A SUMMARY OF HOUSE BILL 4715 AS INTRODUCED 3-26-09

The bill would amend the McCauley-Traxler-Law-Bowman-McNeely Lottery Act to allow, in addition to other authorized investments, the state treasurer to invest all or part of the money in the State Lottery Fund in state-issued obligations. This would only apply to state-issued obligations determined by the treasurer to be full faith and credit obligations of the state and which provide a rate of return at the time of investment that is not less than the rate of return at the time of investment on U.S. Treasury bonds of comparable maturity.
