18 the dealer has 30 days after the date of the notice to correct the  
19 deficiencies. If all of the deficiencies are corrected within that  
20 30-day period, the notice is void and the manufacturer may not  
21 terminate or not renew the dealer agreement because of the  
22 deficiencies stated in the notice. If the dealer does not provide a  
23 notification of intent to cure deficiencies in that 30-day period,  
24 the termination or nonrenewal takes effect 90 days after the dealer  
25 received the notice.

26 (d) A manufacturer may reduce the notice period described in  
27 subdivision (a) to 10 days, and is not required to allow the dealer

3 categories of good cause described in subsection (6)(a) to (e).

4 (e) A manufacturer is not required to provide notice or an

13 from the manufacturer within 12 months before the effective date of  
14 the notice of termination that have not been used, except for  
15 demonstration purposes, and that have not been altered or damaged,  
16 at 100% of the net invoice cost of the recreational vehicles,  
17 including transportation, less applicable rebates and discounts to  
18 the dealer.

19 (b) All current and undamaged accessories and proprietary  
20 parts sold to the dealer for resale within the 12 months before the  
21 effective date of the termination that are accompanied by the  
22 original invoice, at 105% of the original net price paid to the  
23 manufacturer to compensate the dealer for handling, packing, and  
24 shipping the accessories and parts.

25 (c) Any properly functioning diagnostic equipment, special  
26 tools, current signage, and other equipment and machinery,  
27 purchased by the dealer within the 5 years before the effective

1 date of the termination at the manufacturer's request, if it cannot  
2 be used in the normal course of the dealer's ongoing business, at

6 of all of the items the manufacturer elects to repurchase under  
7 subsection (4) at the manufacturer's expense and the manufacturer

14 an owner of a dealer to a felony.

17 act of God, strike, labor difficulty, or other cause over which the  
18 dealer has no control.

19 (c) A material misrepresentation to a manufacturer by a dealer  
20 that affects the business relationship between the dealer and the  
21 manufacturer.

22 (d) Suspension or revocation of a dealer's license, or refusal  
23 to renew a dealer's license, by the department.

2       Sec. 11. (1) A dealer may not terminate a dealer agreement

6       (2) All of the following apply to a termination of a dealer  
7 agreement under this section for good cause:

8       (a) The notice described in subsection (1) shall state all  
9 reasons for the proposed termination.

10       (b) The notice described in subsection (1) shall state that if  
11 the manufacturer provides to the dealer a written notification of  
12 intent to cure all claimed deficiencies within 30 days after the  
13 manufacturer receives the notice, the manufacturer has 30 days  
14 after the date of the notice to correct the deficiencies. If all of  
15 the deficiencies are corrected within that 30-day period, the  
16 notice is void and the dealer may not terminate the dealer  
17 agreement because of the deficiencies stated in the notice. If the  
18 manufacturer does not provide a notification of intent to cure  
19 deficiencies in that 30-day period, the termination takes effect 90  
20 days after the manufacturer received the notice.

21       (c) A dealer may reduce the notice period described in  
22 subsection (1) to 10 days, and is not required to allow the  
23 manufacturer an opportunity to correct the deficiencies, if the  
24 dealer's grounds for termination or nonrenewal are any of the  
25 specific categories of good cause described in subdivision (e) (i) to  
26 (v) .

27       (d) A dealer is not required to provide notice or an

1 opportunity to correct deficiencies under this subsection if the  
2 dealer's grounds for termination or nonrenewal is that the  
3 manufacturer becomes insolvent, is bankrupt, or makes an assignment  
4 for the benefit of creditors.

5 (e) The dealer has the burden of showing good cause. Each of  
6 the following is considered good cause for a proposed termination  
7 of a dealer agreement by a dealer:

8 (i) Conviction of, or plea of nolo contendere by, the  
9 manufacturer to a felony.

10 (ii) Abandonment or closing the business operations of the

14 (iii) A material misrepresentation to the dealer by the  
15 manufacturer that affects the business relationship between the  
16 dealer and manufacturer.

18 is not cured within 30 days after written notice of the violation  
19 by the dealer.

20 (v) A material breach of the dealer agreement by the  
21 manufacturer.

22 (vi) The manufacturer becomes insolvent, is bankrupt, or makes  
23 an assignment for the benefit of creditors.

24 (f) If the manufacturer fails to cure any claimed deficiencies  
25 under subdivision (b), the dealer may require that the manufacturer  
26 repurchase any of the following from the dealer:

27 (i) All new, untitled recreational vehicles that were acquired

1 from the manufacturer within 12 months before the effective date of  
2 the notice of termination that have not been used, except for  
3 demonstration purposes, and that have not been altered or damaged,  
4 at 100% of the net invoice cost of the recreational vehicles,  
5 including transportation, less applicable rebates and discounts to  
6 the dealer.

7 (ii) All current and undamaged accessories and proprietary  
8 parts sold to the dealer for resale within the 12 months before the

11 manufacturer to compensate the dealer for handling, packing, and  
12 shipping the accessories and parts.

