**House Bill 4228**  
**Sponsor: Rep. Paul Condino**  
**Committee: Judiciary**

**Complete to 3-5-07**

### **A SUMMARY OF HOUSE BILL 4228 AS INTRODUCED 2-6-07**

The bill would add a new section to Chapter VI (Examination of Offenders) of the Code of Criminal Procedure to allow evidence of the results of drug analysis field testing to be admissible in a preliminary examination. The results would be admissible solely to establish probable cause that a substance is a controlled substance as that term is defined under Section 7104 of the Public Health Code (MCL 333.7104).

MCL 766.11b

### **FISCAL IMPACT:**

This bill would have no significant fiscal impact on the judiciary.
