House Bill 4203

Sponsor: Rep. Gary McDowell

Committee: Military and Veterans Affairs

Complete to 5-11-09

A SUMMARY OF HOUSE BILL 4203 AS INTRODUCED 2-5-09

The bill would amend the Natural Resources and Environmental Protection Act:

- To make disabled veterans or a residents who were prisoners of war eligible to purchase any resident hunting or fishing license under the act for \$1. The department could demand proof of eligibility from the licensee when hunting or fishing and the licensee would need to furnish that proof upon request of a peace officer. (Currently, disabled veterans can purchase senior hunting licenses and fishing licenses.)
- To require the department to waive state park entry and camping fees and state forest camping fees for disabled veterans and prisoners of war.

MCL 324.43537 et al

FISCAL IMPACT:

This bill would have an indeterminate negative fiscal impact on the Game and Fish Protection Fund and the State Park Improvement Fund. Actual revenue losses created through this bill would depend on the number of prisoners of war and disabled veterans purchasing hunting licenses or visiting state parks. Potentially there would be some loss of camping revenue if any of the 66,000 disabled veterans asked for reduced camping fees. If 20 percent chose to take advantage of this reduced fee, the Park Improvement Fund could see a loss of about \$100,000 per year in lost day use and camping fee revenue. There are no current estimates of the number of prisoner of war survivors living in Michigan. There would be no fiscal impact on local governmental units.
