2 district may borrow from the state an amount not greater than the
3 difference between the proceeds of the school district's computed
4 millage and the amount necessary to pay principal and interest on
5 its qualified bonds, including any necessary allowances for

7 (2) For school districts having qualified loans outstanding as
8 of ~~the effective date of this act~~ **JULY 20, 2005**, the state

10 regarding the taxable value of the school district and the actual

1 debt service of outstanding qualified bonds as of ~~the effective~~
2 ~~date of this act~~ **JULY 20, 2005** and shall issue an order
3 establishing the payment date for all those outstanding qualified
4 loans and any additional qualified loans expected to be incurred by
5 those school districts related to qualified bonds issued before
6 ~~the effective date of this act~~ **JULY 20, 2005**. The payment date

10 (3) For qualified loans related to qualified bonds issued

14 are due and payable. This section does not preclude early repayment
15 of qualified bonds or qualified loans.

16 (4) Except with regard to qualified loans described in
17 subsection (2), each loan made or considered made to a school
18 district under this act shall be for debt service on only a

13 (7) Upon the request of a school district made before June 1
14 of any year, the state treasurer annually may waive all or a
15 portion of the millage required to be levied by a school district
16 to pay principal and interest on its qualified bonds or qualified
17 loans under this section if the state treasurer finds all of the
18 following:

19 (a) The school board of the school district has applied to the
20 state treasurer for permission to levy less than the millage
21 required to be levied to pay the principal and interest on its
22 qualified bonds or qualified loans under subsection (1).

23 (b) The application specifies the number of mills the school
24 district requests permission to levy.

25 (c) The waiver will be financially beneficial to this state,
26 the school district, or both.

27 (d) The waiver will not reduce the millage levied by the

1 school district to pay principal and interest on qualified bonds or
2 qualified loans under this act to less than 7 mills.

3 (e) The board of the school district, by resolution, has
4 agreed to comply with all conditions that the state treasurer
5 considers necessary.

6 (8) Except as otherwise provided in this act, loans shall bear
7 interest at the greater of 3% or the average annual cost of funds
8 computed annually on the basis of all state general obligations
9 issued under section 16 of article IX of the state constitution of
10 1963 PLUS 0.125%. IN THE EVENT THIS STATE HAS NO OUTSTANDING
