## The People of the State of Michigan enact:

Sec. 1230d. (1) If a person who is employed in any capacity by a school district, intermediate school district, public school academy, or nonpublic school; who has applied for a position with a school district, intermediate school district, public school academy, or nonpublic school and has had an initial criminal history check under section 1230 or criminal records check under section 1230a; or who is regularly and continuously working under contract in a school district, intermediate school district, public school academy, or nonpublic school, is charged with a crime listed in section 1535a(1) or a violation of a substantially similar law of another state, a political subdivision of this state or another state, or of the United States, the person shall report to the department and to the school district, intermediate school district, public school academy, or nonpublic school that he or she has been charged with the crime. All of the following apply to this reporting requirement:

- (a) The person shall make the report on a form prescribed by the department.
- (b) The person shall submit the report to the department and to the superintendent of the school district or intermediate school district or chief administrator of the public school academy or nonpublic school.
  - (c) The person shall submit the report within 3 business days after being arraigned for the crime.
- (2) If a person who is employed in any capacity by or is regularly and continuously working under contract in a school district, intermediate school district, public school academy, or nonpublic school enters a plea of guilt or no contest to or is the subject of a finding of guilt by a judge or jury of any crime after having been initially charged with a crime described in section 1535a(1) or 1539b(1), then the person immediately shall disclose to the court, on a form prescribed by the state court administrative office, that he or she is employed by or working under contract in a school

district, intermediate school district, public school academy, or nonpublic school. The person shall immediately provide a copy of the form to the prosecuting attorney in charge of the case, to the superintendent of public instruction, and to the superintendent or chief administrator of the school district, intermediate school district, public school academy, or nonpublic school.

- (3) A person who violates subsection (1) or (2) is guilty of a crime, as follows:
- (a) If the person violates either subsection (1) or (2) and the crime involved in the violation is a misdemeanor that is a listed offense or is a felony, the person is guilty of a felony punishable by imprisonment for not more than 2 years or a fine of not more than \$2,000.00, or both.
- (b) If the person violates either subsection (1) or (2) and the crime involved in the violation is a misdemeanor that is not a listed offense, the person is guilty of a misdemeanor punishable by imprisonment for not more than 1 year or a fine of not more than \$1,000.00, or both.
- (4) A person who violates subsection (1) or (2) may be discharged from his or her employment or have his or her contract terminated. If the board of a school district or intermediate school district or board of directors of a public school academy finds, after providing notice and the opportunity for a hearing, that a person employed by the school district, intermediate school district, or public school academy has violated subsection (1) or (2), the board or board of directors may discharge the person from his or her employment. However, if a collective bargaining agreement that applies to the affected person is in effect as of the effective date of this section, and if that collective bargaining agreement is not in compliance with this subsection, then this subsection does not apply to that school district, intermediate school district, or public school academy until after the expiration of that collective bargaining agreement.
- (5) If a person submits a report that he or she has been charged with a crime, as required under subsection (1), and the person is subsequently not convicted of any crime after the completion of judicial proceedings resulting from that charge, then the person may request the department and the school district, intermediate school district, public school academy, or nonpublic school to delete the report from its records concerning the person. Upon receipt of the request from the person and of documentation verifying that the person was not convicted of any crime after the completion of judicial proceedings resulting from that charge, the department or a school district, intermediate school district, public school academy, or nonpublic school shall delete the report from its records concerning the person.
- (6) If the prosecuting attorney in charge of a case receives a form as provided under subsection (2), the prosecuting attorney shall notify the superintendent of public instruction and the superintendent or chief administrator of any school district, intermediate school district, public school academy, or nonpublic school in which the person is employed by forwarding a copy of the form to each of them not later than 7 days after receiving the form. If the court receives a form as provided under subsection (2), the court shall notify the superintendent of public instruction and the superintendent or chief administrator of any school district, intermediate school district, public school academy, or nonpublic school in which the person is employed by forwarding to each of them a copy of the form and information regarding the sentence imposed on the person not later than 7 days after the date of sentencing, even if the court is maintaining the file as a nonpublic record.
- (7) The department of information technology shall work with the department and the department of state police to develop and implement an automated program that does a comparison of the department's list of registered educational personnel with the conviction information received by the department of state police. Unless otherwise prohibited by law, this comparison shall include convictions contained in a nonpublic record. The department and the department of state police shall perform this comparison during January and June of each year until July 1, 2008. If a comparison discloses that a person on the department's list of registered educational personnel has been convicted of a crime, the department shall notify the superintendent or chief administrator and the board or governing body of the school district, intermediate school district, public school academy, or nonpublic school in which the person is employed of that conviction.
- (8) As used in this section, "listed offense" means that term as defined in section 2 of the sex offenders registration act, 1994 PA 295, MCL 28.722.

Enacting section 1. This amendatory act takes effect January 1, 2006.

Enacting section 2. This amendatory act does not take effect unless all of the following bills of the 93rd Legislature are enacted into law:
