20 account of liability of the authority, and the board may indemnify
21 a member of the board or an officer, appointee, or employee of the
22 authority against liability arising out of the discharge of his or
23 her official duties. An authority may indemnify and procure
24 insurance indemnifying members of the board and other officers and
25 employees of the authority from personal loss or accountability for
26 liability asserted by a person with regard to bonds or other
27 obligations of the authority, or from any personal liability or

1 accountability by reason of the issuance of the bonds or other

4 maintain insurance on behalf of any person against any liability
5 asserted against the person and incurred by the person in any
6 capacity or arising out of the status of the person as a member of
7 the board or an officer or employee of the authority, whether or
8 not the authority would have the power to indemnify the person
9 against that liability under this section. An authority, pursuant

18 board member or chief executive officer of the authority with a
19 direct interest in any matter before the authority disclose the
20 board member's or officer's interest and any reasons reasonably

23 board takes any action with respect to the matter. The disclosure
24 shall become part of the record of an authority's proceedings.

25 (5) An authority shall establish an ethics manual governing
26 the conducting of authority business and the conduct of authority
27 officers and employees. An authority shall establish policies that

2 employees by 1973 PA 196, MCL 15.341 to 15.348, and coordinate
3 efforts for the authority to preclude the opportunity for and the
4 occurrence of transactions by the authority that would create a
5 conflict of interest involving board members and officers or
6 employees of the authority. At a minimum, the policies shall
7 include compliance by each board member and officer or employees
8 who regularly exercises significant discretion over the award and
9 management of authority procurements with policies governing all of

13 conflict of interest.

14 (b) Withdrawal by an employee, officer, or board member from

25 executive officer, and each key employee as determined by the board
26 shall file with the secretary of state a financial disclosure
27 statement listing assets and liabilities, property and business

1 interests, and sources of income of the member, chief executive
2 officer, and each key employee and any of their spouses in a form
3 determined by the secretary of state. The financial disclosure
4 statement shall be under oath and shall be filed at the time of
5 appointment or employment and annually thereafter. The secretary of
6 state may promulgate rules under the administrative procedures act
7 of 1969, 1969 PA 306, MCL 24.201 to 24.328, to provide for the
8 implementation of this subsection.

9 (8) A member of the board of an authority or employee of an
10 authority shall not hold any direct or indirect interest in, be
11 employed by, or enter into a contract for services with any entity
12 doing business with the authority for a period of 2 years after the
13 date his or her membership on the board terminates or his or her
14 employment with the authority terminates.

15 Sec. 17. (1) Except as otherwise provided in this act, an
16 authority may do all things necessary or convenient to implement

20 body of the qualified city in which a qualified convention facility
21 is located may disapprove the transfer of the qualified convention
22 facility to the authority by adopting a resolution disapproving the
23 transfer. If the transfer is not disapproved, the qualified

25 ninetieth day after the effective date of this act or the date on
26 which a convention facility becomes a qualified convention
27 facility. All of the following shall occur on a transfer date:

1 (a) All right, title, and interest of a local government in
2 and to a qualified convention facility located in a qualified
3 metropolitan area shall by operation of this act be conveyed and

11 other privileges and appurtenances pertaining to the qualified
12 convention facility, subject only to those restrictions imposed by
13 this act.

14 (b) All right, title, and interest in and to the fixtures,

21 exclusive right, responsibility, and authority to possess and
22 control the property from and after the transfer date.

17 the authority for the qualified metropolitan area and assumed by
18 the authority, except for any liabilities, responsibilities, or
19 obligations that are contested in good faith by, or, as of the
20 transfer date, unknown to, the authority or as otherwise provided
21 in this act.

22 (f) An authority for a qualified metropolitan area shall
23 assume all of the outstanding securities of the local government
24 that are special limited obligations payable from and secured by a

26 development act, 1985 PA 106, MCL 207.621 to 207.640, and were
27 originally issued to finance the acquisition or construction of,

1 development of, or improvements to the qualified convention
2 facility conveyed and transferred to the authority for the
3 qualified metropolitan area under this section, and the authority

7 to eliminate requirements of covenants applicable to the existing
8 outstanding securities.

9 (2) An authority shall assume, accept, or become liable for
10 lawful agreements, obligations, promises, covenants, commitments,
11 and other requirements of a local government relating to operating

21 operate, control, develop, and use a qualified convention facility

23 authority for a qualified metropolitan area under this section
24 shall execute the instruments of conveyance, assignment, and
25 transfer or other documents as may, in the authority's and the
26 officer's reasonable judgment, as necessary or appropriate to
27 recognize, facilitate, or accomplish the transfer of the qualified

1 convention facility from the local government to the authority
2 under this section.

3 (4) An authority for a qualified metropolitan area shall not
4 assume any unfunded obligations of a local government transferring
5 a qualified convention facility under this section to provide
6 pensions or retiree health insurance. Upon request by the
7 authority, the local government shall provide the authority with a
8 statement of the amount of the unfunded obligations, determined by
9 a professional actuary acceptable to the authority.

