(4) The department of treasury shall cause to be paid during the 1997-1998 state fiscal year an amount equal to 75.5% of the difference between 21.3% of the sales tax collections at a rate of 4% in the 12-month period ending June 30 of the state fiscal year in which the payments are made and the total distribution for the state fiscal year under section 12a, both of the following:

For the 2006-2007 state fiscal year, the percentage under this subsection shall be determined by dividing the sum of all payments under section 10 of article IX of the state constitution of 1963 for the 2006-2007 state fiscal year and \$407,485,000.00 by \$1,106,410,000.00. The amount of the adjustment under this subsection shall be accomplished by reducing the payments under subsections (8) to (13), and payments under section 10 of article IX shall not be reduced based on any adjustments made under this subsection.

(8) Subject to section 13d, for the 1998-1999 through 2006-2007 state fiscal years, for cities, villages, and townships with populations of less than 750,000, subject to the limitations under this section, a taxable value payment shall be made to each city, village, and township determined as follows:

(g) Determine the taxable value payment for each city, village, and township by multiplying the result under subdivision (f) by the adjusted taxable value population for that city, village, or township.

(9) Subject to section 13d, for the 1998-1999 through 2005-2006 state fiscal years and for the period of October 1, 2006 through September 30, 2007, subject to the limitations under this section and except as provided in subsection (14), a unit type population payment shall be made to each city, village, and township with a population of less than 750,000 determined as follows:

(10) Subject to section 13d, for the 1998-1999 through 2005-2006 state fiscal years and for the period of October 1, 2006 through September 30, 2007, subject to the limitations under this section, a yield equalization payment shall be made to each city, village, and township with a population of less than 750,000 sufficient to provide the guaranteed tax base for a local tax effort not to exceed 0.02. The payment shall be determined as follows:

(a) The guaranteed tax base is the maximum combined state and local per capita taxable value that can be guaranteed in a state fiscal year to each city, village, and township for a local tax effort not to exceed 0.02 if an amount equal to 74.94% of 21.3% of the state sales tax at a rate of 4% is distributed to cities, villages, and townships whose per capita taxable value is below the guaranteed tax base.

(i) An amount greater than zero that is equal to the difference between the guaranteed tax base determined in subdivision (a) and the per capita taxable value of the city, village, or township.

(ii) The local tax effort of the city, village, or township, not to exceed 0.02, multiplied by the population of that city, village, or township.

(c) The yield equalization payment is the full yield equalization payment divided by 3.

(11) For state fiscal years after the 1997-1998 state fiscal year, distributions under this section for cities, villages, and townships with populations of less than 750,000 shall be determined as follows:

(a) For the 1998-1999 state fiscal year, the payment under this section for each city, village, and township shall be the sum of the following:

(i) Ninety percent of the total amount available for distribution under subsections (8), (9), and (10) for the 1998-1999 state fiscal year multiplied by the city's, village's, or township's percentage share of the distributions under this section and section 12a minus the amount of a distribution under this section and section 12a to a city that is eligible to receive a distribution under subsection (6) in the 1997-1998 state fiscal year.

(ii) Ten percent of the total amount available for distribution under subsections (8), (9), and (10) for the 1998-1999 state fiscal year multiplied by the percentage share of the distribution amounts calculated under subsections (8), (9), and (10).

(b) For the 1999-2000 state fiscal year, the payment under this section for each city, village, and township shall be the sum of the following:

(i) Twenty percent of the total amount available for distribution under subsections (8), (9), and (10) for the 2005-2006 state fiscal year multiplied by the city's, village's, or township's percentage share of the distributions under this section and section 12a minus the amount of a distribution under this section and section 12a to a city that is eligible to receive a distribution under subsection (6) in the 1997-1998 state fiscal year.

(ii) Eighty percent of the total amount available for distribution under subsections (8), (9), and (10) for the 2005-2006 state fiscal year multiplied by the percentage share of the distribution amounts calculated under subsections (8), (9), and (10).

