FY 2006-07 Appropriation Items:

TREASURY				
71h. Revenue Enhancement Program	Gross	\$0	(\$500,000)	
Reduces funding for the Revenue Enhancement Program. Reductions would likely be incurred in the areas of customer contact, tax policy, and information technology. The department has indicated that the core functions of the program (enhancing revenue collections through personal property audits and principal residence exemptions) and related auditing and enforcement would receive priority. However, this program was cut \$350,000 by EO 2007-3. The FY 2007-08 funding proposal for the revenue enhancement program eliminates funding and 3.0 FTE positions for customer contact and information technology.	GF/GP	\$0	(\$500,000)	
72a. Senior Citizen Cooperative Housing Tax Exemption	Gross	\$0	(\$902,500)

There are about 180 of these facilities. In recent years the department has had some success in appealing the assessments, resulting in lower payments to local units.	GF/GP	\$0	(\$902,500)	
72b. Constitutional Revenue Sharing	Gross	\$0	(\$30,084,000)

TREASURY**3. Sec. 801. Transfer of State Campaign Fund**

Current boilerplate directs that the amount designated in tax year 2006 be transferred from the General Fund to the State Campaign Fund. Current boilerplate specifies that the amount appropriated shall not revert to the General Fund and shall remain in the State Campaign Fund, and that the amount remaining in the fund in excess of \$10 million on 12/31/2006 shall revert to the General Fund. The supplemental eliminates the restriction on funds reverting to the General Fund and specifies that the all of the amount in the fund as of 12/31/2006 shall be transferred to the General Fund.
