9 quality. In addition, preference should be given to goods or  
10 services, or both, that are manufactured or provided by Michigan  
11 businesses owned and operated by veterans, if they are  
12 competitively priced and of comparable quality.

2 the payment remains past due.

3 Sec. 213. (1) It is the intent of the legislature that the  
4 department shall not provide any subsidy for contractual services  
5 it provides.

6 (2) When the department provides contractual services to a

8 all costs incurred in providing the services, including, but not  
9 limited to, retirement and overtime costs.

10 (3) Contractual services provided to an entity other than a  
11 local unit of government may be provided by department personnel,

8 assigned.

9 Sec. 216. The department shall collect and computerize the  
10 vehicle identification number (VIN) of all vehicles that are  
11 entered into the state accident data collection system and make  
12 this and other vehicle information available to the public at cost.  
13 For bulk access to the accident records in which the VIN has been  
14 collected and computerized, the department shall make those records  
15 available to the public at cost, provided that the name and address  
16 have been excluded.

17 Sec. 217. From the funds appropriated in part 1, the  
18 department shall maintain a toll-free hotline in collaboration with  
19 the department of education. The toll-free hotline shall be  
20 operated 24 hours per day, 7 days per week, and shall provide  
21 students, school officials, and other individuals an opportunity to  
22 report specific threats of imminent school violence or other  
23 suspicious or criminal conduct by juveniles to the appropriate  
24 local law enforcement entities for investigation. The department  
25 may expend funds for the promotion of the hotline.

26 Sec. 218. (1) Funds appropriated in part 1 for at-post  
27 troopers shall only be expended for trooper salaries, wages,

2 directly related to state troopers assigned to general law  
3 enforcement duties at a department post, detachment, satellite

8 at-post trooper strength of 1,075 in this state.

9 (3) The department shall submit quarterly written reports to  
10 the senate and house appropriations subcommittees on state police  
11 and military and veterans affairs no later than December 1, 2008,

13 include a trooper strength report and the status of the  
14 department's plan for accomplishing the goal of subsection (2). If  
15 the department determines that insufficient appropriations exist  
16 under part 1 to accomplish the goal of subsection (2), the  
17 department shall submit a proposal outlining a plan to accomplish  
18 the goal, including an accounting of any additional funding  
19 necessary to that end.

20 Sec. 219. The department of state police shall notify the  
21 house and senate appropriations subcommittees on state police and  
22 military and veterans affairs and the house and senate fiscal

25 a local and state impact study of the proposed post closure or  
26 consolidation.

27 Sec. 220. (1) The department of state police, in keeping with

1 its role as the general law enforcement agency of the state and as  
2 the law enforcement agency of last resort for communities that are  
3 either without local law enforcement resources or are seriously  
4 underserved by local law enforcement resources, shall provide  
5 general law enforcement assistance to those communities until  
6 adequate law enforcement services can be provided to those  
7 communities by other means.

8 (2) Not later than May 1, 2009, the department shall deliver  
9 to the house and senate appropriations subcommittees on state  
10 police and military and veterans affairs and the house and senate  
11 fiscal agencies a report on the additional costs incurred by the  
12 department in each locality for providing the services described in  
13 subsection (1) during the first 6 months of the fiscal year 2008-  
14 2009.

15 Sec. 221. The department of state police may pursue entering  
16 into an agreement with Calhoun County to build a new facility in  
17 Marshall which would serve as a new state police post to replace  
18 the current state police post in Battle Creek.

19 Sec. 223. (1) Due to the current budgetary problems in this  
20 state, out-of-state travel for the fiscal year ending September 30,  
21 2009 shall be limited to situations in which 1 or more of the  
22 following conditions apply:

23 (a) The travel is required by legal mandate or court order or

25 (b) The travel is necessary to protect the health or safety of  
26 Michigan citizens or visitors or to assist other states in similar  
27 circumstances.

1 (c) The travel is necessary to produce budgetary savings or to  
2 increase state revenues, including protecting existing federal  
3 funds or securing additional federal funds.

4 (d) The travel is necessary to comply with federal  
5 requirements.

6 (e) The travel is necessary to secure specialized training for  
7 staff that is not available within this state.

8 (f) The travel is financed entirely by federal or nonstate  
9 funds.

10 (2) If out-of-state travel is necessary but does not meet 1 or  
11 more of the conditions in subsection (1), the state budget director  
12 may grant an exception to allow the travel. Any exceptions granted  
13 by the state budget director shall be reported on a monthly basis  
14 to the senate and house of representatives standing committees on  
15 appropriations.

