THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 3118. (1) ~~Until~~ **EXCEPT AS OTHERWISE PROVIDED IN THIS**
2 **SECTION, UNTIL** October 1, 2009, the department shall collect storm
3 water discharge fees from persons who apply for or have been issued
4 storm water discharge permits as follows:
5 (a) A 1-time fee of \$400.00 is required for a permit related
6 solely to a site of construction activity for each permitted site.

5 application or notice of coverage under a permit by rule.

6 (b) An annual fee of \$260.00 is required for a permit related
7 solely to a storm water discharge associated with industrial
8 activity or from a commercial site for which the department
9 determines a permit is needed.

10 (c) An annual fee of \$500.00 is required for a permit for a
11 municipal separate storm sewer system, unless the permit is issued
12 to a city, a village, a township, or a county or is a single permit
13 authorization for municipal separate storm sewer systems in
14 multiple locations statewide.

15 (d) An annual fee for a permit for a municipal separate storm
16 sewer system issued to a city, village, or township shall be
17 determined by its population in an urbanized area as defined by the
18 United States bureau of the census. The fee shall be based on the
19 latest available decennial census as follows:

7 (viii) For a population of more than 100,000 people, the annual
8 fee is \$7,000.00.

9 (e) An annual fee of \$3,000.00 is required for a permit for a

13 municipal separate storm sewer systems in multiple locations
14 statewide shall be determined in accordance with a memorandum of

1 assessments by February 1. Payment shall be postmarked no later
2 than March 15. Failure by the department to send a fee assessment
3 notification by the deadline, or failure of a person to receive a
4 fee assessment notification, does not relieve that person of his or
5 her obligation to pay the fee. If the department does not meet the
6 February deadline for sending the fee assessment, the fee
7 assessment is due not later than 45 days after receiving a fee
8 notification.

9 (5) ~~(4)~~—If a storm water permit is issued for a drainage

22 of a permit not related solely to a site of construction activity.

23 (9) ~~(8)~~—In addition to any other penalty provided in this
24 part, if a person fails to pay the fee required under this section
25 by its due date, the person is in violation of this part and the
26 department may undertake enforcement actions as authorized under
27 this part.

1 (10) ~~(9)~~—The attorney general may bring an action to collect
2 overdue fees and interest payments imposed under this section.

3 (11) ~~(10)~~—If the permit is for a municipal separate storm
4 sewer system and the population served by that system is different
5 than the latest decennial census, the permittee may appeal the
6 annual fee determination and submit written verification of actual
7 population served by the municipal separate storm sewer system.

8 (12) ~~(11)~~—A person who wishes to appeal either a fee or a
9 penalty assessed under this section is limited to an administrative
10 appeal, in accordance with section 631 of the revised judicature
11 act of 1961, 1961 PA 236, MCL 600.631. The appeal shall be filed
