Under the supervision of a mental health professional, a prisoner with serious mental illness may be secluded in a therapeutic environment for the safety of the prisoner or others. A prisoner in seclusion shall be evaluated every 12 hours by a mental health professional in order to remain in seclusion. As used in this section:

(a) "Administrative segregation" means confinement for maintenance of order or discipline to a cell or room apart from accommodations provided for inmates who are participating in programs of the facility.

(b) "Serious mental illness" means that term as defined in section 100d(3) of the mental health code, 1974 PA 328, MCL 330.1100d.

Sec. 925. By March 1, 2009, the department shall report to the senate and house appropriations subcommittees on corrections, the senate and house fiscal agencies, and the state budget director on the number of prisoners in administrative segregation between October 1, 2003 and September 30, 2008, and the number of prisoners in administrative segregation between October 1, 2003 and September 30, 2008 who at any time during the current or prior prison term were diagnosed with serious mental illness or have a developmental disorder and the number of days each of the prisoners with serious mental illness or a developmental disorder have been confined to administrative segregation. As used in this section:

(a) "Administrative segregation" means confinement for maintenance of order or discipline to a cell or room apart from accommodations provided for inmates who are participating in programs of the facility.

(b) "Serious mental illness" means that term as defined in section 100d(3) of the mental health code, 1974 PA 328, MCL 330.1100d.

Sec. 926. (1) Except as otherwise provided by this section, the department shall impose a 10% surcharge on all items purchased by prisoners in state facilities. The 10% surcharge shall be separate from and in addition to any other surcharge or mark-up imposed on goods purchased by prisoners before the effective date of this section; the department may continue to mark up items as necessary to meet costs, fulfill the assumptions of part 1 regarding resident store revenue, and support prisoner benefit funds at the same level that existed prior to the effective date of this section.

(2) The following items shall be exempt from the 10% surcharge imposed under subsection (1):

- (a) Mandatory health care products.
- (b) Over-the-counter personal care products.
- (c) Hygiene products.
- (d) Stationery.
- (e) Cosmetics.

(3) If the department enters into a contract or an interagency agreement for prison store operations, the department shall ensure that the contract or interagency agreement provides for prison store revenues sufficient to make available the amount of additional revenue that otherwise would have been generated under subsections (1) and (2).

(4) The department shall remit the total of the revenues generated or made available under this section quarterly to the state treasurer for deposit in the trooper recruit school fund created under section 819b of the Michigan vehicle code, 1949 PA 300, MCL 257.819. Funds generated under this section and designated for the trooper recruit school fund may be appropriated only for training new state police trooper recruits and may not be appropriated for any other purpose.

(5) The department shall increase the maximum amount, if any, of money or scrip that prisoners are allowed to spend, in accordance with this section.

(6) It is the intent of the legislature that the surcharge prescribed by this section be in effect for fiscal year 2008-2009 only, and that no such surcharge be imposed in succeeding fiscal years.

Sec. 927. It is the intent of the legislature that the department of corrections and the department of human services examine the potential of entering into an intergovernmental agreement to place up to 140 offenders less than 19 years of age who are committed to the department of corrections in the west wing of the Woodland center and in the Sequoyah center on the campus of the W.J. Maxey training school. The facilities shall be used to house offenders less than 19 years of age who are currently committed to the department of corrections.