16 (3) Not later than January 1, 2009, each department shall  
17 prepare a travel report listing all travel by classified and

19 preceding fiscal year that was funded in whole or in part with  
20 funds appropriated in the department's budget. The report shall be  
21 submitted to the chairs and members of the senate and house of  
22 representatives standing committees on appropriations, the fiscal

1 (c) The dates of each travel occurrence.

2 (d) A brief statement of the reason for each travel

11 Sec. 224. The department shall not take disciplinary action  
12 against an employee for communicating with a member of the  
13 legislature or his or her staff.

14 Sec. 225. It is the intent of the legislature that the  
15 administration, working with the MCOLES, continue the long-held  
16 practice that all revenue made available to the department from the  
17 Michigan justice training fund be used solely for costs directly  
18 related to the delivery of Michigan justice training fund grants,  
19 so that in the future, eligible entities as provided under 1982 PA  
20 302, MCL 18.421 to 18.429, will have a stable and accurate source  
21 of training funds.

22 Sec. 226. The department of state police, in cooperation with  
23 the department of information technology and others, shall take  
24 steps to encourage the development of state, local, and regional  
25 tactical interoperable communication plans with the ultimate goal  
26 being to ensure that effective and efficient communication  
27 interoperability between radio communication systems of local,

1 regional, state, and federal agencies is established in every area  
2 of the state. The department shall provide a written report to the  
3 senate and house appropriations subcommittees on state police and  
4 military and veterans affairs no later than April 1, 2009 on the  
5 current status of reaching this objective. The report shall include  
6 an accounting of exactly where within the state desired  
7 interoperability has been achieved and what cooperative measures  
8 and use of technology were used to achieve this interoperability,  
9 and which areas of the state have not yet achieved such status. The  
10 report shall also include a description of what strategies need to  
11 be employed to ensure that the remaining areas of the state, and  
12 the state as a whole, will have a communication system with  
13 efficient and effective interoperability, particularly on occasions  
14 when a multijurisdictional response to an emergency is warranted.

15       Sec. 227. (1) From the funds appropriated in part 1, the  
16 department of state police is prohibited from transporting  
17 employees of institutions of higher education on state-owned  
18 aircraft.

19       (2) From the funds appropriated in part 1, the department is  
20 prohibited from transporting legislators or legislative staff on  
21 state-owned aircraft without prior approval from the senate  
22 majority leader or the speaker of the house of representatives, or  
23 both.

24       (3) From the funds appropriated in part 1, the department is  
25 prohibited from transporting local government employees on state-  
26 owned aircraft.

27       (4) It is the intent of the legislature that state elected

2 travel on state-owned aircraft is part of official state business.

3 (5) This section shall not apply to transportation that is  
4 related to law enforcement or homeland security activities.

5 Sec. 230. The unexpended and unencumbered balance of the  
6 appropriation for the department contained in 2007 PA 130 shall be

8 troopers association. The funds shall be available for  
9 appropriation in the fiscal year ending September 30, 2009.

10 Sec. 232. The department shall place emphasis on recruiting  
11 MCOLES certified police officers for the trooper recruit school.  
12 Emphasis shall be given in the hiring process to those officers who  
13 are on layoff and possess valid MCOLES certification. Any emphasis  
14 given in the recruiting and selection process shall be consistent  
15 with the department's hiring standards and in accordance with civil  
16 service rules. The department shall report to the chairpersons of  
17 the senate and house of representatives standing committees on  
18 appropriations the results of its recruitment and selection  
19 process, including the actual number of certified officers selected  
20 for any recruit school that is held by September 30, 2009.

21 Sec. 233. The appropriation in part 1 for a law enforcement  
22 resource study shall be used to contract with a nationally  
23 recognized law enforcement research entity to prepare a study that  
24 examines the law enforcement needs of each state police district of  
25 this state. The study shall provide information concerning the  
26 police patrol and response needs within each state police district  
27 of this state, baseline coverage recommendations, and information

1 concerning what would be required in terms of personnel and  
2 resources to meet the recommendations. The study shall include an  
3 inventory of all levels of existing police resources for a given  
4 area and how those resources could most efficiently be allocated to  
5 achieve the recommendations, along with the amount of any  
6 additional resources that may be needed.

7       Sec. 234. Funds appropriated in part 1 shall not be used by a  
8 principal executive department, state agency, or authority to hire  
9 a person to provide legal services that are the responsibility of  
10 the attorney general. This prohibition does not apply to legal  
11 services for bonding activities and for those activities that the  
12 attorney general authorizes.

