## PROVISIONS CONCERNING APPROPRIATIONS

10 **GENERAL SECTIONS**

11       Sec. 201. Pursuant to section 30 of article IX of the state  
 12 constitution of 1963, total state spending from state resources  
 13 under this act for fiscal year 2010-2011 is \$1,621,134,800.00 and  
 14 state spending from state resources to be paid to local units of  
 15 government for fiscal year 2010-2011 is \$0.

16       Sec. 202. The appropriations authorized under this act are  
 17 subject to the management and budget act, 1984 PA 431, MCL 18.1101  
 18 to 18.1594.

19       Sec. 203. As used in this act, "research university" means a  
 20 public university classified as a "research university (very high  
 21 research activity)" under the 2005 classification of institutions  
 22 of higher education conducted by the Carnegie foundation for the  
 23 advancement of teaching.

24       Sec. 208. Unless otherwise specified, public universities  
 25 receiving appropriations in part 1 shall use the Internet to

1 fulfill the reporting requirements of this act. This requirement  
2 may include transmission of reports via electronic mail to the  
3 recipients identified for each reporting requirement, or it may  
4 include placement of reports on an Internet or Intranet site.

5       Sec. 209. Funds appropriated in part 1 shall not be used for  
6 the purchase of foreign goods or services, or both, if  
7 competitively priced and of comparable quality American goods and  
8 services, or both, are available. Preference shall be given to  
9 goods or services, or both, manufactured or provided by Michigan  
10 businesses if they are competitively priced and of comparable  
11 value. In addition, preference shall be given to goods or services,  
12 or both, that are manufactured or provided by Michigan businesses  
13 owned and operated by veterans if they are competitively priced and  
14 of comparable quality.

15       Sec. 210. It is the intent of the legislature that the funds  
16 appropriated in part 1 to state institutions of higher education  
17 shall not be used to enter into a lease or to purchase a vehicle  
18 assembled or manufactured outside of the United States, and that  
19 preference be given to vehicles assembled or manufactured in  
20 Michigan.

21       Sec. 211. The principal executive officer of each public  
22 university receiving appropriations in part 1 shall take all  
23 reasonable steps to ensure that businesses in deprived and  
24 depressed communities compete for and perform contracts to provide  
25 services, supplies, or both. Each principal executive officer shall  
26 strongly encourage firms with which the university contracts to  
27 subcontract with businesses in depressed and deprived communities

1 for services, supplies, or both.

2       Sec. 212. (1) The funds appropriated in part 1 to public  
3 universities shall be paid out of the state treasury and  
4 distributed by the state treasurer to the respective institutions  
5 in 11 equal monthly installments on the sixteenth of each month, or  
6 the next succeeding business day, beginning with October 16, 2010.  
7 Except for Wayne State University, each institution shall accrue  
8 its July and August 2011 payments to its institutional fiscal year  
9 ending June 30, 2011.

10       (2) All public universities shall submit higher education  
11 institutional data inventory (HEIDI) data and associated financial  
12 and program information requested by and in a manner prescribed by  
13 the state budget director. For public universities with fiscal  
14 years ending June 30, 2010, these data shall be submitted to the  
15 state budget director by October 15, 2010. Public universities with  
16 a fiscal year ending September 30, 2010 shall submit preliminary  
17 HEIDI data by November 15, 2010 and final data by December 15,  
18 2010. If a public university fails to submit HEIDI data and  
19 associated financial aid program information in accordance with  
20 this reporting schedule, the state treasurer shall withhold the  
21 monthly installments under subsection (1) to the public university  
22 until those data are submitted.

23       (3) A detailed description of procedures utilized to arrive at  
24 the amounts appropriated in part 1 shall be submitted to each  
25 institution by the senate and house fiscal agencies.

26       Sec. 213. Funds received by the state from the federal  
27 government or private sources for the use of a college or

Senate Bill No. 1157 (H-3) as amended June 8, 2010

1 university are appropriated for the purposes for which they are  
2 provided. The acceptance and use of federal or private funds do not  
3 place an obligation upon the legislature to continue the purposes  
4 for which the funds are made available.

