27 or conducting activities the director considers to be a food

1 establishment must be licensed in the appropriate category under  
2 this act.

3         (3) If food is prepared in a food service establishment  
4 licensed under this chapter and the food is transported from the  
5 food service establishment to a fixed temporary serving location,  
6 the serving location is not required to be separately licensed  
7 and is considered an extension of the food service establishment  
8 if no food preparation is conducted at the serving location and  
9 the food is transported and served by employees of the food  
10 service establishment.
