1 (6) A high school that is designated by the superintendent of
2 public instruction as a specialty school under subsection (5) is
3 only exempt from requirements as described under subsection (5) as
4 long as the superintendent of public instruction finds that the
5 high school continues to meet all of the following requirements:

6 (a) The high school clearly states to prospective pupils and
7 their parents that it does not meet the requirements of the
8 Michigan merit standard under this section and section 1278b but is
9 a designated specialty school that is exempt from some of those
10 requirements and that a pupil who enrolls in the high school and
11 subsequently transfers to a high school that is not a specialty
12 school meeting the requirements of this subsection will be required
13 to comply with the requirements of the Michigan merit standard
14 under this section and section 1278b.
