Senate Bill 1308 (as enrolled)
Sponsor: Senator Jud Gilbert, II
Senate Committee: Transportation
House Committee: Transportation

PUBLIC ACT 153 of 2008

Date Completed: 1-14-09

CONTENT

The bill amended Part 121 (Liquid Industrial Wastes) of the Natural Resources and Environmental Protection Act to provide that the following are not liquid industrial wastes, when managed as specified:

- An off-specification fuel, including a gasoline blendstock, that was generated in a pipeline as the interface material from the mixture of two adjacent fuel products and that will be processed, by blending or distillation or other refining, to produce a fuel product or fuel products.
- An off-specification fuel, including a gasoline blendstock, that resulted from the commingling of off-specification fuel products or from phase separation in a gasoline and alcohol blend and that will be processed, by distillation or other refining, to produce fuel products.
- An off-specification fuel product transported directly to a distillation or refining facility to produce a fuel product or fuel products regulated under 40 CFR Part 80 (which regulates fuels and fuel additives).

The bill took effect June 5, 2008.
