8 an existing line of credit, or has not had or applied for a line of
9 credit within the preceding year, through the use of an unsolicited
10 check that includes personal identifying information other than the
11 recipient's name, address, and a partial, encoded, or truncated
12 personal identifying number. In addition to any other penalty or

14 PA 331, MCL 445.901 to 445.922, a credit card issuer, financial
15 institution, or other lender that violates this subdivision, and

17 instrument is used by an unauthorized user and for any fees
18 assessed to the consumer if the instrument is dishonored.

19 (c) Solicit to extend credit to a consumer who does not have a
20 current credit card, or has not had or applied for a credit card
21 within the preceding year, through the use of an unsolicited credit
22 card sent to the consumer. In addition to any other penalty or

27 used by an unauthorized user and for any interest or finance

1 charges assessed to the consumer.

2 (d) Extend credit to a consumer without exercising reasonable
3 procedures to verify the identity of that consumer. Compliance with
4 regulations issued for depository institutions, and to be issued
5 for other financial institutions, by the United States department
6 of treasury under section 326 of the USA patriot act of 2001, 31
7 USC 5318, is considered compliance with this subdivision. This

10 liabilities or any change to or review of an existing credit
11 account.