13       Sec. 235. (1) If a spending plan for the funds appropriated in  
14 part 1 for special operations and events, or sources of financing  
15 related to the spending plan, do not provide the level of program  
16 service provided for in the current fiscal year, the funds  
17 appropriated in part 1 for post uniform services or forensic  
18 sciences shall not be used to fund the shortfall.

19       (2) If a spending plan for the funds appropriated in part 1  
20 for special operations and events, or sources of financing related  
21 to the spending plan, are in excess of that necessary to provide  
22 the level of program service provided for in the current fiscal  
23 year, the department shall take steps to transfer whatever excess  
24 funding may exist to the funds appropriated in part 1 for post  
25 uniform services and forensic sciences.

26       Sec. 236. (1) The department shall report no later than April  
27 1, 2009 on each specific policy change made to implement a public

1 act affecting the department that took effect during the prior  
2 calendar year to the house and senate appropriations subcommittees  
3 on the budget for the department, the joint committee on  
4 administrative rules, and the senate and house fiscal agencies.

5 (2) Funds appropriated in part 1 shall not be used by the  
6 department to adopt a rule that will apply to a small business and  
7 that will have a disproportionate economic impact on small  
8 businesses because of the size of those businesses if the  
9 department fails to reduce the disproportionate economic impact of  
10 the rule on small businesses as provided under section 40 of the  
11 administrative procedures act of 1969, 1969 PA 306, MCL 24.240.

12 (3) As used in this section:

13 (a) "Rule" means that term as defined under section 7 of the  
14 administrative procedures act of 1969, 1969 PA 306, MCL 24.207.

15 (b) "Small business" means that term as defined under section  
16 7a of the administrative procedures act of 1969, 1969 PA 306, MCL  
17 24.207a.

18 Sec. 237. From the funds appropriated in part 1, the  
19 department shall maintain, for the full 2008-2009 fiscal year,  
20 either the operation of each Michigan state police post which was  
21 in operation as of April 2, 2007, or an alternative work station in  
22 the vicinity of a current Michigan state police post.

23 Sec. 238. The department of management and budget shall work  
24 with the department of state police to reduce building operations  
25 and leasing costs for all Michigan state police facilities and to  
26 identify efficiencies and savings.

27 Sec. 239. It is the intent of the legislature that, should

1 funding become available, funds may be appropriated to the  
2 department for traffic control purposes at the Michigan  
3 international speedway.

4       Sec. 240. (1) In addition to the funds appropriated in part 1,  
5 there is appropriated an amount not to exceed \$10,000,000.00 for  
6 federal contingency funds. These funds are not available for  
7 expenditure until they have been transferred to another line item  
8 in this act under section 393(2) of the management and budget act,  
9 1984 PA 431, MCL 18.1393.

10       (2) In addition to the funds appropriated in part 1, there is  
11 appropriated an amount not to exceed \$3,500,000.00 for state  
12 restricted contingency funds. These funds are not available for  
13 expenditure until they have been transferred to another line item

16       (3) In addition to the funds appropriated in part 1, there is  
17 appropriated an amount not to exceed \$1,000,000.00 for local  
18 contingency funds. These funds are not available for expenditure  
19 until they have been transferred to another line item in this act  
20 under section 393(2) of the management and budget act, 1984 PA 431,  
21 MCL 18.1393.

1           Sec. 241. From the funds appropriated in part 1, the  
2 department shall continue the creation of a plan to operate a  
3 trooper recruit school composed of 50 or fewer recruits on an  
4 annual or biannual basis. These trooper recruit schools shall be  
5 operated on a shorter time frame than typical trooper recruit  
6 schools and shall consist of recruits who possess current  
7 certification as a law enforcement officer. This plan will result  
8 in a trooper recruit school that assists in restoring overall  
9 trooper strength to an optimum level while being more efficient in  
10 terms of time and financial expenditure.

[Sec. 242. From the funds appropriated in part 1, the department shall develop, post, and maintain, on a publicly accessible Internet site, all expenditures made by the agency within a fiscal year. The posting must include the purpose for which each expenditure is made.]

Sec. 243. From the funds appropriated in part 1, the department shall not spend more than \$25,000.00 to implement section 242 and shall not cause essential services to be diminished.]

13 services shall be funded by LEIN user fees sufficient to pay 1/3 of  
14 the state's service and contract maintenance costs of the LEIN.

