ENROLLED SENATE BILL No. 561

AN ACT to amend 1971 PA 140, entitled "An act to provide for the distribution of certain state revenues to cities, villages, townships, and counties; to impose certain duties and confer certain powers on this state, political subdivisions of this state, and the officers of both; to create reserve funds; and to establish a revenue sharing task force and provide for its powers and duties," by amending section 12a (MCL 141.912a), as amended by 1998 PA 532.

The People of the State of Michigan enact:

Sec. 12a. (1) For state fiscal years before the 1998-1999 state fiscal year, the department of treasury shall calculate the amount of payment to be made to a city, village, or township by multiplying the amount of state equalized value of tax exempt inventory property as certified by the department of treasury under former section 132 of the single business tax act, 1975 PA 228, times the property tax rate for each taxing unit as certified each year to the department of treasury for purposes of this act.

(2) For state fiscal years before the 1998-1999 state fiscal year, the department of treasury shall pay to each county each year, following the year the amount was calculated, an amount equal to the product of the state equalized value of inventory as certified by the department of treasury under former section 132 of the single business tax act, 1975 PA 228, times the county property tax rate for the county as reported each year to the department of treasury.

(3) For state fiscal years after the 1995-1996 state fiscal year in which payment is made under this section, the payment under this section shall be from the collections, exclusive of the amount designated for assistance to townships, cities, and villages under section 10 of article IX of the state constitution of 1963, of the sales tax levied at a rate of 4%.

(4) Payments made under this section, and the allocation and appropriation of amounts necessary to make the payments under this section, shall include interest which shall accrue on the unpaid balance. Interest shall accrue at the rate determined under section 13b.

(5) A payment required to be made under this section shall not be delayed so as to cause interest to accrue pursuant to subsection (4) unless the delay in any payment is authorized by a written directive issued and signed by the governor that conforms to and is subject to section 13b(2) and (3).

(6) Amounts required to be paid pursuant to this section that are subject to an unavoidable delay of a de minimis period or that are withheld or set off pursuant to law in the settlement or adjustment of an obligation or debt due to this state are not subject to subsections (4) and (5).

(7) For state fiscal years before the 1998-1999 state fiscal year, the treasurer of any city, village, township, or county who collects money for an authority that levies property taxes, shall pay an eligible authority its proportionate share of the reimbursements under this section. The proportionate share is the percentage that the property taxes collected by the authority are to the property taxes of the assessing unit. The property taxes of the authorities may be added to the millages used to determine payments under this section. For an authority to be eligible for compensation under this section, that authority shall have an authorization to have taxes levied for its use as provided by law. School districts, intermediate school districts, community college districts, vocational education districts, and special education districts are not included under this section.

(8) Subject to section 13d, for the 1998-1999 through 2006-2007 state fiscal years, the treasurer of any city, village, township, or county who collects money for an authority that levies property taxes shall pay an eligible authority, from the payments received under this act, the amount received by the eligible authority under subsection (7) for the 1997-1998 state fiscal year. School districts, intermediate school districts, community college districts, vocational education districts, and special education districts are not included under this section.

(9) The state treasurer may make a disbursement for a payment under this section that has been delayed in advance of the date the delayed payment is expected to be paid.

(10) Payments under this section to cities and villages shall be made on or before October 31 and payments under this section to counties and townships shall be made on or before February 28.

This act is ordered to take immediate effect.
