16 businesses owned and operated by veterans, if they are  
17 competitively priced and of comparable quality.

18       Sec. 210. The director of each department receiving  
19 appropriations in part 1 shall take all reasonable steps to ensure  
20 businesses in deprived and depressed communities compete for and  
21 perform contracts to provide services or supplies, or both, for the  
22 department. The director shall strongly encourage firms with which  
23 the department contracts to subcontract with certified businesses  
24 in depressed and deprived communities for services or supplies, or  
25 both.

26       Sec. 211. It is the intent of the legislature that personnel  
27 of the department who request and are eligible for reimbursement of

3 submitting a request, or the eligible personnel shall be paid an  
4 additional amount equal to 0.75% of the payment due. The department  
5 shall pay an additional amount equal to 0.75% of the payment due  
6 for the first month and each succeeding month or portion of a month  
7 the payment remains past due.

8       Sec. 213. (1) It is the intent of the legislature that the  
9 department shall not provide any subsidy for contractual services  
10 it provides.

11       (2) When the department provides contractual services to a  
12 local unit of government, the department shall be reimbursed for  
13 all costs incurred in providing the services, including, but not  
14 limited to, retirement and overtime costs.

15       (3) Contractual services provided to an entity other than a  
16 local unit of government may be provided by department personnel,  
17 but only on an overtime basis outside the normal work schedule of  
18 the personnel.

19       (4) This section does not apply to state agencies.

20       Sec. 214. The departments and agencies receiving  
21 appropriations in part 1 shall receive and retain copies of all  
22 reports funded from appropriations in part 1. The department shall  
23 follow all federal guidelines and state laws regarding short-term  
24 and long-term retention of records.

25       Sec. 215. Not later than January 1, 2009, the department shall  
26 report to the state police appropriations subcommittees of the  
27 house and senate and the house and senate fiscal agencies. The

1 report shall contain the following information regarding the  
2 department's activities related to casino gaming oversight during  
3 fiscal year 2007-2008:

4 (a) The amount of money received and expended.

5 (b) The nature and structure of the casino gaming oversight  
6 unit.

9 aggregate number of FTEs.

10 (e) The number of enlisted and civilian positions.

11 (f) The duties and responsibilities of the assigned employees.

12 (g) The immediate past position of the enlisted employees  
13 assigned.

14 Sec. 216. The department shall collect and computerize the  
15 vehicle identification number (VIN) of all vehicles that are  
16 entered into the state accident data collection system and make  
17 this and other vehicle information available to the public at cost.  
18 For bulk access to the accident records in which the VIN has been  
19 collected and computerized, the department shall make those records  
20 available to the public at cost, provided that the name and address  
21 have been excluded.

22 Sec. 217. From the funds appropriated in part 1, the  
23 department shall maintain a toll-free hotline in collaboration with  
24 the department of education. The toll-free hotline shall be  
25 operated 24 hours per day, 7 days per week, and shall provide  
26 students, school officials, and other individuals an opportunity to  
27 report specific threats of imminent school violence or other

1 suspicious or criminal conduct by juveniles to the appropriate  
2 local law enforcement entities for investigation. The department  
3 may expend funds for the promotion of the hotline.

4       Sec. 218. (1) Funds appropriated in part 1 for at-post  
5 troopers shall only be expended for trooper salaries, wages,  
6 benefits, retirement, equipment, supplies, and other expenses  
7 directly related to state troopers assigned to general law  
8 enforcement duties at a department post, detachment, satellite  
9 office, or a resident trooper function.

10       (2) It is the intent of the legislature that every effort be  
11 made to identify funding sufficient to conduct a trooper school for  
12 the purpose of working toward the goal of establishing a minimum  
13 at-post trooper strength of 1,075 in this state.

14       (3) The department shall submit quarterly written reports to  
15 the senate and house appropriations subcommittees on state police  
16 and military and veterans affairs no later than December 1, 2008,  
17 March 1, 2009, June 1, 2009, and September 1, 2009 which shall  
18 include a trooper strength report and the status of the  
19 department's plan for accomplishing the goal of subsection (2). If  
20 the department determines that insufficient appropriations exist  
21 under part 1 to accomplish the goal of subsection (2), the  
22 department shall submit a proposal outlining a plan to accomplish  
23 the goal, including an accounting of any additional funding  
24 necessary to that end.

