6 constitution of 1963, total state spending from state resources
7 under part 1 for fiscal year 2010-2011 is \$1,573,778,500.00 and
8 state spending from state resources to be paid to local units of
9 government for fiscal year 2010-2011 is \$0.

10 Sec. 202. The appropriations authorized under this bill are
11 subject to the management and budget act, 1984 PA 431, MCL 18.1101
12 to 18.1594.

13 Sec. 203. As used in this bill, "research university" means a
14 public university classified as a "research university (very high
15 research activity)" under the 2005 classification of institutions
16 of higher education conducted by the Carnegie foundation for the
17 advancement of teaching.

18 Sec. 208. Unless otherwise specified, public universities
19 receiving appropriations in part 1 shall use the Internet to
20 fulfill the reporting requirements of this bill. This requirement
21 may include transmission of reports via electronic mail to the
22 recipients identified for each reporting requirement, or it may
23 include placement of reports on an Internet or Intranet site.

24 Sec. 209. Funds appropriated in part 1 shall not be used for
25 the purchase of foreign goods or services, or both, if

1 competitively priced and of comparable quality American goods and
2 services, or both, are available. Preference shall be given to
3 goods or services, or both, manufactured or provided by Michigan
4 businesses if they are competitively priced and of comparable
5 value. In addition, preference should be given to goods or
6 services, or both, that are manufactured or provided by Michigan
7 businesses owned and operated by veterans if they are competitively
8 priced and of comparable quality.

9 Sec. 210. Funds appropriated in part 1 to state institutions
10 of higher education shall not be used to enter into a lease for, or
11 to purchase, a vehicle assembled or manufactured outside of the
12 United States if competitively priced and comparable quality
13 vehicles made in the state of Michigan or elsewhere in the United
14 States of America are available.

15 Sec. 211. The principal executive officer of each state
16 university receiving appropriations in part 1 shall take all
17 reasonable steps to ensure businesses in deprived and depressed
18 communities compete for and perform contracts to provide services
19 or supplies, or both. Each principal executive officer shall
20 strongly encourage firms with which the university contracts to
21 subcontract with certified businesses in depressed and deprived
22 communities for services, supplies, or both.

23 Sec. 212. (1) The funds appropriated in part 1 to public
24 universities shall be paid out of the state treasury and
25 distributed by the state treasurer to the respective institutions
26 in 11 equal monthly installments on the sixteenth of each month, or
27 the next succeeding business day, beginning with October 16, 2010.

1 Except for Wayne State University, each institution shall accrue

15 monthly installments under subsection (1) to the public university
16 until those data are submitted.

17 Sec. 213. Funds received by the state from the federal
18 government or private sources for the use of a college or
19 university are appropriated for the purposes for which they are
20 provided. The acceptance and use of federal or private funds do not
21 place an obligation upon the legislature to continue the purposes
22 for which the funds are made available.

23 Sec. 215. A public university that receives funds under this
24 bill shall furnish all program and financial information that is
25 required by and in a manner prescribed by the state budget director
26 or the house or senate appropriations committee.

4 participation and ensure that all requirements of the program are
5 met.

6 (7) Applications for the tuition incentive program may be
7 approved at any time after the student begins the sixth grade. If a
8 determination of financial eligibility is made, that determination
9 is valid as long as the student meets all other program
10 requirements and conditions.

11 (8) Each institution shall ensure that all known available
12 restricted grants for tuition and fees are used prior to billing
13 the tuition incentive program for any portion of a student's