5 Sec. 214. If section 274 of the income tax act of 1967, 1967  
6 PA 281, MCL 206.274, is not repealed and if a public university  
7 that receives funds under this act notifies the department of  
8 treasury regarding its tuition and fee rates in order to qualify as  
9 an eligible institution for the Michigan tuition tax credit under  
10 section 274 of the income tax act of 1967, 1967 PA 281, MCL  
11 206.274, the public university shall also submit the notification  
12 and applicable documentation of tuition and fee changes to the  
13 house and senate fiscal agencies.

14 Sec. 215. A public university that receives funds under this  
15 act shall furnish all program and financial information that is  
16 required by and in a manner prescribed by the state budget director  
17 or the house or senate appropriations committee.

18 Sec. 216. A public university receiving funds in part 1 shall  
19 cooperate with all measures taken by the state to establish a  
20 statewide P-20 education longitudinal data system to comply with  
21 the state fiscal stabilization fund provisions of the American  
22 recovery and reinvestment act of 2009, Public Law 111-5.

[Sec. 218. In an effort to better improve transparency and to  
further identify effective educational practices, it is the intent of the  
legislature that a public university receiving an appropriation in part 1  
shall develop, post, and maintain a user-friendly and publicly accessible  
Internet site, with all expenditures made by the college within a fiscal  
year. The posting must include the purpose for which the expenditure is  
made. A public university shall not provide financial information on its  
website under this section if doing so would violate a federal or state  
law, rule, regulation, or guideline that establishes privacy or security  
standards applicable to that section. A public university shall not  
expend more than \$100.00 from the appropriations in part 1 to implement  
the requirements of this section.]

23 **GRANTS AND FINANCIAL AID**

24 Sec. 301. (1) Payments of the amounts included in part 1 for  
25 the state competitive scholarship program shall be distributed  
26 pursuant to 1964 PA 208, MCL 390.971 to 390.981.

1           (2) Pursuant to section 6 of 1964 PA 208, MCL 390.976, the  
2 department of treasury shall determine an actual maximum state  
3 competitive scholarship award per student that ensures that the  
4 aggregate payments for the state competitive scholarship program do  
5 not exceed the appropriation contained in part 1 for the state  
6 competitive scholarship program. If the department determines that  
7 insufficient funds are available to establish a maximum award  
8 amount equal to at least \$800.00, the department shall immediately  
9 report to the house and senate appropriations subcommittees on  
10 higher education, the house and senate fiscal agencies, and the  
11 state budget director regarding the estimated amount of additional  
12 funds necessary to establish an \$800.00 maximum award amount.

13           (3) The department of treasury shall implement a proportional  
14 competitive scholarship maximum award level for recipients enrolled  
15 less than full-time in a given semester or term.

16           (4) If a student who receives an award under this section has  
17 his or her tuition and fees paid under the Michigan educational  
18 trust program, pursuant to the Michigan education trust act, 1986  
19 PA 316, MCL 390.1421 to 390.1442, and still has financial need, the  
20 funds awarded under this section may be used for educational  
21 expenses other than tuition and fees.

22           (5) If the department of treasury increases the maximum award  
23 per eligible student from that provided in the previous fiscal  
24 year, it shall not have the effect of reducing the number of  
25 eligible students receiving awards in relation to the total number  
26 of eligible applicants. Any increase in the maximum grant shall be  
27 proportional for all eligible students receiving awards.

1 (6) Veterans administration benefits shall not be considered  
2 in determining eligibility for the award of scholarships under 1964  
3 PA 208, MCL 390.971 to 390.981.

4 Sec. 302. (1) The amounts appropriated in part 1 for the state  
5 tuition grant program shall be distributed pursuant to 1966 PA 313,  
6 MCL 390.991 to 390.997a.