10 (5) All lawful actions, commitments, and proceedings of a
11 local government made, given, or undertaken before the transfer
12 date and assumed by an authority under this section are ratified,
13 confirmed, and validated upon assumption. All actions, commitments,
14 or proceedings of the local government relating to a qualified
15 convention facility in the process of being undertaken by, but not

18 assumption by the authority under this section, be undertaken and
19 completed by the authority in the manner and at the times provided
20 in this act or other applicable law and in any lawful agreements
21 made by the local government before the date of assumption by the
22 authority under this section.

1 property of the qualified convention facility, subject to any liens
2 of record and legal restrictions and limitations on the use of the
3 property.

4 (b) The local government's right, title, and interest in, and
5 all of the local government's responsibilities arising under,
6 operating leases and concessions relating to a qualified convention
7 facility.

8 (7) The transfers described under this section shall include,
9 but need not be limited to, all of the following:

10 (a) All contracts with licensees, franchisees, tenants,
11 concessionaires, and leaseholders.

12 (b) All operating financial obligations secured by revenues
13 and fees generated from the operations of the qualified convention
14 facility.

15 (c) All cash balances and investments relating to or resulting
16 from operations of the qualified convention facility, all funds
17 held under an ordinance, resolution, or indenture related to or
18 securing obligations of the local government assumed by the
19 authority, and all of the accounts receivable or choses in action
20 arising from operations of the qualified convention facility. Fund
21 transfers under this subdivision are limited to funds received
22 after the transfer date and funds necessary to pay obligations
23 related to the operation of the qualified convention facility
24 accrued before the transfer date and not paid by the local
25 government.

26 (d) All office equipment, including, but not limited to,
27 computers, records and files, software, and software licenses

1 required for financial management, personnel management, accounting
2 and inventory systems, and general administration.

3 (8) The transfer of the real and personal property and
4 operational jurisdiction over a qualified convention facility to an
5 authority may not in any way impair any contracts with licensees,
6 franchisees, vendors, tenants, bondholders, or other parties in
7 privity with the local government that owned a qualified convention
8 facility transferred to an authority under this section, if the
9 contracts were not entered into or modified in violation of this
10 act.

11 (9) From and after the transfer date, a local government from
12 which a qualified convention facility has been transferred shall be
13 relieved from all further costs, responsibility, and liability
14 arising from, or associated with, control, operation, development,
15 and maintenance of the qualified convention facility. The local
16 government shall continue to be responsible for all costs
17 associated with local municipal services, including, but not
18 limited to, police, fire, and emergency medical services, without
19 any additional compensation from the authority. The authority shall
20 provide for the payment of compensation not exceeding
21 \$20,000,000.00 to the qualified city for any revenue otherwise
22 payable to the qualified city from parking facilities operated by
23 the qualified city at the qualified convention facility and for
24 other costs incurred by the qualified city associated with the
25 transfer of the qualified convention facility to the authority
26 under this section.

27 (10) A local government that owns a qualified convention

1 facility subject to transfer under this section or that owned a
2 qualified convention facility transferred to an authority under
3 this section shall comply with all of the following, before and
4 after the transfer:

5 (a) Refrain from any action to sell, transfer, or otherwise
6 dispose of a qualified convention facility other than to the
7 authority or incur new or expanded obligations related to qualified
8 convention facility, without the consent of the authority.

9 (b) Refrain from any approval of or material modification to
10 any collective bargaining agreement applicable to local government
11 employees employed at or assigned to the qualified convention
12 facility or to terms of employment for employees at or assigned to
13 the qualified convention facility. Any approval or modification
14 subject to this subsection shall be null and void.

15 (c) Refrain from any action that, in the authority's judgment,
16 would impair the authority's exercise of the powers granted to the
17 authority under this act or that would impair the efficient
18 operation and management of the qualified convention facility by
19 the authority.

20 (d) Take all actions reasonably necessary to cure any defects
21 in title to the qualified convention facility and related property
22 transferred under this section, including, but not limited to,
23 providing documents, records, and proceedings in respect of title.

24 (e) At the request of an authority, grant any license,
25 easement, or right-of-way in connection with the qualified
26 convention facility to the extent the authority has not been
27 empowered to take these actions.

1 (f) Upon creation, an authority for the qualified metropolitan
2 area in which the local government is located and before the
3 transfer date may conduct operations, maintenance, and repair of
4 the convention facility in the ordinary and usual course of
5 business.

6 (11) Any contract, agreement, lease, sale, disposition,
7 transfer, or other conveyance, easement, license, right,
8 obligation, debt, or liability assumed, approved, entered into,
9 amended, or modified in violation of this section shall be voidable
10 as a matter of law to the extent that the authority would otherwise
11 assume, become party to or transferee of, or otherwise be obligated
12 under the contract, agreement, lease, sale, disposition, transfer,
13 conveyance, easement, license, right, obligation, debt, or
14 liability.

