House Bill 4726 (as passed by the House)  
Sponsor: Representative Roy Schmidt  
House Committee: Transportation  
Senate Committee: Local, Urban and State Affairs

Date Completed: 6-1-10

### **CONTENT**

**The bill would amend the Michigan Vehicle Code to reduce the number of parking citations for which a person's failure to appear precludes issuance or renewal of a driver license.**

Under the Code, a court must notify a person who has failed to answer six or more parking violation notices or citations regarding illegal parking that if he or she does not appear within 10 days, the court will inform the Secretary of State (SOS) of his or her failure to appear. Upon being informed, the SOS may not issue a license to or renew a license for the person until the court informs the SOS that he or she has resolved all outstanding matters regarding the notices or citations and the person has paid to the court a \$45 driver license clearance fee.

Under the bill, these provisions would apply to a person who failed to answer three or more notices or citations for illegal parking.
