**STATE OF MICHIGAN
93RD LEGISLATURE
REGULAR SESSION OF 2005**

Introduced by Rep. Mortimer

ENROLLED HOUSE BILL No. 4726

AN ACT to amend 1976 PA 451, entitled "An act to provide a system of public instruction and elementary and secondary schools; to revise, consolidate, and clarify the laws relating to elementary and secondary education; to provide for the organization, regulation, and maintenance of schools, school districts, public school academies, intermediate school districts, and other public school entities; to prescribe rights, powers, duties, and privileges of schools, school districts, public school academies, intermediate school districts, and other public school entities; to provide for the regulation of school teachers and certain other school employees; to provide for school elections and to prescribe powers and duties with respect thereto; to provide for the levy and collection of taxes; to provide for the borrowing of money and issuance of bonds and other evidences of indebtedness; to establish a fund and provide for expenditures from that fund; to provide for and prescribe the powers and duties of certain state departments, the state board of education, and certain other boards and officials; to provide for licensure of boarding schools; to prescribe penalties; and to repeal acts and parts of acts," (MCL 380.1 to 380.1852) by adding section 1177a.

The People of the State of Michigan enact:

Sec. 1177a. (1) If, at the beginning of a school year, the board of a school district or board of directors of a public school academy provides information on immunizations, infectious disease, medications, or other school health issues to parents and guardians of pupils in at least grades 6, 9, and 12, then with that information the board or board of directors shall include information about meningococcal meningitis and the vaccine for meningococcal meningitis. The information shall include at least the causes and symptoms of meningococcal meningitis, how it is spread, and sources where parents and guardians may obtain additional information about meningococcal meningitis and may obtain vaccination of a child against meningococcal meningitis.

(2) The department, in cooperation with the department of community health, shall develop and make available to school districts, public school academies, and nonpublic schools information that meets the requirements of subsection (1). The department shall do this in the manner the department determines to be the most cost-effective and programmatically effective, which shall include at least posting the information on its website.

This act is ordered to take immediate effect.
