The People of the State of Michigan enact:

Sec. 623a. (1) An intermediate school board shall adopt written policies governing the procurement of supplies, materials, and equipment.

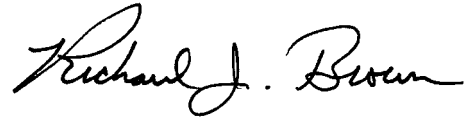

(2) Except as otherwise provided in subsection (3) or (4), an intermediate school district shall not purchase an item or a group of items purchased in a single transaction costing \$20,959.00 or more unless competitive bids are obtained for those items and the purchase of those items is approved by the intermediate school board. The maximum amount specified in this subsection shall be adjusted each year by multiplying the amount for the immediately preceding year by the percentage by which the average consumer price index for all items for the 12 months ending August 31 of the year in which the adjustment is made differs from that index's average for the 12 months ending on August 31 of the immediately preceding year and adding that product to the maximum amount that applied in the immediately preceding year, rounding to the nearest whole dollar.

(3) An intermediate school district is not required to obtain competitive bids for items purchased through the cooperative bulk purchasing program operated by the department of management and budget under section 263(3) of the management and budget act, 1984 PA 431, MCL 18.1263.

(4) An intermediate school district is not required to obtain competitive bids for purchasing food unless the food is purchased in a single transaction costing \$100,000.00 or more.

(5) The intermediate school board of an intermediate school district may acquire by purchase, lease, or rental, with or without option to purchase, equipment necessary for the operation of intermediate school district programs, including, but not limited to, heating, water heating, and cooking equipment for school buildings, and may pay for the equipment from operating funds of the intermediate school district. Heating and cooking equipment may be purchased on a title retaining contract or other form of agreement creating a security interest and pledging in payment money in the general fund or funds received from state school aid. The contracts may extend for not more than 10 years.

This act is ordered to take immediate effect.
