ENROLLED HOUSE BILL No. 5630

AN ACT to amend 1978 PA 368, entitled "An act to protect and promote the public health; to codify, revise, consolidate, classify, and add to the laws relating to public health; to provide for the prevention and control of diseases and disabilities; to provide for the classification, administration, regulation, financing, and maintenance of personal, environmental, and other health services and activities; to create or continue, and prescribe the powers and duties of, departments, boards, commissions, councils, committees, task forces, and other agencies; to prescribe the powers and duties of governmental entities and officials; to regulate occupations, facilities, and agencies affecting the public health; to regulate health maintenance organizations and certain third party administrators and insurers; to provide for the imposition of a regulatory fee; to provide for the levy of taxes against certain health facilities or agencies; to promote the efficient and economical delivery of health care services, to provide for the appropriate utilization of health care facilities and services, and to provide for the closure of hospitals or consolidation of hospitals or services; to provide for the collection and use of data and information; to provide for the transfer of property; to provide certain immunity from liability; to regulate and prohibit the sale and offering for sale of drug paraphernalia under certain circumstances; to provide for the implementation of federal law; to provide for penalties and remedies; to provide for sanctions for violations of this act and local ordinances; to provide for an appropriation and supplements; to repeal certain acts and parts of acts; to repeal certain parts of this act; and to repeal certain parts of this act on specific dates," (MCL 333.1101 to 333.25211) by adding section 5112.

The People of the State of Michigan enact:

Sec. 5112. (1) The department shall establish and maintain a pandemic influenza plan. The department shall consult with the United States department of health and human services and the federal centers for disease control and prevention to ensure that the pandemic influenza plan established by this state is consistent with the national preparedness efforts. The department, in consultation with the department of agriculture and the local health departments in this state, shall review and update the pandemic influenza plan at least annually. The department shall make the pandemic influenza plan and any updates to that plan available to the public through its website.

(2) Beginning 1 year after the effective date of this section and annually thereafter, the department shall prepare a report regarding the pandemic influenza plan established under subsection (1), including an assessment of the plan's effectiveness and this state's preparedness for an influenza outbreak, and present that report to the appropriate standing committees and appropriations subcommittees of the senate and house of representatives of the legislature that primarily address public health issues.

This act is ordered to take immediate effect.