25       Sec. 219. The department of state police shall notify the  
26 house and senate appropriations subcommittees on state police and  
27 military and veterans affairs and the house and senate fiscal

1 agencies not less than 180 days before recommending to close or  
2 consolidate any state police posts. The notification shall include  
3 a local and state impact study of the proposed post closure or  
4 consolidation.

5       Sec. 220. (1) The department of state police, in keeping with  
6 its role as the general law enforcement agency of the state and as  
7 the law enforcement agency of last resort for communities that are  
8 either without local law enforcement resources or are seriously  
9 underserved by local law enforcement resources, shall provide  
10 general law enforcement assistance to those communities until  
11 adequate law enforcement services can be provided to those  
12 communities by other means.

13       (2) Not later than May 1, 2009, the department shall deliver  
14 to the house and senate appropriations subcommittees on state  
15 police and military and veterans affairs and the house and senate  
16 fiscal agencies a report on the additional costs incurred by the  
17 department in each locality for providing the services described in  
18 subsection (1) during the first 6 months of the fiscal year 2008-  
19 2009.

20       Sec. 221. The department of state police may pursue entering  
21 into an agreement with Calhoun County to build a new facility in  
22 Marshall which would serve as a new state police post to replace  
23 the current state police post in Battle Creek.

24       Sec. 223. (1) Due to the current budgetary problems in this  
25 state, out-of-state travel for the fiscal year ending September 30,  
26 2009 shall be limited to situations in which 1 or more of the  
27 following conditions apply:

1 (a) The travel is required by legal mandate or court order or  
2 for law enforcement purposes.

3 (b) The travel is necessary to protect the health or safety of  
4 Michigan citizens or visitors or to assist other states in similar  
5 circumstances.

6 (c) The travel is necessary to produce budgetary savings or to  
7 increase state revenues, including protecting existing federal  
8 funds or securing additional federal funds.

9 (d) The travel is necessary to comply with federal  
10 requirements.

11 (e) The travel is necessary to secure specialized training for  
12 staff that is not available within this state.

13 (f) The travel is financed entirely by federal or nonstate  
14 funds.

15 (2) If out-of-state travel is necessary but does not meet 1 or  
16 more of the conditions in subsection (1), the state budget director  
17 may grant an exception to allow the travel. Any exceptions granted  
18 by the state budget director shall be reported on a monthly basis  
19 to the senate and house of representatives standing committees on  
20 appropriations.

21 (3) Not later than January 1, 2009, each department shall  
22 prepare a travel report listing all travel by classified and  
23 unclassified employees outside this state in the immediately  
24 preceding fiscal year that was funded in whole or in part with  
25 funds appropriated in the department's budget. The report shall be  
26 submitted to the chairs and members of the senate and house of  
27 representatives standing committees on appropriations, the fiscal

1 agencies, and the state budget director. The report shall include  
2 the following information:

3 (a) The name of each person receiving reimbursement for travel  
4 outside this state or whose travel costs were paid by this state.

5 (b) The destination of each travel occurrence.

6 (c) The dates of each travel occurrence.

7 (d) A brief statement of the reason for each travel  
8 occurrence.

9 (e) The transportation and related costs of each travel

13 and the proportion funded with other revenues.

14 (f) A total of all out-of-state travel funded for the  
15 immediately preceding fiscal year.

16 Sec. 224. The department shall not take disciplinary action  
17 against an employee for communicating with a member of the  
18 legislature or his or her staff.

19 Sec. 225. It is the intent of the legislature that the  
20 administration, working with the MCOLES, continue the long-held  
21 practice that all revenue made available to the department from the  
22 Michigan justice training fund be used solely for costs directly  
23 related to the delivery of Michigan justice training fund grants,  
24 so that in the future, eligible entities as provided under 1982 PA  
25 302, MCL 18.421 to 18.429, will have a stable and accurate source  
26 of training funds.

27 Sec. 226. The department of state police, in cooperation with

1 the department of information technology and others, shall take  
2 steps to encourage the development of state, local, and regional  
3 tactical interoperable communication plans with the ultimate goal  
4 being to ensure that effective and efficient communication  
5 interoperability between radio communication systems of local,  
6 regional, state, and federal agencies is established in every area  
7 of the state. The department shall provide a written report to the  
8 senate and house appropriations subcommittees on state police and  
9 military and veterans affairs no later than April 1, 2009 on the  
10 current status of reaching this objective. The report shall include  
11 an accounting of exactly where within the state desired  
12 interoperability has been achieved and what cooperative measures  
13 and use of technology were used to achieve this interoperability,  
14 and which areas of the state have not yet achieved such status. The  
15 report shall also include a description of what strategies need to  
16 be employed to ensure that the remaining areas of the state, and  
17 the state as a whole, will have a communication system with  
18 efficient and effective interoperability, particularly on occasions  
19 when a multijurisdictional response to an emergency is warranted.

