The People of the State of Michigan enact:

Sec. 1021. (1) The commission shall not require a licensee to sell or serve food to a purchaser of alcoholic liquor. The commission shall not require a class A hotel or class B hotel to provide food services to registered guests or to the public.

(2) Except as otherwise provided in subsection (3), a purchaser shall not remove alcoholic liquor sold by a vendor for consumption on the premises from those premises.

(3) A vendor licensed to sell wine on the premises may allow an individual who has purchased a meal and who has purchased and partially consumed a bottle of wine with the meal, to remove the partially consumed bottle from the premises upon departure. This subsection does not allow the removal of any additional unopened bottles of wine unless the vendor is licensed as a specially designated merchant. The licensee or the licensee's clerk, agent, or employee shall reinsert a cork so that the top of the cork is level with the lip of the bottle. The transportation or possession of the partially consumed bottle of wine shall be in compliance with section 624a of the Michigan vehicle code, 1949 PA 300, MCL 257.624a.

(4) This act and rules promulgated under this act do not prevent a class A or B hotel designed to attract and accommodate tourists and visitors in a resort area from allowing its invitees or guests to possess or consume, or both, on or about its premises, alcoholic liquor purchased by the invitee or guest from an off-premises retailer, and does not prevent a guest or invitee from entering and exiting the licensed premises with alcoholic liquor purchased from an off-premises retailer.

This act is ordered to take immediate effect.
