9 coverage, or insurance in this state.

10 (b) "Commissioner" means the commissioner of the office of  
11 financial and insurance services.

12 (c) "Medical benefit plan" means a plan, established and  
13 maintained by a carrier or 1 or more public employers, that  
14 provides for the payment of medical, optical, or dental benefits,  
15 including, but not limited to, hospital and physician services,  
16 prescription drugs, and related benefits, to public employees.

17 (d) "Public employee" means an employee of a public employer.

18 (e) "Public employer" means a city, village, township, county,  
19 or other political subdivision of this state; any  
20 intergovernmental, metropolitan, or local department, agency, or  
21 authority, or other local political subdivision; a school district,  
22 a public school academy, or an intermediate school district, as  
23 those terms are defined in the revised school code, 1976 PA 451,  
24 MCL 380.1 to 380.1852; or a community college or junior college  
25 described in section 7 of article VIII of the state constitution of  
26 1963. Public employer includes a public university that elects to  
27 come under the provisions of this act.

1 (f) "Public employer pooled plan" or "pooled plan" means a

5 section 4, 5, or 6 of article VIII of the state constitution of  
6 1963.

7 Sec. 5. (1) Subject to collective bargaining requirements, a  
8 public employer may provide medical, optical, or dental benefits to  
9 public employees and their dependents by any of the following  
10 methods:

11 (a) By establishing and maintaining a plan on a self-insured  
12 basis. A plan under this subdivision does not constitute doing the  
13 business of insurance in this state and is not subject to the  
14 insurance laws of this state.

15 (b) By joining with other public employers and establishing  
16 and maintaining a public employer pooled plan to provide medical,  
17 optical, or dental benefits to not fewer than 250 public employees  
18 on a self-insured basis as provided in this act. A pooled plan  
19 shall accept any public employer that applies to become a member of  
20 the pooled plan, agrees to make the required payments, agrees to  
21 remain in the pool for a 3-year period, and satisfies the other  
22 reasonable provisions of the pooled plan. A public employer that  
23 leaves a pooled plan may not rejoin the pooled plan for 2 years  
24 after leaving the plan. A pooled plan under this subdivision does  
25 not constitute doing the business of insurance in this state and,  
26 except as provided in this act, is not subject to the insurance  
27 laws of this state. A pooled plan under this subdivision may enter

1 into contracts and sue or be sued in its own name.

2 (c) By procuring coverage or benefits from 1 or more carriers,  
3 either on an individual basis or with 1 or more other public  
4 employers.

5 (2) This act does not prohibit a public employer from  
6 participating, for the payment of medical benefits and claims, in a  
7 purchasing pool or coalition to procure insurance, benefits, or  
8 coverage, or health care plan services or administrative services.

9 (3) A public university may establish a medical benefit plan  
10 to provide medical, dental, or optical benefits to its employees  
11 and their dependents by any of the methods set forth in this  
12 section.

13 (4) A medical benefit plan that provides medical benefits  
14 shall provide to covered individuals case management services that  
15 meet the case management accreditation standards established by the  
16 national committee on quality assurance, the joint commission on  
17 health care organizations, or the utilization review accreditation  
18 commission.

19 Sec. 7. (1) A person shall not establish or maintain a public  
20 employer pooled plan in this state unless the pooled plan obtains  
21 and maintains a certificate of registration pursuant to this act.

22 (2) A person wishing to establish a pooled plan shall apply  
23 for a certificate of registration on a form prescribed by the  
24 commissioner. The application shall be completed and submitted to  
25 the commissioner along with all of the following:

26 (a) Copies of all articles, bylaws, agreements, or other  
27 documents or instruments describing the rights and obligations of

1 employers, employees, and beneficiaries with respect to the pooled  
2 plan and the expected number of public employees to be covered for  
3 medical, optical, or dental benefits under the pooled plan.

4 (b) Current financial statements of the pooled plan or, for a  
5 newly established pooled plan, 3 years of financial projections.

6 (c) A statement showing in full detail the plan upon which the  
7 pooled plan proposes to transact business and a copy of all  
8 contracts or other instruments that it proposes to make with or  
9 sell to its members, together with a copy of its plan description.

10 (3) The commissioner shall examine the application and  
11 documents submitted by the applicant for completeness and shall  
12 notify the applicant not later than 30 days after receipt of the  
13 application of any additional information needed. The commissioner  
14 may conduct any investigation that the commissioner considers  
15 necessary and examine under oath any person interested in or  
16 connected with the pooled plan.