15           (2) For the fiscal year ending September 30, 2009, surplus  
16 funds of \$1,000,000.00 in the state services fee fund are  
17 appropriated to the criminal justice information center service  
18 fees fund. These funds are available for LEIN subscribers upon the  
19 enactment of a fee structure by the criminal justice information  
20 systems policy council. The fee structure shall be equivalent to no  
21 less than 1/3 of the fiscal year 2007 cost of LEIN, less  
22 telecommunications charges, and shall reflect 1/3 of the additional  
23 cost of audit staff necessary for addressing audit findings by the  
24 national crime information center. Upon implementation of the fee  
25 structure, the department shall proportionately credit all LEIN fee  
26 invoices in the final invoice for the fiscal year ending September

1 30, 2009. The sum of the credits shall equal the amount of the  
2 appropriation from the state services fee fund.

3 (3) The criminal justice information systems policy council  
4 shall develop proposals for long-term funding of the local share of  
5 the LEIN and shall report its proposals to the state police  
6 appropriations subcommittees of the house and senate and the house  
7 and senate fiscal agencies no later than January 1, 2009.

8 (4) The surplus funds described in subsection (2) shall remain  
9 in the state services fee fund if the criminal justice information  
10 systems policy council does not maintain the fee structure  
11 described in subsection (2) and does not report long-term funding  
12 proposals as required in this section.

13 (5) The criminal justice information systems policy council  
14 shall not approve or implement any unfunded enhancements to the  
15 LEIN.

16 Sec. 302. From the funds appropriated in part 1 for  
17 information technology, departments and agencies shall pay user  
18 fees to the department of information technology for technology-  
19 related services and projects. These user fees shall be subject to  
20 provisions of an interagency agreement between the department and  
21 the department of information technology.

22 Sec. 303. Amounts appropriated in part 1 for information  
23 technology may be designated as work projects and carried forward  
24 to support technology projects under the direction of the  
25 department of information technology. Funds designated in this  
26 manner are not available for expenditure until approved as work  
27 projects under section 451a of the management and budget act, 1984

1 PA 431, MCL 18.1451a.

2 Sec. 304. A portion of the funds appropriated in part 1 shall  
3 be used by the department to produce a written report detailing  
4 departmental policies regarding access to and use of information  
5 from the LEIN system. The report shall include a description of  
6 departmental measures to protect the security of information in the  
7 LEIN system including safeguards that would prevent unauthorized  
8 persons from obtaining information from the LEIN system. The  
9 department shall submit a copy of this report to the senate and  
10 house appropriations committees not later than April 1, 2009.

11 Sec. 305. The criminal justice information systems policy  
12 council shall encourage members of the law enforcement agencies in  
13 the state to be sensitive to, and note when necessary, activities  
14 or circumstances that may suggest the unauthorized access or misuse  
15 of information from the LEIN system. The criminal justice  
16 information systems policy council shall advise LEIN auditors, as a  
17 part of their audit of law enforcement agencies, to investigate in  
18 depth all suspected incidents of improper access or improper use of  
19 information from the LEIN system and determine whether or not those  
20 incidents were illegal. In those incidents that may be determined  
21 to be illegal, the executive secretary for the council shall  
22 determine whether those incidents were of a negligent or criminal  
23 nature. If an incident is determined to be an illegal act, the  
24 council shall inform the chairs of both the senate and house  
25 appropriations committees.

26 Sec. 306. (1) The department of state police, working with the  
27 criminal justice information systems policy council, shall

1 implement procedures by which all probation information is placed  
2 on the LEIN system. The LEIN system shall include information on  
3 each probationer, including any probation conditions placed on a  
4 probationer and the name of the probation officer assigned to a  
5 probationer. The LEIN system shall also include any nonstandard  
6 probation terms.

7 (2) If the department determines that amendments to the code  
8 of criminal procedure, 1927 PA 175, MCL 760.1 to 777.69, are  
9 required to include all probation information on the LEIN system,  
10 the department shall deliver to members of the senate and house  
11 appropriations subcommittees on state police and military affairs  
12 amendments to the code of criminal procedure, 1927 PA 175, MCL

14 accomplish this goal. These proposed amendments shall be delivered  
15 to subcommittee members not later than December 1, 2008.

16 Sec. 308. The department of state police shall report any LEIN  
17 fee increase to the senate and house appropriations subcommittees  
18 on state police and military and veterans affairs 60 days prior to  
19 the effective date of that increase. The report shall contain the  
20 following information: the current fee structure and the total  
21 revenue earned each year; the new fee structure and the total  
22 revenue it is expected to earn annually; the total annual cost of  
23 the LEIN system; and the total amount of LEIN fees paid by the  
24 department under both the old and the new structure.

25 Sec. 309. From the funds appropriated in part 1 for  
26 information technology, the department may develop and issue a  
27 request for proposal for the development, implementation, and

1 maintenance of an electronic system for real-time enforcement of  
2 section 3101 of the insurance code of 1956, 1956 PA 218, MCL
