#### Overview

The FY 2008-09 Higher Education budget act contains four articles:

- Article 1 contains a total summary unit for the bill.
- Article 2 covers Research Universities (Michigan State, University of Michigan-Ann Arbor, Wayne State).
- Article 3 covers State Universities (the remaining 12 public universities).
- Article 4 covers State and Regional Programs, the King-Chavez-Parks Program, and Financial Aid.

The FY 2009-10 Executive Recommendation utilizes subparts, rather than articles, to group line items into each category above. The House and Senate concur with the Executive Recommendation regarding this format.

#### Major Budget Changes From FY 2008-09 YTD Appropriations

##### 1. University Operations

Exec Rec reduces operations appropriations to 15 public universities by 3.0% across the board (total reduction of \$43.9 million GF/GP) and removes \$2.6 million in funding built into university appropriations for King-Chavez-Parks (KCP) Programs. Total reduction of \$46.6 million GF/GP.

House concurs with 3.0% reduction (\$44.0 million), but not with KCP reductions. Replaces reduced GF/GP funding with funding from Education portion of State Fiscal Stabilization Fund (SFSF) under federal American Recovery and Reinvestment Act (ARRA). Adds \$3.1 million to university line items for Indian Tuition Waiver costs, funded from General Government Services portion of SFSF.

Senate concurs with both sets of GF/GP reductions under Exec Rec. Partially offsets \$46.6 million in GF/GP reductions with \$40.5 million in SFSF funding, consistent with state's application to U.S. Department of Education. Net reduction of \$6.1 million—equating to a 0.4% net reduction to each university's operations line item. (Note: SFSF funding will be available for FY 2009-10 only.)

Other University Operations adjustments:

- Exec Rec removes \$100,000 GF/GP for allocation from Lake Superior State University's appropriation for Indian Tuition Waiver costs at Bay Mills College. House and Senate effectively retain funding.
- House adds \$29,700 GF/GP for similar allocation from Central Michigan University's appropriation for Indian Tuition Waiver costs at Saginaw Chippewa Tribal College. Senate concurs.

**2. Agricultural Experiment Station and Cooperative Extension Service**  
Exec Rec consolidates two line items totaling \$64.0 million into a single appropriation of \$32.0 million to Michigan State University for Cooperative State Agricultural Research and Extension Service; net reduction of \$32.0 million GF/GP.

<b>Gross</b>	<b>\$63,951,700</b>	<b>(\$255,800)</b>
Federal	0	27,754,900
GF/GP	\$63,951,700	(\$28,010,700)

House retains total current-year funding amounts in separate line items, but replaces 3.0% of GF/GP funding for line items (\$1.9 million) with funding from Education portion of SFSF. House also adds \$3.5 million GF/GP (\$2.35 million for Ag. Experiment Station; \$1.15 million for Cooperative Extension) for bioeconomy research and development at Michigan State.

Senate concurs with GF/GP reduction under Exec Rec, but (1) retains separate line items, (2) partially offsets the GF/GP reduction with \$27.8 million from Education portion of SFSF (consistent with state's application to U.S. Department of Education), and (3) adds \$3.9 million GF/GP to equalize net reduction for line items with net reductions to university operations line items at 0.4%. Net reduction to line items of \$255,800. (Note: SFSF funding will be available for FY 2009-10 only.)

**3. King-Chavez-Parks Grants**

Exec Rec removes funding of \$2.7 million GF/GP for KCP competitive grant programs, which are intended to increase participation of academically/economically-disadvantaged students in postsecondary education. House retains total funding amount, but replaces 3.0% of GF/GP funding with funding from General Government Services portion of SFSF under ARRA. Senate retains total funding amount, but removes all GF/GP funding and replaces with appropriation of federal GEAR-UP funds (see below for corresponding adjustment).

<b>Gross</b>	<b>\$2,691,500</b>	<b>\$0</b>
Federal	0	2,691,500
GF/GP	\$2,691,500	(\$2,691,500)

**4. State and Regional Programs**

Senate eliminates GF/GP funding for maintenance of state's higher education database (HEIDI; \$200,000) and state's annual dues payment to Midwestern Higher Education Compact (\$95,000).

<b>Gross</b>	<b>\$295,000</b>	<b>(\$295,000)</b>
GF/GP	\$295,000	(\$295,000)

**NOTE:** Exec Rec consolidates current funding of \$108.5 million for State Competitive Scholarship, Tuition Grant, Michigan Work Study, Part-Time Independent Student, Michigan Education Opportunity Grant, and Nursing Scholarship programs (items 5-10 below) into single appropriation of \$89.8 million for proposed College Access Grant Program; net reduction of \$18.8 million. New program would provide annual grant awards of approximately \$1,000 to students across all postsecondary sectors based on level of student/family financial resources. House and Senate do not concur with proposal and instead maintain/reduce/eliminate line items for those programs, as shown below.

**5. State Competitive Scholarship Program**

House replaces 3.0% of GF/GP funding (\$1.0 million) for need/merit-based scholarship awards with funding from General Government Services portion of SFSF. Senate reduces line item by \$19.2 million (54.1%).

<b>Gross</b>	<b>\$35,530,500</b>	<b>(\$19,230,500)</b>
Federal	2,900,000	0
GF/GP	\$32,630,500	(\$19,230,500)

**6. Tuition Grant Program**

House replaces 3.0% of GF/GP funding (\$1.7 million) for need-based awards to students attending independent institutions with funding from General Government Services portion of SFSF. Senate reduces line item by \$25.0 million (44.1%); proposed boilerplate changes would (1) eliminate graduate student eligibility and (2) limit total awards at any college/university to \$3.0 million.

<b>Gross</b>	<b>\$56,668,100</b>	<b>(\$25,003,400)</b>
GF/GP	56,668,100	(\$25,003,400)
