The People of the State of Michigan enact:

Sec. 707. (1) A vendor shall not sell, serve, or furnish any alcoholic liquor to any person in an intoxicated condition.

(2) A licensee shall not allow a person who is in an intoxicated condition to consume alcoholic liquor on the licensed premises.

(3) A licensee, or the clerk, servant, agent, or employee of a licensee, shall not be in an intoxicated condition on the licensed premises.

(4) A licensee shall not allow an intoxicated person to frequent or loiter on the licensed premises except where the intoxicated person has been refused service of further alcoholic liquor and continues to remain on the premises for the purpose of eating food, seeking medical attention, arranging transportation that does not involve driving himself or herself, or any other circumstances where requiring the person to vacate the premises immediately would be considered dangerous to that person or to the public.

(5) A licensee shall not allow a minor to consume alcoholic liquor or to possess alcoholic liquor for personal consumption on the licensed premises.

(6) A licensee shall not allow any person less than 18 years of age to sell or serve alcoholic liquor.

(7) A licensee shall not allow any person less than 18 years of age to work or entertain on a paid or voluntary basis on the licensed premises unless the person is employed in compliance with the youth employment standards act, 1978 PA 90, MCL 409.101 to 409.124. This subsection does not apply to an entertainer under the direct supervision and control of his or her parent or legal guardian.

Sec. 801. (1) Except as otherwise provided in this act, before the approval and granting, or renewal, of a license, the following licensees or applicants for that license shall make, execute, and deliver to the commission a bond executed by a surety company authorized to do business in the state or, in the discretion of the commission, by approved personal surety running to the people of the state, in the following amounts:

(a) A manufacturer of beer, a manufacturer of wine, a mixed spirit drink manufacturer, an outstate seller of beer, an outstate seller of mixed spirit drink, and an outstate seller of wine, a bond in an amount equal to 1/12 of the total beer, mixed spirit drink, or wine excise taxes paid to the state in the last calendar year or a bond in the sum of \$1,000.00, whichever is greater, for the faithful performance of the conditions of the license issued and for compliance with this act. A surety shall not cancel a bond issued under this subdivision except upon 30 days' written notice to the commission.

(b) A special license authorizing the sale of beer, mixed spirit drink, wine, or spirits for consumption on the premises, a bond in the sum of \$1,000.00. A bond issued under this subdivision shall remain in effect for 60 days after the expiration of the special license. A bond is not required for a church or school.

(2) A retail licensee shall not directly, individually, or by a clerk, agent, or servant sell, furnish, or give alcoholic liquor to a minor except as otherwise provided in this act. A retail licensee shall not directly or indirectly, individually or by a clerk, agent, or servant sell, furnish, or give alcoholic liquor to a person who is visibly intoxicated.

(3) Except as otherwise provided in this section, an individual who suffers damage or who is personally injured by a minor or visibly intoxicated person by reason of the unlawful selling, giving, or furnishing of alcoholic liquor to the minor or visibly intoxicated person, if the unlawful sale is proven to be a proximate cause of the damage, injury, or death, or the spouse, child, parent, or guardian of that individual, shall have a right of action in his or her name against the person who by selling, giving, or furnishing the alcoholic liquor has caused or contributed to the intoxication of the person or who has caused or contributed to the damage, injury, or death. In an action pursuant to this section, the plaintiff shall have the right to recover actual damages in a sum of not less than \$50.00 in each case in which the court or jury determines that intoxication was a proximate cause of the damage, injury, or death.

