## A SUMMARY OF HOUSE BILLS 4609 AND 4610 AS INTRODUCED 4-19-07

House Bill 4609 would amend the Legislative Council Act (MCL 4.1101, et. al) to create a Capitol Public Improvement Fund within the state treasury. The act would allow the state treasurer to receive money or other assets from any source for deposit in the Fund and require the treasurer to credit interest and earnings from fund investments into the Fund. Money in the Fund at the close of a fiscal year would remain in the Fund and not lapse to the General Fund.

The Michigan Capitol Committee would expend Fund money, upon appropriation, only for Capitol staff training and improvement projects for which other sources of funding do not exist. The committee could only provide funding for projects that are submitted by a member of the House of Representatives, the Senate, or the Capitol facilities staff.

House Bill 4610 would amend Section 442 of the Management and Budget Act (MCL 18.1442) to provide that any money remaining in a legislator's individual legislative office account at the end of the fiscal year would be transferred to and deposited into the Capitol Public Improvement Fund created in Legislative Council Act.

The bills are tie-barred to each other, meaning neither can take effect unless both are enacted.

### FISCAL IMPACT:

The bill would have no fiscal impact.
