Overview

The Higher Education budget contains funding for operational support of the state's 15 public universities, various financial aid programs for students attending public and independent colleges and universities in the state, and several other higher education-related programs. Appropriations for the 15 public universities are separated into two separate subparts: Research Universities (Michigan State, UM-Ann Arbor, and Wayne State) and State Universities (remaining 12 universities).

Executive replaces \$40.5 million in funding available for FY 2009-10 only from the State Fiscal Stabilization Fund (SFSF) under the American Recovery and Reinvestment Act (ARRA) with an equal amount of GF/GP funding, holding each university's Gross appropriation flat from FY 2009-10. Senate concurs with baseline adjustment but applies 3.1% reduction to each of the 15 university operations line items for a total Gross reduction of \$45.8 million. House Committee concurs with Executive.	ARRA 40,483,100	(40,483,100)
	GF/GP \$1,420,699,500	\$40,483,100
2. Agricultural Experiment Station	Gross \$34,198,900	\$0
Executive replaces \$16.1 million in funding available for FY 2009-10 only from the SFSF under ARRA with an equal amount of GF/GP funding, holding Gross appropriation flat from FY 2009-10. Senate concurs with baseline adjustment but applies 3.1% reduction (\$1.1 million) to line item from Gross FY 2009-10 level. House Committee concurs with Executive.	ARRA 16,082,900	(16,082,900)

Executive replaces \$11.7 million in funding available for FY 2009-10 only from the SFSF under ARRA with an equal amount of GF/GP funding, holding Gross appropriation flat from FY 2009-10. Senate concurs with baseline adjustment but applies 3.1% reduction (\$924,800) to line item from Gross FY 2009-10 level. House Committee concurs with Executive.	ARRA 11,672,000	(11,672,000)
	GF/GP \$17,825,000	\$11,672,000

Major Budget Changes From FY 2009-10 YTD Appropriations		FY 2009-10 YTD (as of 2/11/10)	House Change From YTD	
4. State Competitive Scholarship Program		Gross	\$17,608,500	\$6,991,500
<u>Executive</u> removes \$1.4 million in federal funds no longer available for the program due to overall reductions in need-based state financial aid funding.		Federal	2,900,000	(1,400,000)
<u>Senate</u> concurs. <u>House Committee</u> concurs with removal of federal funds and adds \$8.4 million GF/GP to fund an increase in maximum scholarship award from FY 2009-10 level of \$510 to an estimated \$800 (HFA estimate).		GF/GP	\$14,708,500	\$8,391,500
5. Tuition Grant Program		Gross	\$31,664,700	\$100
<u>Executive</u> eliminates \$31.7 million GF/GP appropriation for Tuition Grant Program, a need-based program for students attending independent colleges and universities. <u>Senate</u> maintains funding at current-year level. <u>House Committee</u> maintains current-year funding but adds \$100 point of difference. Assuming proposed increase in State Competitive Scholarship maximum award to \$800, HFA estimates that the Tuition Grant appropriation of \$31.7 million would allow Tuition Grant maximum award to be maintained at FY 2009-10 level of \$1,610 (cap of \$3.0 million per institution under current-year boilerplate provisions is maintained).		GF/GP	\$31,664,700	\$100
6. Merit Award Program		Gross	\$100	(\$100)
<u>Executive</u> removes \$100 placeholder included in FY 2009-10 budget for any remaining costs of program, which ended with students graduating from high school in 2006. <u>Senate</u> and <u>House Committee</u> concur.		Restricted	100	(100)
7. Tuition Incentive Program		Gross	\$31,200,000	\$6,200,000
<u>Executive</u> assumes projected cost increase of \$6.2 million due to continued increase in number of Medicaid-eligible students graduating from high school and enrolling in associate's degree programs. Proposed policy changes to (1) limit reimbursed costs for associate's degree students at public universities to average community college tuition rate and (2) eliminate second phase of program (up to \$2,000 toward bachelor's degree) would save an estimated \$7.3 million. Proposed net reduction in program funding is \$1.1 million; remaining \$30.1 million funded from Merit Award Trust Fund. <u>Senate</u> includes \$7.3 million in assumed Temporary Assistance to Needy Families (TANF) funding above Executive funding level to fund projected program costs under current provisions. <u>House Committee</u> includes \$7.3 million to fund projected costs under current provisions, funded from GF/GP revenue.		Restricted	30,100,000	0
		GF/GP	\$1,100,000	\$6,200,000
8. Children of Veterans and Officer's Survivor Tuition Program		Gross	\$1,000,000	\$200,000
<u>Executive</u> includes increase of \$200,000 GF/GP for (1) transfer of Officer's Survivor Tuition Program funding from State Police budget (\$48,500 in FY 2009-10) and (2) anticipated increase in costs for Children of Veterans Tuition Grant Program. A portion of this line item (\$300,000) is funded from income tax check-off contributions. <u>Senate</u> and <u>House Committee</u> concur.		Restricted	300,000	0
		GF/GP	\$700,000	\$200,000
9. Other Higher Education Programs		Gross	\$5,891,500	\$0
Appropriations for remaining programs in the Higher Education budget are all maintained at current FY 2009-10 levels by <u>Executive</u> , <u>Senate</u> , and <u>House Committee</u> : King-Chavez-Parks grant programs, Higher Education Database (HEIDI), Midwestern Higher Education Compact dues, Robert C. Byrd Honors Scholarship Program, and Project GEAR UP.		Federal	3,000,000	0
		GF/GP	\$2,891,500	\$0
