FY 2009-10 Year-to-Date Gross Appropriation	\$710,829,900
---	---------------

Changes from FY 2009-10 Year-to-Date:

Items Included by the Senate and House

- | | |
|--|-------------|
| 1. Various Environmental Permitting Program Reductions. The Governor, Senate, and House reduced funding to several permit programs including the: Water Withdrawal, Groundwater Discharge, Part 41 Wastewater Facility Construction, Soil Erosion and Sedimentation Control programs, and the PPG Match programs. These reductions could adversely affect permit turn-around times. | (1,299,400) |
| 2. Wildlife Division. The Governor, House, and Senate reduced this program. The number of deer check stations throughout the State was reduced from 91 in 2008 to 48 in 2009, and would be reduced again to realize these GF/GP savings. | (140,700) |
| 3. Michigan Historical Program. The Governor, House, and Senate reduced this program. Part of this GF/GP reduction will be made up with the implementation of admission fees to the Michigan Historical Museum. | (380,400) |
| 4. Mackinac Island Park Operations. The Governor, House, and Senate reduced funding for this program. Maintenance of facilities would be reduced to realize these savings. | (118,400) |
| 5. Other Changes. Other changes agreed to by the House and Senate include the removal of boilerplate appropriations, technical adjustments for one-time supplemental appropriations, consolidation savings, and new Capital Outlay projects. | (6,520,400) |

Conference Agreement on Items of Difference

|--|------------|
| 6. Forest Recreation. The Governor and Senate reduced this program. Savings would be realized by keeping 12 forest campgrounds closed, with other closings possible. The House restored some funding to this program. The Conference retained the Senate's reduction, but added a boilerplate section (see boilerplate item 13). | (323,900) |
| 7. Economic Adjustments. The Governor included \$15,058,400 in economic adjustments. This figure included a 3.0% pay increase for represented State employees. The Senate removed the increase for all employees. The House removed only the GF/GP portion of the NERE employees' increases. The Conference used the Governor's figure. | 15,058,400 |
| 8. Aquifer Protection and Dispute Resolution. The Senate included a \$100 placeholder for this program. The Conference did not include funding, but did include boilerplate for this issue. | 0 |
| 9. Aquatic Nuisance Control Program. The House included funding and 1.0 additional FTE for this program. The Conference increased this funding and included the FTE. | 100,000 |
| 10. Cormorant Population Control. The House transferred \$50,000 in Game and Fish Fund dollars from the Fisheries Management program to be used for control activities related to the State's cormorant population. The Conference retained this item. | 0 |
| 11. Other Changes. The Conference included \$590,600 overall GF/GP reductions to several line items, as well as fund shifts to match appropriations to available funds, and \$2.0 million for upgrades to retail point-of-sale systems for the sale of hunting and fishing licenses. | 1,763,300 |