13 (iii) Any properly functioning diagnostic equipment, special  
14 tools, current signage, and other equipment and machinery,

27 a particular line-make after a dealer agreement has been terminated

1 or not renewed under section 9 or 11. If recreational vehicles of a  
2 line-make are not returned or required to be returned to the  
3 manufacturer, the dealer may continue to sell all line-makes that  
4 were subject to the dealer agreement and are currently in stock  
5 until those line-makes are no longer in the dealer inventory.

6 Sec. 15. (1) All of the following apply to a proposed sale of

26 of any objections to the dealer's succession plan within 30 days  
27 after receiving the dealer's succession plan or any modification of

4           (b) In any written notice of a factory campaign to  
5           recreational vehicle owners and dealers, fail to include the  
6           expected date by which necessary parts and equipment, including  
7           tires and chassis or chassis parts if required, will be available  
8           to dealers to perform the campaign work. The warrantor shall  
9           provide sufficient parts to the dealer to perform the campaign  
10          work. If the number of parts provided to the dealer under this  
11          subdivision exceed the dealer's requirements to perform the  
12          campaign work, the dealer may return unused parts to the warrantor  
13          for credit after completion of the campaign.

14          (c) Subject to section 23, fail to compensate a dealer for  
15          authorized repairs of warranted products damaged during the  
16          manufacturing process, or damaged while in transit to the dealer if  
17          the warrantor selected the carrier.

18          (d) Fail to compensate a dealer for authorized warranty  
19          service under this section in accordance with the applicable  
20          schedule of compensation provided to the dealer under section 17 if  
21          the warranty service is performed in a timely and competent manner.

22          (e) Intentionally misrepresent in any way to a purchaser of a  
23          warranted product that any warranty concerning the manufacture,  
24          performance, or design of the warranted product is made by the  
25          dealer either as a warrantor or co-warrantor.

26          (f) Require a dealer to make warranties to customers in any  
27          manner related to the manufacture of a warranted product.

1           (2) A warrantor shall indemnify the dealer for any money paid  
2 or costs incurred by a dealer in connection with a claim or cause  
3 of action asserted against the dealer, to the extent that payment  
4 or those costs are based on the negligence or intentional conduct  
5 of the warrantor. A warrantor may not limit the obligation to  
6 indemnify described in this subsection by agreement with the  
7 dealer. The dealer shall provide a warrantor with a copy of any  
8 claim or complaint in which an allegation described in this  
9 subsection is made within 10 days after receiving that claim or  
10 complaint.

11           (3) As used in this section and section 21:

12           (a) "Products" mean new recreational vehicles or parts,  
13 accessories, or components of new recreational vehicles.

14           (b) "Warranted products" mean products subject to a warranty  
15 from a specific warrantor.

16           Sec. 21. (1) A dealer shall not do any of the following:

17           (a) Fail to perform predelivery inspection of products, if  
18 required, in a competent and timely manner.

19           (b) If a transient customer requests service work on a  
20 recreational vehicle of a line-make that the dealer is authorized  
21 to display and sell, fail to perform any warranty service work  
22 authorized by a warrantor in a reasonably competent and timely  
23 manner without good cause.

24           (c) Make a fraudulent warranty claim to a warrantor.

25           (d) Misrepresent the terms of any warranty.

26           (2) A dealer shall indemnify a warrantor for any money paid or  
27 costs incurred by a warrantor in connection with a claim or cause

1 of action asserted against the warrantor, to the extent that  
2 payment or those costs are based on the negligence or intentional  
3 conduct of the dealer. A dealer may not limit the obligation to  
4 indemnify described in this subsection by agreement with the  
5 warrantor. The warrantor shall provide a dealer with a copy of any  
6 claim or complaint in which an allegation described in this  
7 subsection is made within 10 days after receiving that claim or  
8 complaint.

9       Sec. 23. (1) All of the following apply if a new recreational  
10 vehicle is damaged before it is shipped to a dealer, or is damaged  
11 in transit to the dealer and the manufacturer selected the carrier  
12 or means of transportation:

13       (a) The dealer shall notify the manufacturer of the damage  
14 within the time period specified in the dealer agreement and do 1  
15 of the following:

16       (i) In the notice, request authorization to replace the  
17 components, parts, and accessories damaged, or otherwise correct  
18 the damage, from the manufacturer.

19       (ii) Reject the recreational vehicle within the time period  
20 specified in the dealer agreement.

21       (b) If the manufacturer refuses or fails to authorize repair  
22 of the damage within 10 days after receiving notice under  
23 subdivision (a), or if the dealer rejects the recreational vehicle  
24 because of the damage within the time period specified in the  
25 dealer agreement, ownership of the recreational vehicle reverts to  
26 the manufacturer.

27       (c) The dealer shall exercise due care in the custody of the

1 damaged recreational vehicle, but the dealer has no financial or  
2 other obligation with respect to that recreational vehicle.

