ENROLLED SENATE BILL No. 934

AN ACT to amend 1949 PA 300, entitled "An act to provide for the registration, titling, sale, transfer, and regulation of certain vehicles operated upon the public highways of this state or any other place open to the general public or generally accessible to motor vehicles and distressed vehicles; to provide for the licensing of dealers; to provide for the examination, licensing, and control of operators and chauffeurs; to provide for the giving of proof of financial responsibility and security by owners and operators of vehicles; to provide for the imposition, levy, and collection of specific taxes on vehicles, and the levy and collection of sales and use taxes, license fees, and permit fees; to provide for the regulation and use of streets and highways; to create certain funds; to provide penalties and sanctions for a violation of this act; to provide for civil liability of owners and operators of vehicles and service of process on residents and nonresidents; to provide for the levy of certain assessments; to provide for the enforcement of this act; to provide for the creation of and to prescribe the powers and duties of certain state and local agencies; to impose liability upon the state or local agencies; to provide appropriations for certain purposes; to repeal all other acts or parts of acts inconsistent with this act or contrary to this act; and to repeal certain parts of this act on a specific date," (MCL 257.1 to 257.923) by adding section 307b.

The People of the State of Michigan enact:

Sec. 307b. (1) Beginning October 1, 2010, when any male citizen of the United States or a male immigrant to the United States who is less than 26 years of age applies for an operator's license or chauffeur's license, the secretary of state shall, with the applicant's consent, obtain the information that is necessary to register the applicant with the federal selective service system in compliance with the requirements of 50 USC Appx 453, including, but not limited to, the applicant's social security number.

(2) Each application described in subsection (1) shall contain all of the following:

(a) A statement that, if the applicant gives his consent to the secretary of state to provide his registration information to the selective service system, the secretary of state is authorized to provide that information to the selective service system under this section.

(b) The following statement: "If I am less than 18 years of age and give my consent to the secretary of state to provide the information necessary to register me for selective service, I understand that I will automatically be registered for selective service when I become 18 years of age if required by federal law."

(c) A statement of the criminal penalties and other sanctions that apply for failing to register with selective service.

(d) The following statement: "I acknowledge having been given information regarding the penalties for not registering for selective service."

(e) A statement appearing in capitalized, bold-faced type that declining to give consent to registration under this section does not affect the applicant's privilege to receive an operator's or chauffeur's license.

(f) A location on the application where the applicant shall indicate that he either consents to forwarding his registration information to the selective service system or that he does not consent to forwarding his registration information to the selective service system.

(3) The secretary of state shall forward the information obtained under subsection (1) to the federal selective service system in a format consistent with selective service system requirements.

(4) The secretary of state shall not forward any information regarding an applicant who is less than 18 years of age to the selective service system under this section unless the applicant gives his consent to provide that information to the selective service system as provided in this section.

Enacting section 1. This amendatory act takes effect October 1, 2010.

This act is ordered to take immediate effect.