17 (4) The commissioner shall issue or deny a certificate of  
18 registration within 90 days of receipt of the applicant's  
19 substantially completed application. The commissioner shall not  
20 issue a certificate of registration to the pooled plan unless the  
21 commissioner is satisfied that the pooled plan is in a stable and  
22 unimpaired financial condition, that the pooled plan is qualified  
23 to maintain a medical benefit plan in compliance with this act, and  
24 that the pooled plan meets the requirements in section 9(1)(a),  
25 (e), (f), (g), and (h). The commissioner shall deny a certificate  
26 of registration to an applicant who fails to meet the requirements  
27 of this act. Notice of denial shall be in writing and shall set

1 forth the basis for the denial. If the applicant submits a written  
2 request within 60 days after mailing of the notice of denial, the  
3 commissioner shall promptly conduct a hearing pursuant to the  
4 administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to  
5 24.328, in which the applicant shall be given an opportunity to  
6 show compliance with the requirements of this act.

7 (5) The pooled plan, upon receipt of its initial certificate  
8 of registration, which shall be a temporary certificate, shall  
9 proceed to the completion of organization of the proposed pooled  
10 plan.

11 (6) A pooled plan shall open its books to the commissioner,  
12 and a final certificate of registration shall not be issued by the  
13 commissioner to a pooled plan until the pooled plan has collected  
14 cash reserves as provided in section 9.

15 Sec. 9. (1) In addition to other requirements as provided in  
16 this act, a public employer pooled plan established on or after the  
17 effective date of this act shall do all of the following:

18 (a) Establish and maintain minimum cash reserves of not less  
19 than 25% of the aggregate contributions in the current fiscal year  
20 or in the case of new applicants, 25% of the aggregate  
21 contributions projected to be collected during its first 12 months  
22 of operation, as applicable; or not less than 35% of the claims  
23 paid in the preceding fiscal year, whichever is greater. Reserves  
24 established pursuant to this section shall be maintained in a  
25 separate, identifiable account and shall not be commingled with  
26 other funds of the pooled plan. The pooled plan shall invest the  
27 required reserve in the types of investments allowed under section

1 910, 912, or 914 of the insurance code of 1956, 1956 PA 218, MCL  
2 500.910, 500.912, and 500.914. The pooled plan may satisfy up to  
3 100% of the reserve requirement in the first year of operation, up  
4 to 75% of the reserve requirement in the second year of operation,  
5 and up to 50% of the reserve requirement in the third and  
6 subsequent years of operation, through an irrevocable and  
7 unconditional letter of credit. As used in this subdivision,  
8 "letter of credit" means a letter of credit that meets all of the  
9 following requirements:

10 (i) Is issued by a federally insured financial institution.

11 (ii) Is issued upon such terms and in a form as approved by the  
12 commissioner.

13 (iii) Is subject to draw by the commissioner, upon giving 5  
14 business days' written notice to the pooled plan, or by the pooled  
15 plan for the member's benefit if the pooled plan is unable to pay  
16 claims as they come due.

17 (b) Within 90 days after the end of each fiscal year, file  
18 with the commissioner financial statements audited by a certified  
19 public accountant. An actuarial opinion regarding reserves for  
20 known claims and associated expenses and incurred but not reported  
21 claims and associated expenses, in accordance with subdivision (d),  
22 shall be included in the audited financial statement. The opinion  
23 shall be rendered by an actuary approved by the commissioner or who  
24 has 5 or more years of experience in this field.

25 (c) Within 60 days after the end of each fiscal quarter, file  
26 with the commissioner unaudited financial statements, affirmed by  
27 an appropriate officer or agent of the pooled plan.

1 (d) Within 60 days after the end of each fiscal quarter, file  
2 with the commissioner a report certifying that the pooled plan  
3 maintains reserves that are sufficient to meet its contractual  
4 obligations, and that it maintains coverage for excess loss as  
5 required in this act.

6 (e) File with the commissioner a schedule of premium  
7 contributions, rates, and renewal projections.

8 (f) Possess a written commitment, binder, or policy for excess  
9 loss insurance issued by an insurer authorized to do business in  
10 this state in an amount approved by the commissioner. The binder or  
11 policy shall provide not less than 30 days' notice of cancellation  
12 to the commissioner.