20       Sec. 227. (1) From the funds appropriated in part 1, the  
21 department of state police is prohibited from transporting  
22 employees of institutions of higher education on state-owned  
23 aircraft.

24       (2) From the funds appropriated in part 1, the department is  
25 prohibited from transporting legislators or legislative staff on  
26 state-owned aircraft without prior approval from the senate  
27 majority leader or the speaker of the house of representatives, or

1 both.

2 (3) From the funds appropriated in part 1, the department is  
3 prohibited from transporting local government employees on state-  
4 owned aircraft.

5 (4) It is the intent of the legislature that state elected  
6 officials use commercial or other private air service, unless air  
7 travel on state-owned aircraft is part of official state business.

8 (5) This section shall not apply to transportation that is  
9 related to law enforcement or homeland security activities.

10 Sec. 228. The department shall not approve the travel of more  
11 than 1 departmental employee to a specific professional development  
12 conference or training seminar that is located outside of this  
13 state. The only exception to this travel restriction involves a  
14 professional development conference or training seminar that is  
15 funded by a federal or private funding source and requires more  
16 than 1 person from a department to attend.

17 Sec. 230. The unexpended and unencumbered balance of the  
18 appropriation for the department contained in 2007 PA 130 shall be  
19 used toward the payment of \$400,000.00 to the Michigan state police  
20 troopers association. The funds shall be available for  
21 appropriation in the fiscal year ending September 30, 2009.

22 Sec. 232. The department shall place emphasis on recruiting  
23 MCOLES certified police officers for the trooper recruit school.  
24 Emphasis shall be given in the hiring process to those officers who  
25 are on layoff and possess valid MCOLES certification. Any emphasis  
26 given in the recruiting and selection process shall be consistent  
27 with the department's hiring standards and in accordance with civil

1 service rules. The department shall report to the chairpersons of  
2 the senate and house of representatives standing committees on  
3 appropriations the results of its recruitment and selection  
4 process, including the actual number of certified officers selected  
5 for any recruit school that is held by September 30, 2009.

6       Sec. 233. From the funds appropriated in part 1 for at-post  
7 troopers, up to \$200,000.00 shall be used for the timely completion  
8 of a law enforcement resource study produced by contract with an  
9 accredited in-state university. The study shall examine the law  
10 enforcement needs of each state police district of this state. The  
11 study shall provide recommendations concerning state police patrol  
12 and response needs within each state police district and post area  
13 of this state, baseline coverage recommendations, and information  
14 concerning what is required in terms of personnel and resources to  
15 meet the recommendations and how those resources could most  
16 efficiently be allocated to achieve the recommendations, along with  
17 the amount of any additional resources that may be needed. The  
18 study shall examine, at a minimum, crime statistics, population,  
19 geographic area, and inventory of all levels of existing police  
20 resources for a given area, and any other pertinent information.  
21 The department shall keep the house and senate appropriations  
22 subcommittee chairs informed as to the progress toward the  
23 completion of this report and make every effort to have this report  
24 completed no later than November 1, 2009. The department shall  
25 provide a copy of the report to both of the subcommittees.

26       Sec. 234. Funds appropriated in part 1 shall not be used by a  
27 principal executive department, state agency, or authority to hire

1 a person to provide legal services that are the responsibility of  
2 the attorney general. This prohibition does not apply to legal  
3 services for bonding activities and for those activities that the  
4 attorney general authorizes.

5       Sec. 235. (1) If a spending plan for the funds appropriated in  
6 part 1 for special operations and events, or sources of financing  
7 related to the spending plan, do not provide the level of program  
8 service provided for in the current fiscal year, the funds  
9 appropriated in part 1 for post uniform services or forensic  
10 sciences shall not be used to fund the shortfall.

11       (2) If a spending plan for the funds appropriated in part 1  
12 for special operations and events, or sources of financing related  
13 to the spending plan, are in excess of that necessary to provide  
14 the level of program service provided for in the current fiscal  
15 year, the department shall take steps to transfer whatever excess  
16 funding may exist to the funds appropriated in part 1 for post  
17 uniform services and forensic sciences.