(4) An action under this section shall be instituted within 2 years after the injury or death. A plaintiff seeking damages under this section shall give written notice to all defendants within 120 days after entering an attorney-client relationship for the purpose of pursuing a claim under this section. Failure to give written notice within the time specified shall be grounds for dismissal of a claim as to any defendants that did not receive that notice unless sufficient information for determining that a retail licensee might be liable under this section was not known and could not reasonably have been known within the 120 days. In the event of the death of either party, the right of action under this section shall survive to or against his or her personal representative. In each action by a husband, wife, child, or parent, the general reputation of the relation of husband and wife or parent and child shall be prima facie evidence of the relation, and the amount recovered by either the husband, wife, parent, or child shall be his or her sole and separate property. The damages, together with the costs of the action, shall be recovered in an action under this section. If the parents of the individual who suffered damage or who was personally injured are entitled to damages under this section, the father and mother may sue separately, but recovery by 1 is a bar to action by the other.

(5) An action under this section against a retail licensee shall not be commenced unless the minor or the alleged intoxicated person is a named defendant in the action and is retained in the action until the litigation is concluded by trial or settlement.

(6) Any licensee subject to the provisions of subsection (3) regarding the unlawful selling, furnishing, or giving of alcoholic liquor to a visibly intoxicated person shall have the right to full indemnification from the alleged visibly intoxicated person for all damages awarded against the licensee.

(7) All defenses of the alleged visibly intoxicated person or the minor shall be available to the licensee. In an action alleging the unlawful sale of alcoholic liquor to a minor, proof that the defendant retail licensee or the defendant's agent or employee demanded and was shown a Michigan driver license or official state personal identification card, appearing to be genuine and showing that the minor was at least 21 years of age, shall be a defense to the action.

(8) There shall be a rebuttable presumption that a retail licensee, other than the retail licensee who last sold, gave, or furnished alcoholic liquor to the minor or the visibly intoxicated person, has not committed any act giving rise to a cause of action under subsection (3).

(9) The alleged visibly intoxicated person shall not have a cause of action pursuant to this section and a person shall not have a cause of action pursuant to this section for the loss of financial support, services, gifts, parental training, guidance, love, society, or companionship of the alleged visibly intoxicated person.

(10) This section provides the exclusive remedy for money damages against a licensee arising out of the selling, giving, or furnishing of alcoholic liquor to a minor or intoxicated person.

(11) Except as otherwise provided for under this section and section 815, a civil action under subsection (3) against a retail licensee shall be subject to the revised judicature act of 1961, 1961 PA 236, MCL 600.101 to 600.9947.

Sec. 901. (1) A person, directly or indirectly, himself or herself or by his or her clerk, agent, or employee, shall not manufacture, manufacture for sale, sell, offer or keep for sale, barter, furnish, import, import for sale, transport for hire, transport, or possess any alcoholic liquor unless the person complies with this act.

(2) A licensee shall not allow unlawful gambling on the licensed premises and shall not allow on the licensed premises any gaming devices prohibited by law.

(3) A licensee shall not sell, offer or keep for sale, furnish, possess, or allow a customer to consume alcoholic liquor that is not authorized by the license issued to the licensee by the commission.

(4) A licensee shall not sell or furnish alcoholic liquor to a person who maintains, operates, or leases premises that are not licensed by the commission and upon which other persons unlawfully engage in the sale or consumption of alcoholic liquor for consideration as prohibited by section 913.

(5) A retail licensee shall not, on his or her licensed premises, sell, offer for sale, accept, furnish, possess, or allow the consumption of alcoholic liquor that has not been purchased by the retail licensee from the commission or from a licensee of the commission authorized to sell that alcoholic liquor to a retail licensee. This subsection does not apply to the consumption of alcoholic liquor in the bedrooms or suites of registered guests of licensed hotels or in the bedrooms or suites of bona fide members of licensed clubs.

Sec. 906. (1) As used in this section:

This subsection does not apply to special licenses except that the commission may require server training for certain special licensees based upon the size and nature of the licensed event. The commission may adopt the existing standards and programmatic framework of private entities and may delegate nondiscretionary administrative functions to outside private entities.

(3) The commission shall establish a program in which the commission designates certain retail licensees, except special licenses, as responsible vendors. The commission may adopt the existing standards and programmatic framework of private entities and may delegate nondiscretionary administrative functions to outside private entities.

