

**SENATE SUBSTITUTE FOR
HOUSE BILL NO. 5998**

A bill to amend 1965 PA 314, entitled
"Public employee retirement system investment act,"
by amending section 13 (MCL 38.1133), as amended by 2000 PA 307.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 13. (1) The provisions of this act shall supersede any
2 investment authority previously granted to a system under any other
3 law of this state.

4 (2) The assets of a system may be invested, reinvested, held
5 in nominee form, and managed by an investment fiduciary subject to
6 the terms, conditions, and limitations provided in this act. An
7 investment fiduciary of a defined contribution plan may arrange for
8 1 or more investment options to be directed by the participants of
9 the defined contribution plan. The limitations on the percentage of
10 total assets for investments provided in this act do not apply to a

1 defined contribution plan in which a participant directs the
2 investment of the assets in his or her individual account, and that
3 participant is not considered an investment fiduciary under this
4 act.

5 (3) An investment fiduciary shall discharge his or her duties
6 solely in the interest of the participants and the beneficiaries,
7 and shall do all of the following:

8 (a) Act with the same care, skill, prudence, and diligence
9 under the circumstances then prevailing that a prudent person
10 acting in a similar capacity and familiar with those matters would
11 use in the conduct of a similar enterprise with similar aims.

12 (b) Act with due regard for the management, reputation, and
13 stability of the issuer and the character of the particular
14 investments being considered.

15 (c) Make investments for the exclusive purposes of providing
16 benefits to participants and participants' beneficiaries, and of
17 defraying reasonable expenses of investing the assets of the
18 system.

19 (d) Give appropriate consideration to those facts and
20 circumstances that the investment fiduciary knows or should know
21 are relevant to the particular investment or investment course of
22 action involved, including the role the investment or investment
23 course of action plays in that portion of the system's investments
24 for which the investment fiduciary has responsibility; and act
25 accordingly. For purposes of this subsection, "appropriate
26 consideration" includes, but is not limited to, a determination by
27 the investment fiduciary that a particular investment or investment

1 course of action is reasonably designed, as part of the investments
2 of the system, to further the purposes of the system, taking into
3 consideration the risk of loss and the opportunity for gain or
4 other return associated with the investment or investment course of
5 action; and consideration of the following factors as they relate
6 to the investment or investment course of action:

7 (i) The diversification of the investments of the system.

8 (ii) The liquidity and current return of the investments of the
9 system relative to the anticipated cash flow requirements of the
10 system.

11 (iii) The projected return of the investments of the system
12 relative to the funding objectives of the system.

13 (e) Give appropriate consideration to investments that would
14 enhance the general welfare of this state and its citizens if those
15 investments offer the safety and rate of return comparable to other
16 investments permitted under this act and available to the
17 investment fiduciary at the time the investment decision is made.

18 (f) Prepare and maintain written objectives, policies, and
19 strategies with clearly defined accountability and responsibility
20 for implementing and executing the system's investments.

21 (g) Monitor the investment of the system's assets with regard
22 to the limitations on those investments pursuant to this act. Upon
23 discovery that an investment causes the system to exceed a
24 limitation prescribed in this act, the investment fiduciary shall
25 reallocate assets in a prudent manner in order to comply with the
26 prescribed limitation.
