ENROLLED HOUSE BILL No. 6222

AN ACT to amend 1974 PA 198, entitled "An act to provide for the establishment of plant rehabilitation districts and industrial development districts in local governmental units; to provide for the exemption from certain taxes; to levy and collect a specific tax upon the owners of certain facilities; to impose and provide for the disposition of an administrative fee; to provide for the disposition of the tax; to provide for the obtaining and transferring of an exemption certificate and to prescribe the contents of those certificates; to prescribe the powers and duties of the state tax commission and certain officers of local governmental units; and to provide penalties," by amending section 16a (MCL 207.566a), as added by 1996 PA 94.

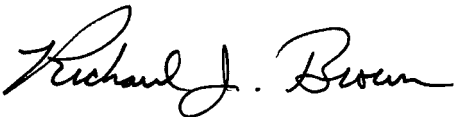

The People of the State of Michigan enact:

Sec. 16a. If an industrial facilities exemption certificate for a replacement facility, a new facility, or a speculative building becomes effective after December 31, 1995, for a period shorter than the maximum period permitted under section 16, then both of the following apply:

(a) The owner or lessee of the replacement facility, new facility, or speculative building may, within the final year in which the certificate is effective, within 12 months after the certificate expires, or, as permitted by the local governmental unit, at any other time in which the certificate is in effect apply for another certificate under this act. If the legislative body of a local governmental unit disapproves an application submitted under this subdivision, then the applicant has no right of appeal of that decision as described in section 6.

(b) The legislative body of a local governmental unit shall not approve applications for certificates the sum of whose periods exceeds the maximum permitted under section 16 for the user or lessee of a replacement facility, new facility, or speculative building.

This act is ordered to take immediate effect.
