The itemized statement below identifies appropriations from which spending to local units of government will occur:

Operations.....	\$	292,557,800
At-risk student success program.....		3,322,700
Renaissance zone tax reimbursement program.....		<u>3,480,000</u>
TOTAL.....	\$	299,360,500

Sec. 202. The appropriations authorized under this act are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Sec. 203. Unless otherwise specified, a community college receiving appropriations in part 1 and the department of energy, labor, and economic growth shall use the Internet to fulfill the reporting requirements of this act. This requirement may include transmission of reports via electronic mail to the recipients identified for each reporting requirement or it may include placement of reports on an Internet or Intranet site.

Sec. 209. Funds appropriated in part 1 shall not be used for

1 the purchase of foreign goods or services, or both, if  
2 competitively priced and of comparable quality American goods or  
3 services, or both, are available. Preference should be given to  
4 goods or services, or both, manufactured or provided by Michigan  
5 businesses, if they are competitively priced and of comparable  
6 quality. In addition, preference should be given to goods or  
7 services, or both, that are manufactured or provided by Michigan  
8 businesses owned and operated by veterans, if they are  
9 competitively priced and of comparable quality.

10 Sec. 210. The principal executive officer of each community  
11 college receiving appropriations in part 1 shall take all  
12 reasonable steps to ensure businesses in deprived and depressed  
13 communities compete for and perform contracts to provide services  
14 or supplies, or both. Each principal executive officer shall  
15 strongly encourage firms with which the community college contracts  
16 to subcontract with certified businesses in depressed and deprived  
17 communities for services or supplies, or both.

18 Sec. 211. (1) The money appropriated in this act is  
19 appropriated for community colleges with fiscal years ending June  
20 30, 2010 and shall be paid out of the state treasury and  
21 distributed by the state treasurer to the respective community  
22 colleges in 11 monthly installments on the sixteenth of each month,  
23 or the next succeeding business day, beginning with October 16,  
24 2009. Each community college shall accrue its July and August 2010  
25 payments to its institutional fiscal year ending June 30, 2010.  
26 However, if a community college fails to submit all verified  
27 Michigan community colleges activities classification structure

1 data for school year 2008-2009 to the department of energy, labor,  
2 and economic growth by November 1, 2009, the monthly installments  
3 shall be withheld from that community college until those data are  
4 submitted. The amount from the money appropriated in part 1 that is  
5 allocated to address the special needs of at-risk students shall be  
6 paid in full by the state treasurer by November 1, 2009. The amount  
7 distributed to a community college or department shall not exceed  
8 the net state allocation authorized by this act.

9 (2) Except as otherwise provided by law, each of the amounts  
10 appropriated shall be used solely for the respective purposes  
11 stated in this act. The money appropriated in this act may be used  
12 to match the cost of any available programs under the Carl D.  
13 Perkins vocational and applied technology education act of 1998, 20  
14 USC 2301 to 2414, including local administration.

15 Sec. 216. (1) A community college shall pay the employer's  
16 contributions to the Michigan public school employees' retirement  
17 system created by the public school employees retirement act of  
18 1979, 1980 PA 300, MCL 38.1301 to 38.1408, as a condition of  
19 receiving money appropriated under this act.

20 (2) A community college shall not pay an employer's  
21 contribution to more than 1 retirement fund providing benefits for  
22 an employee.

23 Sec. 217. Money appropriated in part 1 shall not be used to  
24 pay for the construction or maintenance of a self-liquidating  
25 project. A community college shall comply with the current use and  
26 finance requirements of the joint capital outlay subcommittee  
27 (JCOS) for any construction, renovation, or other capital outlay

1 projects pursuant to JCOS policy.

2       Sec. 224. (1) Recognizing the critical importance of education  
3 in strengthening Michigan's workforce, the legislature encourages  
4 the state's public community colleges to explore ways of increasing  
5 collaboration and cooperation with 4-year universities,  
6 particularly in the areas related to training, instruction, and  
7 program articulation.

8       (2) Recognizing the central role of community colleges in  
9 responding to local employment needs and challenges, community  
10 colleges shall develop and continue efforts to collaborate with  
11 local employers and students to identify local employment needs and  
12 strategies to meet them.

13       (3) Community colleges are encouraged to collaborate with each  
14 other on innovations to identify and meet local employment needs.

15       (4) Community colleges are encouraged to organize and  
16 participate in a legislative summit on a strategy for meeting the  
17 employment needs of the entire state. The community colleges shall  
18 report the results of the summit to the senate and house  
19 appropriations subcommittees on community colleges.

20       Sec. 234. Community colleges shall do the following:

21       (a) Undertake active measures to promote equal opportunities,  
22 eliminate discrimination, and foster a diverse student body and  
23 administration among all people including, but not limited to,  
24 women, minorities, seniors, veterans, and people with disabilities.

25       (b) Review, analyze, and eradicate activities that may tend to  
26 discriminate.