15 (12) Unless otherwise provided in this act, the local chief
16 executive officer of a local government that owns a qualified
17 convention facility subject to transfer under this section is
18 authorized and shall take all reasonable steps to cancel or
19 terminate any agreement to which the local government is a party
20 that relates to the qualified convention facility and meets all the
21 following criteria:

22 (a) The agreement relates to the qualified convention facility
23 and the authority has not expressly assumed or accepted the
24 agreement under subsection (2).

25 (b) The agreement provides for cancellation or termination.

26 (c) In the absence of cancellation or termination, the
27 authority would become a party to the agreement by succession,

Senate Bill No. 1630 (H-2) as amended December 19, 2008

1 assignment, operation of law, or any other involuntary means.

2 (13) If real property transferred from a qualified city to an
3 authority under this section is no longer used by the authority for
4 the purpose of maintaining or operating a convention facility as
5 determined by a vote [] of the board, all
6 right, title, and interest of the authority in the real property
7 shall revert from the authority to the qualified city with the
8 consent of the qualified city and upon payment by the qualified
9 city to the authority of an amount equal to the compensation paid
10 to the qualified city under section 19(9).

11 Sec. 21. (1) The authority, as of the transfer date,
12 immediately shall assume and be bound by any existing collective
13 bargaining agreements applicable to employees of the local
14 government whose employment is transferred to the authority either
15 as a result of the authority's express assumption of the employees
16 or by application of section 19 for the remainder of the term of
17 the collective bargaining agreement. Local government employees
18 whose employment is not transferred to the authority shall be
19 reassigned within the local government, pursuant to the terms of
20 any applicable collective bargaining agreements. A representative
21 of the employees or a group of employees in the local government
22 who represents or is entitled to represent the employees or a group
23 of employees of the local government pursuant to 1947 PA 336, MCL
24 423.201 to 423.217, shall continue to represent the employee or
25 group of employees after the employees transfer to the authority.
26 This subsection does not limit the rights of employees, pursuant to
27 applicable law, to assert that a bargaining representative

1 protected by this subsection is no longer their representative. The
2 rights and benefits protected by this subsection may be altered by
3 a future collective bargaining agreement or, for employees not
4 covered by collective bargaining agreements, by benefit plans as
5 established and adopted by the authority.

6 (2) Transferred employees shall not by reason of the transfer
7 have their accrued local government pension benefits or credits
8 diminished. If a transferring employee is not vested in his or her
9 local government pension rights at the time of transfer, his or her
10 posttransfer service with the authority shall be credited toward
11 vesting in any local government retirement system in which the
12 transferring employee participated prior to the transfer, but
13 posttransfer service with the authority shall not be credited for
14 any other purpose under the local government's retirement system,
15 except as provided in subsection (4).

16 (3) A transferred local government employee described in this
17 section or a person hired by the authority as a new employee after
18 the transfer date may remain or become a participant in the local
19 government retirement system until the authority has established
20 its own retirement system or pension plan. During the period the
21 employee remains or is a participant in the local government
22 system, the employee's posttransfer service with the authority and
23 his or her posttransfer compensation from the authority shall be
24 counted in determining both eligibility for and the amount of
25 pension benefits that the employee will be eligible to receive from
26 the local government system or plan.

27 (4) If the local government maintains a retirement system that

1 provides for continuing participation and benefit accrual by local
2 government employees who transfer their employment to another
3 entity in conjunction with transfer of a local government function
4 to that entity, then the transferred employee may elect to remain a
5 participant in the local government retirement system in lieu of
6 participation in any retirement system or pension plan of the
7 authority. If the transferred employee elects to remain a
8 participant in the local government system, the employee's
9 posttransfer service with the authority and his or her posttransfer
10 compensation from the authority shall be counted in determining
11 both eligibility for and the amount of pension benefits that the
12 employee will be eligible to receive from the local government
13 system or plan. Any election to remain in a local government system
14 or plan shall be made within 60 days following the date the
15 authority has established its own retirement system or pension plan
16 and shall be irrevocable. Employees eligible to make the election
17 described in this subsection shall be those employees who
18 immediately before their transfer date were participating in the
19 local government system and who agree to make any employee
20 contributions required for continuing participation in the local
21 government system and also agree to meet all requirements and be
22 subject to all conditions that, from time to time, apply to
23 employees of the local government who participate in the local
24 government system.

25 (5) For each employee meeting the requirements of subsection
26 (4) who elects to remain a participant in the local government
27 retirement system, the authority shall, on a timely basis,

1 contribute, as applicable, to the trustees of that retirement
2 system an amount determined by the local government system's
3 actuary to be sufficient to fund the liability for all of that
4 employee's retirement and other postemployment benefits under the
5 system on a current basis, as those liabilities are accrued from
6 and after the transfer date.

7 Sec. 23. (1) Except as provided in subsection (3), an
8 authority may raise revenues to fund all of its activities,
9 operations, and investments consistent with its purposes. The
10 sources of revenue available to the authority may include, but are
11 not limited to, any of the following:

12 (a) Rents, admission fees, or other charges for use of a
13 convention facility which the authority may fix, regulate, and
14 collect.

15 (b) Federal, state, or local government grants, loans,
