and creating emergency response plans for dams. The Conference Committee restores \$315,900 to support the statutory obligation, without the services the Department was providing to the MDNR. | 40,500 |
| Wetland and Inland Lake Fee Increases. The Governor would replace \$2,000,000 GF/GP for these permitting programs with increased fee revenue of \$1,000,000 for each program. The Conference Committee restores General Fund support for these programs. | 0 |
| Laboratory Billing Changes. The Conference Committee concurs with the Governor's proposal for the State laboratory to bill other departmental units for services provided instead of supporting the lab services separately. The increased appropriation is an inter-departmental transfer. | 502,000 |
| 10. Other Issues. The Conference Committee includes restricted funding for studies at White Lake and Little Black Creek, and real-time water quality monitoring in Macomb County. Also included in the budget are several revised recommendations from the Governor. | (553,200) |
| Total Changes | \$106,549,500 |
| FY 2005-06 Conference Report Gross Appropriation | \$455,267,000 |

Items Included by the Senate and House

- 1. **Sections Removed.** Neither the Conference Committee nor the Governor include sections related to a solid waste report, a recycling study, beach water quality monitoring, and a fish barrier challenge grant.
- 2. Section Retained. The Conference Committee retains sections related to the retention of reports, meetings on water diversion requests, the MI Youth Conservation Council, areas of concern, safe drinking water technical assistance, inspections of solid waste, local health department septage assistance, scrap tire suppression, restricted fund balances, a grant and loan catalog, air quality program expenditures, and the Great Lakes Water Quality bond.
- 3. **Deprived and Depressed.** The Conference Committee does not include language directing the Department to ensure companies in deprived and depressed communities compete for State contracts.
- 4. **Contingency Funds.** The Conference Committee does not include authorization for contingency fund appropriations of \$30.0 million Federal, \$5.0 million restricted, \$100,000 local, and \$100,000 private.

Conference Agreement on Items of Difference

- Sections Removed. The Conference Committee does not include sections related to quarterly travel reports and contractual laboratory services
- 6. **Prohibit Disciplinary Actions.** The Conference Committee includes Senate language prohibiting the Department from taking disciplinary actions against an employee for communicating with the Legislature. (Sec. 219)
- 7. **IDT** for Laboratory Services. The Conference Committee adds language allowing the carry-forward of interdepartmental transfers paying for services provided by the laboratory to other department divisions. (Sec. 502)
- 8. **Fine and Penalty Collections.** The Conference Committee requires an annual report on the civil and criminal fine revenue collected during the year. (Sec. 220)
- 9. Waiver of Permit Fees. The Conference Committee retains a section allowing the Department to waive certain permit fees for nonprofit organizations conducting stream habitat improvement projects. (Sec. 601)
- 10. **Refined Petroleum Project List.** The Conference Committee revises Senate language to prohibit \$42.0 million in expenditures of this cleanup funding until a cleanup program is enacted into law. A site list is included. (Sec. 702)
- 11. **Refined Petroleum Initial Cleanup.** The Conference Committee adds language specifying the appropriation of \$45.0 million in Part 1 be spent according to the Advisory Council's recommendations for owner/operator reimbursements. (Sec. 703)
- 12. **Cleanup Criteria.** The Conference Report includes a requirement that remedial action plans on cleanup sites include bioavailability studies, site-specific human exposure data, and peer-reviewed risk assessments. (Sec. 704)
- 13. **Notification of Petroleum-Related Orders**. The Senate requires the Department to notify the appropriate members of the Legislature 48 hours before issuing a departmental order suspending wholesale or retail sale of petroleum products. The Conference Committee adds an exception for imminent public safety concerns. (Sec. 801)
- 14. **Romulus Injection Facility.** The Conference Committee revises Senate language to require the Department to report annually to the City of Romulus, Taylor, and Wayne County regarding a deep well injection facility. (Sec. 802)
- 15. **Notification of Groundwater Use Action.** The Conference Committee includes House language prohibiting expenditures for further control of the quantity of groundwater use. (Sec. 903)
- 16. **NPDES Permit Limitation.** The Conference Committee does not include Senate language prohibiting the implementation or enforcement of administrative rules, policies, guidelines, or procedures that require a NPDES permit if a person does not have a regulated discharge of pollutants into waters of the State.
- 17. **Real-Time Water Quality Monitoring.** The Conference Committee includes House language specifying that an appropriation in Part 1 is for water quality monitoring in the St. Clair watershed in Macomb County. (Sec. 1103)
