A bill to require certain consumer reporting agencies to place security freezes on certain consumer credit information; to authorize and limit fees; and to provide remedies.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 1. This act shall be known and may be cited as the
2 "credit security act of 2007".

3 Sec. 3. As used in this act:

4 (a) "Clear and proper identification" means information a
5 consumer reporting agency generally considers sufficient to
6 identify an individual.

7 (b) "Consumer" means an individual who resides in this state.

8 (c) "Consumer report" means that term as defined in 15 USC

House Bill No. 4103 (H-2) as amended March 20, 2007

1 1681a(d) .

2 (d) "Consumer reporting agency" means that term as defined in
3 15 USC 1681a(f) .

4 (e) "Security freeze" means a notice placed on a consumer
5 report at the request of the consumer that prohibits a consumer
6 reporting agency from releasing the consumer's consumer report or
7 credit score for an extension of credit without the express
8 authorization of the consumer except in compliance with this act.

9 Sec. 5. (1) [Beginning on the effective date of this act, a
10 consumer who is a victim of identity theft, and beginning March 1, 2009,
11 any other consumer] may place a
12 security freeze on his or her consumer report by making a written
13 request to a consumer reporting agency, sent by certified mail or
14 by overnight delivery using a nationally recognized carrier, to an
15 address designated by that consumer reporting agency to receive
16 requests under this subsection. The request shall include clear and
17 proper identification of the consumer. A consumer reporting agency
18 shall place a security freeze on a consumer's consumer report
19 within 5 business days after receiving a written request for the
20 security freeze from the consumer under this subsection and payment
21 of any applicable fee described in section 13.

22 (2) Beginning [March] 1, 2009, in addition to accepting
23 written requests under subsection (1), a consumer may make and a
24 consumer reporting agency must accept a request to place a security
25 freeze on his or her consumer report made by electronic mail,
26 secure internet website, telephone, facsimile, or other similar
27 means of telephonic or electronic communication as selected by the
consumer reporting agency, and sent to an electronic mail address,
internet website, telephone number, or facsimile number designated

House Bill No. 4103 (H-2) as amended March 20, 2007

1 by that consumer reporting agency to receive requests under this
2 subsection. A consumer reporting agency shall place a security
3 freeze on a consumer's consumer file within 5 business days after
4 receiving a request for the security freeze from the consumer under
5 this subsection and payment of any applicable fee described in
6 section 13.

7 (3) If a security freeze is in place, a consumer reporting
8 agency shall not release information from a consumer report to a
9 third party without prior express authorization from the consumer.
10 This subsection does not prevent a consumer reporting agency from
11 advising a third party that a security freeze is in effect with
12 respect to the consumer's consumer report.

13 Sec. 7. (1) Within 10 business days after a consumer reporting
14 agency receives a request for a security freeze under section 5,
15 the consumer reporting agency shall provide all of the following to
16 the consumer:

17 (a) Written confirmation that the security freeze is in place.

18 (b) A unique personal identification number or password that
19 the consumer may use to provide authorization for access to his or
20 her consumer report for a specific period of time.

21 (c) A written description of the process for placing,
22 removing, and temporarily lifting a security freeze and the process
23 for allowing access to information from the consumer report while
24 the security freeze is in effect. Beginning [February 1, 2009], the
25 written description described in this subdivision shall include a
26 description of the process and contact information for placing a
27 security freeze under section 5(2) and temporarily lifting the

1 security freeze under section 11(4).

2 (2) A consumer may request in writing a replacement personal
3 identification number or password for purposes of subsection (1).
4 The request must comply with the requirements for requesting a
5 security freeze under section 5. Within 7 business days after a
6 consumer reporting agency receives a request for a replacement
7 personal identification number or password and payment of any
8 applicable fee described in section 13, the consumer reporting
9 agency shall provide the consumer with a new, unique personal
10 identification number or password to be used by the consumer
11 instead of the number or password that was provided under
12 subsection (1).

13 Sec. 9. (1) A consumer reporting agency shall notify a person
14 who requests a consumer report if a security freeze is in effect
15 for that consumer report.

16 (2) If a security freeze is in effect, a consumer reporting
17 agency shall not change a consumer's name, address, date of birth,
18 or social security number in a consumer report without sending a
19 written confirmation of the change to the consumer within 30 days
20 after the posting of the change to the consumer report. If the
21 change is an address change, the consumer reporting agency shall
22 send written confirmation to both the new address and the former
23 address. Written confirmation is not required for a technical
24 modification of information in a consumer report, including name
25 and street abbreviations, complete spellings, or transposition of
26 numbers or letters.

27 Sec. 11. (1) A consumer reporting agency shall remove or

1 temporarily lift a security freeze placed on a consumer report only
2 if 1 of the following applies:

4 any applicable fee under section 13 to the consumer reporting
5 agency at a point of contact designated by that consumer reporting
6 agency.

7 (b) The consumer report is frozen due to a material
8 misrepresentation of fact by the consumer. If a consumer reporting
9 agency intends to remove a security freeze on a consumer report
10 under this subdivision, the consumer reporting agency shall notify
11 the consumer in writing before removing the security freeze.

12 (2) If a consumer wishes to allow access to his or her
13 consumer report for a specific period of time while a security
14 freeze is in place, he or she shall contact the consumer reporting
15 agency under subsection (3) or (4), request that the consumer
16 reporting agency temporarily lift the security freeze, and provide
17 all of the following to the consumer reporting agency:

18 (a) Clear and proper identification of the consumer.

19 (b) The consumer's unique personal identification number or
20 password provided by the consumer reporting agency under section 7.

25 (3) [Beginning on the effective date of this act], a consumer
26 reporting agency shall accept a request from a consumer [who was a victim of identity
27 theft, and beginning March 1, 2009, a consumer reporting agency shall
accept a request from any other consumer,] to temporarily lift a

House Bill No. 4103 (H-2) as amended March 20, 2007

1 if the request is made in writing and is sent by certified mail or
2 by overnight delivery using a nationally recognized carrier to an
3 address designated by that consumer reporting agency to receive
4 requests under this subsection. A consumer reporting agency shall
5 comply with a request to temporarily lift a security freeze under
6 this subsection within 3 business days after receiving the request
7 and payment of any applicable fee described in section 13.

8 (4) Beginning [March] 1, 2009, in addition to accepting
9 written requests under subsection (3), a consumer may make and a
10 consumer reporting agency must accept a request that a consumer
11 reporting agency temporarily lift a security freeze on his or her
12 consumer report by electronic mail, secure internet website,
13 telephone, facsimile, or other similar means of telephonic or
14 electronic communication as selected by the consumer reporting
15 agency, and sent to an electronic mail address, internet website,
16 telephone number, or facsimile number designated by that consumer
17 reporting agency to receive requests under this subsection. [The request
shall include the consumer's unique personal identification number or
password or shall include the correct answer to a security question
selected by the consumer with the agreement of the consumer reporting
agency before the consumer's request under this subsection.] A
18 consumer reporting agency shall comply with a request to
19 temporarily lift a security freeze under this subsection within 15
20 minutes after receiving the request unless the request is received
21 after 9:30 p.m. and before 6 a.m. eastern standard time or unless