18       Sec. 236. (1) The department shall report no later than April  
19 1, 2009 on each specific policy change made by the department to  
20 implement a public act affecting that department that took effect  
21 during the preceding calendar year. The department shall report to  
22 the house and senate appropriations subcommittees on the budget for  
23 the department, the joint committee on administrative rules, and  
24 the senate and house fiscal agencies.

25       (2) Funds appropriated in part 1 shall not be used by the  
26 department to adopt a rule that will apply to a small business and  
27 that will have a disproportionate economic impact on small

1 businesses because of the size of those businesses if the  
2 department fails to reduce the disproportionate economic impact of  
3 the rule on small businesses as provided under section 40 of the  
4 administrative procedures act of 1969, 1969 PA 306, MCL 24.240.

5 (3) As used in this section:

6 (a) "Rule" means that term as defined under section 7 of the  
7 administrative procedures act of 1969, 1969 PA 306, MCL 24.207.

8 (b) "Small business" means that term as defined under section  
9 7a of the administrative procedures act of 1969, 1969 PA 306, MCL  
10 24.207a.

11 Sec. 237. From the funds appropriated in part 1, the  
12 department shall maintain, for the full 2008-2009 fiscal year,  
13 either the operation of each Michigan state police post which was  
14 in operation as of April 2, 2007, or an alternative work station in  
15 the vicinity of a current Michigan state police post.

16 Sec. 238. The department of management and budget shall work  
17 with the department of state police to reduce building operations  
18 and leasing costs for all Michigan state police facilities and to  
19 identify efficiencies and savings.

20 Sec. 240. (1) In addition to the funds appropriated in part 1,  
21 there is appropriated an amount not to exceed \$10,000,000.00 for  
22 federal contingency funds. These funds are not available for  
23 expenditure until they have been transferred to another line item  
24 in this act under section 393(2) of the management and budget act,  
25 1984 PA 431, MCL 18.1393.

26 (2) In addition to the funds appropriated in part 1, there is  
27 appropriated an amount not to exceed \$3,500,000.00 for state

1 restricted contingency funds. These funds are not available for  
2 expenditure until they have been transferred to another line item  
3 in this act under section 393(2) of the management and budget act,  
4 1984 PA 431, MCL 18.1393.

5 (3) In addition to the funds appropriated in part 1, there is  
6 appropriated an amount not to exceed \$1,000,000.00 for local  
7 contingency funds. These funds are not available for expenditure  
8 until they have been transferred to another line item in this act  
9 under section 393(2) of the management and budget act, 1984 PA 431,  
10 MCL 18.1393.

11 (4) In addition to the funds appropriated in part 1, there is  
12 appropriated an amount not to exceed \$200,000.00 for private  
13 contingency funds. These funds are not available for expenditure  
14 until they have been transferred to another line item in this act  
15 under section 393(2) of the management and budget act, 1984 PA 431,  
16 MCL 18.1393.

17 Sec. 241. From the funds appropriated in part 1, the  
18 department shall continue the creation of a plan to operate a  
19 trooper recruit school composed of 50 or fewer recruits on an  
20 annual or biannual basis. These trooper recruit schools shall be  
21 operated on a shorter time frame than typical trooper recruit  
22 schools and shall consist of recruits who possess current  
23 certification as a law enforcement officer. This plan will result  
24 in a trooper recruit school that assists in restoring overall  
25 trooper strength to an optimum level while being more efficient in  
26 terms of time and financial expenditure.

27 Sec. 242. From the funds appropriated in part 1, the

1 department shall develop, post, and maintain, on a publicly  
2 accessible Internet site, all expenditures made by the department  
3 within the fiscal year. This posting shall include the purpose for  
4 which each expenditure is made.

5 **INFORMATION TECHNOLOGY**

6 Sec. 301. (1) The money appropriated in part 1 for computer  
7 services shall be funded by LEIN user fees sufficient to pay 1/4 of  
8 the state's service and contract maintenance costs of the LEIN.

9 (2) The department shall provide a detailed report to the  
10 senate and house appropriations subcommittees on state police and  
11 military and veterans affairs and the criminal justice information  
12 systems policy council no later than October 15, 2008, on the  
13 actual state service and contract maintenance costs necessary to  
14 provide the LEIN services to local agencies for fiscal year 2008-  
15 2009.

16 Sec. 302. From the funds appropriated in part 1 for  
17 information technology, departments and agencies shall pay user  
18 fees to the department of information technology for technology-  
19 related services and projects. These user fees shall be subject to  
20 provisions of an interagency agreement between the department and  
21 the department of information technology.