(ii) Ninety percent of the total amount available for distribution under subsections (8), (9), and (10) for the 2006-2007 state fiscal year multiplied by the percentage share of the distribution amounts calculated under subsections (8), (9), and (10).

(12) Except as otherwise provided in this subsection, the total payment to any city, village, or township under this act and section 10 of article IX of the state constitution of 1963 shall not increase by more than 8% over the amount of the payment under this act and section 10 of article IX of the state constitution of 1963 in the immediately preceding state fiscal year. From the amount not distributed because of the limitation imposed by this subsection, the department shall distribute an amount to certain cities, villages, and townships such that the percentage increase in the total payment under this act and section 10 of article IX of the state constitution of 1963 from the immediately preceding state fiscal year to each of those cities, villages, and townships is equal to, but does not exceed, the percentage increase from the immediately preceding state fiscal year of any city, village, or township that does not receive a distribution under this subsection. This subsection does not apply for state fiscal years after the 2000 federal decennial census becomes official to a city, village, or township with a 10% or more increase in population from the official 1990 federal decennial census to the official 2000 federal decennial census.

If the amount appropriated under this section to cities, villages, and townships is less than 74.94% of 21.3% of the sales tax at a rate of 4%, any reduction made necessary by this appropriation in distributions to cities, villages, and townships shall first be applied to the distribution under subsections (8) to (10) and any remaining amount shall be applied to the other distributions under this section.

(14) A township that provides for or makes available fire, police on a 24-hour basis either through contracting for or directly employing personnel, water to 50% or more of its residents, and sewer services to 50% or more of its residents and has a population of 10,000 or more or a township that has a population of 20,000 or more shall use the unit type population weight factor under subsection (9)(a) for a city with the same population as the township.

(15) For a state fiscal year in which the sales tax collections decrease from the sales tax collections for the immediately preceding state fiscal year, the department shall reduce the amount to be distributed to a city with a population of 750,000 or more under subsection (6) by an amount determined by subtracting the amount the city is eligible for under section 10 of article IX of the state constitution of 1963 for the state fiscal year from \$333,900,000.00 and multiplying that result by the same percentage as the percentage decrease in sales tax collections for that state fiscal year as compared to sales tax collections for the immediately preceding state fiscal year. This subsection does not apply to the 2002-2003 through 2006-2007 state fiscal years.

(16) Notwithstanding any other provision of this section for the 1998-1999 state fiscal year, the total combined amount received by each city, village, and township under this section and section 10 of article IX of the state constitution of 1963 shall not be less than the combined amount received under this section, section 12a, and section 10 of article IX of the state constitution of 1963 in the 1997-1998 state fiscal year. The increase, if any, for each city, village, and township from the 1997-1998 state fiscal year, other than a city that receives a distribution under subsection (6), shall be reduced by a uniform percentage to the extent necessary to fund distributions under this subsection.

(17) The payments under subsections (3), (4), and (5) shall be made during each October, December, February, April, June, and August. Payments under subsections (3), (4), and (5) shall be based on collections from the sales tax at the rate of 4% in the 2-month period ending the prior August 31, October 31, December 31, February 28, April 30, and June 30, and for the 1996-1997 and 1997-1998 state fiscal years only, the payments shall be reduced by 1/6 of the total distribution for the state fiscal year under section 12a.

(18) Payments under this section shall be made from revenues collected during the state fiscal year in which the payments are made.

(19) Distributions provided for by this act are subject to an annual appropriation by the legislature.

(20) After the department has informed a city, village, or township in writing of the intent to withhold all or a portion of payments under this section and offered the affected city, village, or township an opportunity for an informal

conference on the matter, the department of treasury may withhold all or a portion of payments under this section to a city, village, or township that has not distributed 1 or more of the following:

- (a) An industrial facilities tax as required under 1974 PA 198, MCL 207.551 to 207.572.
- (b) The specific tax as required under section 21b of the enterprise zone act, 1985 PA 224, MCL 125.2121b.
