The People of the State of Michigan enact:

Sec. 57k. (1) The department shall operate a program allowing an individual eligible for family independence assistance to establish an individual development account for postsecondary education, business capitalization, or a first-time home purchase in accordance with this section. The department shall disregard all savings deposited, including accrued interest, in an individual development account and individual or family development account in determining the individual's eligibility for family independence assistance and the amount of the grant the individual receives.

(2) An individual who is eligible to receive family independence assistance, or another person on behalf of that individual, may establish an individual development account for the purpose of accumulating funds for a qualified purpose described in subsection (3). An individual shall only contribute money to the individual development account that is derived from earned income, as that term is defined in section 911(d)(2) of the internal revenue code. The individual shall withdraw money from the individual development account only for a qualified purpose described in subsection (3).

(3) An individual who has established an individual development account under this section may withdraw and expend funds from the individual development account only for payment toward postsecondary education or business capitalization, or for payment of qualified acquisition costs with respect to a qualified principal residence for a qualified first-time homebuyer, if paid from an individual development account directly to the persons to whom the qualified acquisition costs are due.

(4) The department shall operate the program authorized by this section in coordination with the individual or family development account program of the Michigan state housing development authority established under the individual or family development account program act.

(5) As used in this section:

(b) "Individual development account" means a trust created or organized in the United States that is funded through periodic contributions by the establishing individual in accordance with this section and that may be matched by or through a qualified entity for a qualified purpose described in subsection (3).

(c) "Individual or family development account" means that term as defined in the individual or family development account program act.

(d) "Qualified acquisition costs" means the costs of acquiring, constructing, or reconstructing a qualified principal residence. The term includes any usual or reasonable settlement, financing, or other closing costs.

(ii) A state or local governmental agency acting in cooperation with an organization described in subparagraph (i).

(f) "Qualified first-time homebuyer" means a taxpayer and, if married, the taxpayer's spouse who has no present ownership interest in a principal residence during the 3-year period ending on the date of acquisition of the qualified principal residence to which this section applies.

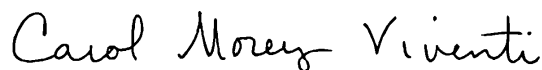

(g) "Qualified principal residence" means a principal residence within the meaning of former section 1034 of the internal revenue code, the qualified acquisition costs of which do not exceed 100% of the average area purchase price applicable to that residence, determined in accordance with paragraphs (2) and (3) of section 143(e) of the internal revenue code.