22 Sec. 303. Amounts appropriated in part 1 for information  
23 technology may be designated as work projects and carried forward  
24 to support technology projects under the direction of the  
25 department of information technology. Funds designated in this  
26 manner are not available for expenditure until approved as work

1 projects under section 451a of the management and budget act, 1984  
2 PA 431, MCL 18.1451a.

3       Sec. 304. A portion of the funds appropriated in part 1 shall  
4 be used by the department to produce a written report detailing  
5 departmental policies regarding access to and use of information  
6 from the LEIN system. The report shall include a description of  
7 departmental measures to protect the security of information in the  
8 LEIN system including safeguards that would prevent unauthorized  
9 persons from obtaining information from the LEIN system. The  
10 department shall submit a copy of this report to the senate and  
11 house appropriations committees not later than April 1, 2009.

12       Sec. 305. The criminal justice information systems policy  
13 council shall encourage members of the law enforcement agencies in  
14 the state to be sensitive to, and note when necessary, activities  
15 or circumstances that may suggest the unauthorized access or misuse  
16 of information from the LEIN system. The criminal justice  
17 information systems policy council shall advise LEIN auditors, as a  
18 part of their audit of law enforcement agencies, to investigate in  
19 depth all suspected incidents of improper access or improper use of  
20 information from the LEIN system and determine whether or not those  
21 incidents were illegal. In those incidents that may be determined  
22 to be illegal, the executive secretary for the council shall  
23 determine whether those incidents were of a negligent or criminal  
24 nature. If an incident is determined to be an illegal act, the  
25 council shall inform the chairs of both the senate and house  
26 appropriations committees.

27       Sec. 306. (1) The department of state police, working with the

1 criminal justice information systems policy council, shall  
2 implement procedures by which all probation information is placed  
3 on the LEIN system. The LEIN system shall include information on  
4 each probationer, including any probation conditions placed on a  
5 probationer and the name of the probation officer assigned to a  
6 probationer. The LEIN system shall also include any nonstandard  
7 probation terms.

8 (2) If the department determines that amendments to the code  
9 of criminal procedure, 1927 PA 175, MCL 760.1 to 777.69, are  
10 required to include all probation information on the LEIN system,  
11 the department shall deliver to members of the senate and house  
12 appropriations subcommittees on state police and military affairs  
13 amendments to the code of criminal procedure, 1927 PA 175, MCL  
14 760.1 to 777.69, that, in the department's view, are necessary to  
15 accomplish this goal. These proposed amendments shall be delivered  
16 to subcommittee members not later than December 1, 2008.

17 Sec. 307. The department of state police shall serve as an  
18 active liaison between the department of information technology and  
19 local public safety agencies to facilitate the use of the Michigan  
20 public safety communications system towers by those local public  
21 safety agencies that have an interest in using the towers as a part  
22 of their own communications system. The department of state police  
23 shall deliver a written report to the senate and house  
24 appropriations subcommittees on state police and military and  
25 veterans affairs by April 1, 2009, which shall include an  
26 assessment of the progress toward establishing local public safety  
27 agency use of the Michigan public safety communications system

1 towers, an accounting of problems that may be preventing local use  
2 of the towers, and any recommendations the department has that may  
3 foster this utilization.

4       Sec. 308. The department of state police shall report any LEIN  
5 fee increase to the senate and house appropriations subcommittees  
6 on state police and military and veterans affairs 60 days prior to

8 following information: the current fee structure and the total  
9 revenue earned each year; the new fee structure and the total  
10 revenue it is expected to earn annually; the total annual cost of  
11 the LEIN system; and the total amount of LEIN fees paid by the  
12 department under both the old and the new structure.

13       Sec. 309. From the funds appropriated in part 1 for  
14 information technology, the department may develop and issue a  
15 request for proposal for the development, implementation, and  
16 maintenance of an electronic system for real-time enforcement of  
17 section 3101 of the insurance code of 1956, 1956 PA 218, MCL  
18 500.3101.

19       **HIGHWAY SAFETY PLANNING**

20       Sec. 401. On a quarterly basis, the department shall report to  
21 the senate and house appropriations subcommittees on state police  
22 and military affairs on the status of assessments collected and  
23 authorized under section 629e of the Michigan vehicle code, 1949 PA  
24 300, MCL 257.629e, for the purposes of supporting the secondary  
25 road patrol grant program. Each quarterly report shall contain