3 (2) A dealer agreement shall include a time period for  
4 inspection and rejection of damaged recreational vehicles under  
5 subsection (1) that is not less than 2 business days after the  
6 physical delivery of the recreational vehicle to the dealer.

7 (3) If a dealer determines that a new recreational vehicle has  
8 an unreasonable number of miles on its odometer at the time it is  
9 delivered to the dealer, the dealer may reject that recreational  
10 vehicle and ownership of the recreational vehicle reverts to the  
11 manufacturer. However, if the number of miles on the odometer is  
12 less than the sum of the distance between the dealer and the  
13 manufacturer's factory or point of distribution plus 100 miles, the  
14 dealer may not consider the number of miles on the odometer  
15 unreasonable for purposes of this subsection.

16 Sec. 25. (1) A manufacturer may not coerce or attempt to  
17 coerce a dealer to purchase a product or service that the dealer  
18 did not order.

19 (2) A manufacturer may not coerce or attempt to coerce a  
20 dealer to enter into any agreement with the manufacturer.

21 (3) A manufacturer may not coerce or attempt to coerce a  
22 dealer to enter into an agreement with the manufacturer or any  
23 other person that requires the dealer to submit its disputes to  
24 binding arbitration or otherwise waive its rights or  
25 responsibilities under this act.

26 (4) As used in this section, the term "coerce" includes, but  
27 is not limited to, threatening to terminate or not renew a dealer

1 agreement without good cause; threatening to withhold line-makes or  
2 other product lines the dealer is entitled to display and sell  
3 under the dealer agreement; or delay delivery of recreational  
4 vehicles as an inducement to amend the dealer agreement.

5       Sec. 27. (1) A dealer, manufacturer, or warrantor injured by  
6 another party's violation of this act may bring a civil action in  
7 circuit court to recover its actual damages. The court shall award  
8 attorney's fees and costs to the prevailing party in a civil action  
9 under this section.

10       (2) The venue for a civil action under this section involving  
11 1 dealer is the county in which the dealer's business is located.  
12 In an action involving more than 1 dealer, any county in which the  
13 business of any dealer that is party to the action is located is a  
14 proper venue for that action.

15       (3) Before bringing a civil action under this section, the  
16 party bringing suit for an alleged violation of this act shall  
17 serve a written demand for mediation on the offending party. The  
18 demand for mediation shall include a brief statement of the dispute  
19 and the relief sought by the party making the demand. The party  
20 making the demand for mediation shall serve the demand by certified  
21 mail to 1 of the following addresses:

22       (a) In an action between a dealer and a manufacturer, the  
23 address stated in the dealer agreement between the parties.

24       (b) In an action between a dealer and a warrantor that is not  
25 a manufacturer, the address stated in any agreement between the  
26 parties.

27       (c) In an action between 2 dealers, the address of the

1 offending dealer in the records of the department.

2 (4) Within 20 days after a demand for mediation is served  
3 under subsection (3), the parties shall mutually select an  
4 independent mediator who is approved by the department, and meet  
5 with that mediator for the purpose of attempting to resolve the  
6 dispute at a location in this state selected by the mediator. The  
7 mediator may extend the date of the meeting for good cause shown by  
8 either party or if the parties agree to the extension.

9 (5) The service of a demand for mediation under subsection (3)  
10 tolls the time for the filing of any complaint, petition, protest,  
11 or other action under this act until representatives of both  
12 parties have met with the mediator selected under subsection (4)  
13 for the purpose of attempting to resolve the dispute. If a  
14 complaint, petition, protest, or other action is filed before that  
15 meeting, the court shall enter an order suspending the proceeding  
16 or action until the mediation meeting has occurred and may, if all  
17 of the parties to the proceeding or action stipulate in writing  
18 that they wish to continue to mediate under this section, enter an  
19 order suspending the proceeding or action for as long a period as  
20 the court considers appropriate. The court may modify, extend, or  
21 revoke a suspension order issued under this subsection if it  
22 considers that action appropriate.

23 (6) Each of the parties to the mediation under this section is  
24 responsible for its own attorney fees. The parties shall equally  
25 divide the cost of the mediator.

26 Sec. 29. (1) In addition to any remedy available under this  
27 act or otherwise available by law, a manufacturer, warrantor, or

1 dealer may apply to a circuit court for the grant, after a hearing  
2 and for cause shown, of a temporary or permanent injunction or  
3 other equitable relief restraining any person from doing any of the  
4 following:

5 (a) Acting as a dealer without a proper license.

6 (b) Violating or continuing to violate this act. A single  
7 violation of this act is a sufficient basis for the court to grant  
8 equitable relief under this section.

9 (c) Failing or refusing to comply with any requirement of this  
10 act.

11 (2) The court may not require a bond as a condition to the  
12 grant of equitable relief under this section.

13 Enacting section 1. This act takes effect July 1, 2010.

14 Enacting section 2. This act does not take effect unless  
15 Senate Bill No.\_\_\_\_ or House Bill No. 4781(request no. 02963'09) of  
16 the 95th Legislature is enacted into law.