13 (g) Establish a procedure, to the satisfaction of the  
14 commissioner, for handling claims for benefits in the event of  
15 dissolution of the pooled plan.

16 (h) Provide for administration of the plan using personnel of  
17 the pooled plan, provided that the pooled plan has within its own  
18 organization adequate facilities and competent personnel to service  
19 the medical benefit plan, or by awarding a competitively bid  
20 contract, to an authorized third party administrator, an insurer, a  
21 nonprofit health care corporation, or other entity authorized to  
22 provide services in connection with a noninsured medical benefit  
23 plan.

24 (2) If the commissioner finds that a pooled plan's reserves  
25 are not sufficient to meet the requirements of subsection (1)(a),  
26 the commissioner shall order the pooled plan to immediately collect  
27 from any public employer that is or has been a member of the pooled

1 plan appropriately proportionate contributions sufficient to  
2 restore reserves to the required level. The commissioner may take  
3 such action as he or she considers necessary, including, but not  
4 limited to, ordering the suspension or dissolution of a pooled  
5 plan, if the pooled plan is consistently failing to maintain  
6 reserves as required in this section, is using methods and  
7 practices that render further transaction of business hazardous or  
8 injurious to its members, employees, beneficiaries, or to the  
9 public, has failed, after written request by the commissioner, to  
10 remove or discharge an officer, director, trustee, or employee who  
11 has been convicted of any crime involving fraud, dishonesty, or  
12 moral turpitude, has failed or refused to furnish any report or  
13 statement required under this act, or if the commissioner, upon  
14 investigation, determines that it is conducting business  
15 fraudulently or is not meeting its contractual obligations in good  
16 faith. Any proceedings by the commissioner under this subsection  
17 shall be governed by the requirements and procedures of sections  
18 7074 to 7078 of the insurance code of 1956, 1956 PA 218, MCL  
19 500.7074 and 500.7078.

20       Sec. 11. The commissioner, or any person appointed by the  
21 commissioner, may examine the affairs of any pooled plan, and for  
22 such purposes shall have free access to all the books, records, and  
23 documents that relate to the business of the plan, and may examine  
24 under oath its trustees, officers, agents, and employees in  
25 relation to the affairs, transactions, and condition of the pooled  
26 plan. Each authorized pooled plan shall pay an assessment annually  
27 to the commissioner to be deposited into the insurance bureau fund

1 created in section 225 of the insurance code of 1956, 1956 PA 218,  
2 MCL 500.225, in an amount equal to 1/4 of 1% of the annual self-  
3 funded contributions made to the pooled plan for that year. The  
4 assessments paid under this section shall be appropriated to the  
5 office of financial and insurance services to cover the additional  
6 costs incurred by the office of financial and insurance services in  
7 the examination and regulation of pooled plans under this act.

8 Sec. 13. (1) The articles, bylaws, and trust agreement of the  
9 pooled plan and all amendments thereto shall be filed with and  
10 presumed approved by the commissioner before becoming operative.  
11 The trust agreement shall be filed on a form prescribed by the  
12 commissioner.

13 (2) Each member employer of a pooled plan shall be given  
14 notice of every meeting of the members and shall be entitled to an  
15 equal vote, either in person or by proxy in writing by such member.

16 (3) The powers of a pooled plan, except as otherwise provided,  
17 shall be exercised by the board of trustees chosen to carry out the  
18 purposes of the trust agreement. Not less than 50% of the trustees  
19 shall be persons who are covered under the pooled plan or the  
20 collective bargaining representatives of those persons. No trustee  
21 shall be an owner, officer, or employee of a third party  
22 administrator providing services to the pooled plan.

23 Sec. 15. (1) A public employer that has 100 or more employees  
24 in a medical benefit plan shall be provided with claims utilization  
25 and cost information as provided in subsection (2).

26 (2) All medical benefit plans in this state shall compile, and  
27 shall make available electronically as provided in subsection (1),

2 the medical benefit plan for the most recent rate renewal period  
3 and under the same basis by which the public employer has been

21 agents, consultants, or brokers by the medical benefit plan or by  
22 any public employer or carrier participating in or providing  
23 services to the medical benefit plan, reported separately for  
24 medical, pharmacy, stop-loss, dental, and vision.

25 (i) Other information as may be required by the commissioner.

26 (3) The claims utilization and cost information required to be  
27 compiled under this section shall be compiled on an annual basis