27       Sec. 241. (1) It is the intent of the legislature that

1 community colleges expand their current nursing education programs  
2 and increase nursing education program enrollments. This expansion  
3 may include, but is not limited to, creating partnerships with  
4 hospitals and other health care providers, encouraging programs  
5 that assist in placing students at all levels of nursing,  
6 recruiting and hiring a larger number of individuals with masters  
7 degrees in nursing as instructors, expanding the focus and  
8 utilization of the nursing scholarship program, and redirecting  
9 existing institutional resources toward nursing education programs.

10 (2) Community college nursing programs are part of a  
11 comprehensive solution to Michigan's nursing shortage. Community  
12 college students are eligible to apply for financial assistance  
13 through the Michigan nursing scholarship program established in the  
14 Michigan nursing scholarship act, 2002 PA 591, MCL 390.1181 to  
15 390.1189. The Michigan nursing corps grants described in section  
16 431 of 2007 PA 118 and administered by the department of energy,  
17 labor, and economic growth provide funding to address the shortage  
18 of qualified nursing faculty. Community colleges are encouraged to  
19 coordinate with the chief nurse executive in the department of  
20 community health and with 4-year universities to improve access to  
21 nursing programs and to assist students to successfully enter the  
22 nursing workforce.

23 Sec. 242. It is the intent of the legislature that the  
24 Michigan community college association, the legislature, and other  
25 interested parties continue the discussion regarding payments in  
26 lieu of taxes, especially for those community college districts  
27 that contain significant portions of nontaxable land.

1       Sec. 247. Funds appropriated in part 1 shall not be used to  
2 enter into a lease for, or to purchase, a vehicle assembled or  
3 manufactured outside of the United States if competitively priced  
4 and comparable quality vehicles made in the state of Michigan or  
5 elsewhere in the United States of America are available.

6       Sec. 248. It is the intent of the legislature to acknowledge  
7 the community colleges' success at providing an affordable quality  
8 education during these tough economic times and to encourage each  
9 community college to continue to make every effort possible not to  
10 raise in-district tuition and fees charged to Michigan residents in  
11 the 2009-2010 academic year by more than the annual average  
12 percentage increase in the United States consumer price index in  
13 the immediately preceding academic year, plus 0.5%.

14       Sec. 249. It is the intent of the legislature to encourage  
15 community college districts to evaluate and pursue efficiency and  
16 cost-containment measures that maximize state funding. Community  
17 colleges shall identify practices that increase efficiencies,  
18 including, but not limited to, establishing joint ventures,  
19 consolidating services, utilizing program collaborations,  
20 maximizing educational benefits through optimal class sizes and  
21 frequency of course offerings, increasing web-based instruction,  
22 eliminating low-enrollment and high-cost instructional programs,  
23 using self-insurance, practicing energy conservation, and utilizing  
24 group purchasing. Efficiency efforts shall also include reviewing  
25 proposed capital outlay projects to increase coordination and  
26 utilization of new facilities, renovation projects, and technology  
27 improvements. The Michigan community college association shall

1 prepare a written report detailing these efficiency practices and  
2 submit the report to the house and senate appropriation  
3 subcommittees on community colleges and the house and senate fiscal  
4 agencies no later than December 1, 2009.

5 **STATE AID - OPERATIONS**

6 Sec. 301. Unless otherwise stated, all data items used in  
7 determining state aid in this act are as defined in the 2001 Manual  
8 for Uniform Financial Reporting, Michigan Public Community  
9 Colleges, which shall be the basis for reporting data, and the  
10 Activities Classification Structure Manual for Michigan Community  
11 Colleges, as amended, which shall be used to document financial  
12 needs of the community colleges.

13 Sec. 302. A community college shall not include in the  
14 enrollment data reported for determining state aid under this act  
15 any student credit hours or student contact hours for a student  
16 incarcerated in a Michigan penal institution. Exclusion of these  
17 students is intended to avoid the payment of state aid under this  
18 act for the same individuals for whom reimbursement is provided by  
19 the state correctional system.

20 Sec. 304. It is the intent of the legislature that the  
21 recommendations and performance measures developed by the  
22 performance indicators task force formed pursuant to section 242 of  
23 2005 PA 154 be reviewed and more fully implemented for distribution  
24 of state funding to community colleges in future years.  
25 Specifically, it is the intent of the legislature that the  
26 performance indicators task force review and implement 1 or more

1 measurable data items for the local strategic value indicator and  
 2 review and implement 1 or more measurable data items for an  
 3 administrative cost formula component.

#### 4 GRANTS

5       Sec. 401. (1) The community college at-risk student success  
 6 program is continued. The funding shall be prorated among community

 9 community college to the department of energy, labor, and economic  
 10 growth pursuant to the Activities Classification Structure Manual  
 11 for Michigan Community Colleges, as amended. Of the amount  
 12 appropriated in part 1 for the at-risk student success program,

 20 the sum of the 3-year total contact hours at each college. Each  
 21 community college's percentage shall be divided by the sum of all  
 22 the percentages systemwide to obtain each community college's

13 shall publish the activities classification structure data book for  
14 Michigan community colleges on or before March 1, 2010.

15 Sec. 502. (1) The auditor general or a certified public  
16 accountant appointed by the auditor general may conduct performance  
17 audits of community colleges as the auditor general considers  
18 necessary.

19 (2) Not more than 60 days after an audit report is released by  
20 the office of the auditor general, the principal executive officer