(4) The commission shall designate as a responsible vendor a retail licensee who makes available to all full-time and part-time retail employees, within 60 days after being hired, a server training program and who is also free of convictions or administrative determinations involving prohibited sales for not less than 12 months before applying for the designation. The designation continues until suspended by the commission.

(5) A person may apply to the commission for qualification as an administrator for the offering of server training programs and instructor certification classes.

(6) The commission shall approve a curriculum for a server training program presented by a certified instructor in a manner considered by the commission to be adequate that includes, but is not limited to, all of the following topics:

(7) The commission shall issue an instructor certification to an individual presenting evidence acceptable to the commission of having successfully completed instructor certification classes and shall issue an identification card indicating that certification by the commission.

(8) Upon approval by the commission of a server training program, the commission shall appoint the person sponsoring the server training program as an administrator of that program. The administrator shall provide a certification to the commission that a retail licensee has successfully completed the server training program offered by a certified instructor and approved by the commission and shall recommend that the commission designate the licensee as a responsible vendor.

(9) A certified instructor who is a licensee or an employee of a licensee may offer server training programs approved by the commission to the employees of the licensee and certify to the commission those persons who successfully completed the program.

(10) An on premises licensee whose license was issued or who was the transferee of more than a 50% interest in an on premises license on or after the commencement of the mandatory server training program or an on premises licensee determined by the commission to be in need of training due to the frequency or types of violations of this act involving the serving of alcoholic liquor must have employed or present on the licensed premises, at a minimum, supervisory personnel who have successfully completed a server training program on each shift and during all hours in which alcoholic liquor is served. An on premises licensee must keep a copy of the responsible vendor designation or proof of completion of server training on the licensed premises to facilitate the verification of such designation by the commission, agent of the commission, or law enforcement officer. An on premises licensee determined by the commission to have violated this subsection is subject to revocation, suspension, or other sanction as provided for in section 903. A violation of this subsection is not a violation of section 909.

(11) As a condition of the designation of a licensee as a responsible vendor, the licensee shall make available to the administrator in not less than 60-day time increments records sufficient to verify the names and social security numbers of his or her employees. The administrator shall provide to the commission a list of names and social security numbers of individuals who have successfully completed the server training program and shall monitor the licensee in a manner approved by the commission in order to verify continued compliance of the licensee's status as a responsible vendor. The administrator shall notify the commission in writing as soon as it determines that the licensee has failed to maintain the standards for server training or has failed to cooperate with the administrator's verification procedure. Upon receipt of such a notice from the administrator, the commission shall suspend the licensee's designation as a responsible vendor.

(12) The commission may suspend the designation of a retail licensee as a responsible vendor upon a conviction or administrative determination of a prohibited sale on the licensee's licensed premises. The retail licensee losing such a designation may reapply for designation as a responsible vendor upon the passage of 12 months from the date of the conviction or administrative determination of a prohibited sale if the licensee is not convicted or administratively determined to have engaged in a prohibited sale on the licensed premises. After the first instance of a retail licensee losing its designation as a responsible vendor, that retail licensee is not eligible to reapply for such a designation until an additional 3 months for each subsequent conviction or determination. The 3-month time periods are to be in addition to the 12-month period described in this subsection.

(3) A vendor shall not sell an alcoholic liquor to a person in an intoxicated condition.

(4) Evidence of any breathalyzer or blood alcohol test results obtained in a licensed establishment, or on property adjacent to the licensed premises and under the control or ownership of the licensee, shall not be admissible to prove a violation of this section, section 707(1), (2), (3), or (4), or section 801(2). To establish a violation of this section, section 707(1), (2), (3), or (4), or section 801(2), the person's intoxicated condition at the time of the sale or consumption of alcohol must be proven by direct observation by law enforcement or commission enforcement personnel or through other admissible witness statements or corroborating evidence obtained as part of the standard investigation other than breathalyzer or blood alcohol test results.
