The People of the State of Michigan enact:

Sec. 2830. (1) If a child whose birth occurred outside the United States, a territory of the United States, or Canada is adopted by a resident of this state under the laws of this state or under the laws of a foreign country, the probate court, on motion of the adopting parent, may file a delayed registration of birth on a form provided by the department. The delayed registration shall contain the date and place of birth and other facts specified by the department.

(2) If the date and place of birth of a child described in subsection (1) cannot be documented from foreign records or a medical assessment of the development of the child indicates that the date of birth as stated in the immigration records is not correct, the court shall determine the facts and establish a date and place of birth and may file a delayed registration of birth as provided in subsection (1).

(3) Upon the petition of a child adopted in this state whose birth occurred outside the United States, a territory of the United States, or Canada, or a petition of the child's adoptive parents, the court that issued an order of adoption for that child before the effective date of this section may issue a delayed registration of birth for the adopted child as provided in subsection (1).

(4) A probate court may, at the request of the adopting parent when filing a delayed registration of birth under subsection (1), enter a new name for the child on the delayed registration of birth. After the filing of a delayed registration of birth that includes a change of name, the new name shall be the legal name of the adopted child.
