**House Bill 4657 (Substitute H-1)**  
**Sponsor: Rep. Jim Stamas**  
**Committee: Energy and Technology**

**Complete to 3-31-09**

## **A SUMMARY OF HOUSE BILL 4657 AS REPORTED FROM COMMITTEE 3-26-09**

House Bill 4657 would require the Public Service Commission to file a report with the Legislature within two years of the bill's effective date and every two years thereafter presenting recommendations concerning (1) the elimination of barriers to assisting senior citizen customers (those aged 65 or older) or other customers who may be eligible for federal and state energy assistance programs, and (2) shut-off procedures. The PSC would have to work with the Departments of Human Services and Community Health, providers, and social services agencies to identify barriers to assisting these customers.

[In this section, "providers" means (1) electric utilities; (2) municipally-owned electric or natural gas utilities; (3) cooperative electric utilities; (4) alternative energy suppliers; and (5) investor-owned natural gas utilities with regulated rates.]
