Senate Bill 1308 (as introduced 5-8-08)  
Sponsor: Senator Jud Gilbert, II  
Committee: Transportation

Date Completed: 5-12-08

**CONTENT**

The bill would amend Part 121 (Liquid Industrial Wastes) of the Natural Resources and Environmental Protection Act to provide that the following would not be liquid industrial waste, when managed as specified:

- An off-specification fuel, including a gasoline blendstock, that was generated in a pipeline as the interface material from the mixture of two adjacent fuel products and that would be processed, by blending or distillation or other refining, to produce a fuel product.
- An off-specification fuel product transported directly to a distillation or refining facility to produce a fuel product regulated under 40 CFR Part 80 (which regulates fuels and fuel additives).

MCL 324.12102a