7 (2) Tuition grant awards shall be made to all eligible  
8 Michigan residents enrolled in undergraduate degree programs who  
9 apply before July 1, 2010 and who are qualified.

10 (3) Pursuant to section 5 of 1966 PA 313, MCL 390.995, and  
11 subject to subsection (7), the department of treasury shall  
12 determine an actual maximum tuition grant award per student that  
13 ensures that the aggregate payments for the tuition grant program  
14 do not exceed the appropriation contained in part 1 for the state  
15 tuition grant program. If the department determines that  
16 insufficient funds are available to establish a maximum award  
17 amount equal to at least \$1,610.00, the department shall  
18 immediately report to the house and senate appropriations  
19 subcommittees on higher education, the house and senate fiscal  
20 agencies, and the state budget director regarding the estimated  
21 amount of additional funds necessary to establish a \$1,610.00  
22 maximum award amount. By December 15, 2010, and again by February  
23 1, 2011, the department shall analyze the status of award  
24 commitments, shall make any necessary adjustments, and shall  
25 confirm that those award commitments will not exceed the  
26 appropriation contained in part 1 for the tuition grant program.  
27 The determination and actions shall be reported to the state budget

1 director and the house and senate fiscal agencies no later than  
2 February 15, 2011. If award adjustments are necessary, the students  
3 shall be notified of the adjustment by the third Monday in  
4 February.

5 (4) Any unexpended and unencumbered funds remaining on  
6 September 30, 2011 from the amounts appropriated in part 1 for the  
7 tuition grant program shall not lapse on September 30, 2011, but  
8 shall continue to be available for expenditure for tuition grants  
9 provided in the 2011-2012 fiscal year under a work project account.  
10 The use of these unexpended fiscal year 2010-2011 funds shall  
11 terminate at the end of the 2011-2012 fiscal year.

12 (5) The department of treasury shall continue a proportional  
13 tuition grant maximum award level for recipients enrolled less than  
14 full-time in a given semester or term.

15 (6) If the department of treasury increases the maximum award  
16 per eligible student from that provided in the previous fiscal  
17 year, it shall not have the effect of reducing the number of  
18 eligible students receiving awards in relation to the total number  
19 of eligible applicants. Any increase in the maximum grant shall be  
20 proportional for all eligible students receiving awards for fiscal  
21 year 2010-2011.

22 (7) The department of treasury shall not award more than  
23 \$3,000,000.00 in tuition grants to eligible students enrolled in  
24 the same independent nonprofit college or university in this state.  
25 Any decrease in the maximum grant shall be proportional for all  
26 eligible students enrolled in that college or university, as  
27 determined by the department.

1       Sec. 307. The auditor general may audit selected enrollments,  
2 degrees, and awards at selected independent colleges and  
3 universities receiving awards administered by the department of  
4 treasury. The audits shall be based upon definitions and  
5 requirements established by the department of treasury, the state  
6 budget director, and the senate and house fiscal agencies. The  
7 auditor general shall accept the Free Application for Federal  
8 Student Aid (FAFSA) form as the standard of residency  
9 documentation. The auditor general shall submit a report of  
10 findings to the senate and house appropriations committees and  
11 state budget director by May 1, 2011.

12       Sec. 308. The sums appropriated in part 1 for the student  
13 financial aid programs shall be paid out of the state treasury and  
14 shall be distributed to the respective institutions under a  
15 quarterly payment system as follows:

16       (a) For the state competitive scholarship, tuition incentive,  
17 and tuition grant programs, 40% shall be paid at the beginning of  
18 the state's first fiscal quarter, 40% at the beginning of the  
19 state's second fiscal quarter, 10% at the beginning of the state's

25       Sec. 309. The department of treasury shall determine the needs  
26 analysis criteria for students to qualify for the state competitive  
27 scholarship program and tuition grant program. To be consistent

1 with federal requirements, student wages may be taken into  
2 consideration when determining the amount of the award.

3 Sec. 310. (1) The funds appropriated in part 1 for the tuition
